### HIGH SCHOOL BOYS HELD "HIGH JINKS"

#### WRESTLING AND BOXING AROUSED MUCH INTEREST

Half Dozen Students Show Good Class on Mat and in "Manly" Art—High School Basketball Team Defeated "All Stars."

A large crowd turned out last evening to witness the boxing and wrestling exhibition given by the students of the high school. It was a success from every standpoint, the audience going away satisfied and the manager of the carnival smiling over his door receipts.

The program started with a 3-round boxing bout between Sturdivant and McDonald. They mixed it pretty good and the referee declared it a draw.

A wrestling match with Bean and Struve as the principals was called next and Bean put his opponent's shoulders to the mat in 6 minutes with a half Nelson.

The basketball game between Pendleton high and the All Stars was a trifle one sided, the final score being 38 to 5 in favor of the high school.

Sandwiched in between the halves was a fast 3-round boxing bout between "Kid" Estes and "Battling" Milne. Estes landed oftener than Milne but his blows were light compared to his heavier opponent's and at the end of the third round the referee pronounced it a draw.

Snyder and Thompson fought three rounds of fast, hard fighting, Thompson being more aggressive and quicker, while Snyder fought a waiting game and this bout was also declared a draw.

The last thing on the program was the wrestling match between Dudie "Gotch" Devine and Aubrey "Roller" Graham. Graham losing to Devine on a body hold which he could not break.

The girls of the school conducted an ice cream and candy booth in one corner of the hall and this proved to be very popular.

The lineup of the players in the basketball game follows:

P. H. S.—Sturdivant and Rader, forwards; McDill, center; Devine and Jordan, guards.

All Star—Penland and Chilson, forwards; Greenwald, center; Cooley and Kimball, guards.

Clark Nelson refereed all the events. The venerable Colonel Gordon of Mississippi served 60 days in the senate, and judging from his farewell speech, though he is a nice old childish man, that was quite long enough.

#### Sunshine Melts Ice Gorges.

Cleveland, Mar. 5.—Three days of sunshine have destroyed the last of the ice gorges in Ohio streams and the melted snow is well on its way to the lakes. Waters throughout this state are practically normal.

#### Ohio River Still Rising.

Cincinnati, March 5.—The Ohio river reached the 50 foot mark here last night and is still rising. The local forecaster predicts the 52 foot mark. Probably little damage will result.

#### S. P. Still Tied Up.

Ogden, March 5.—Traffic on the Southern Pacific continues tied up, due to washouts in Nevada. The track will not be cleared for ten days.

Emperor William will have sold five castles before through with his real estate movement.

#### BEING BORN IS HIGH PRICED LUXURY NOW

New York.—Peevish persons who have been complaining about the increased cost of living will be asked to press the soft pedal and be thankful they are here at all when they learn that it costs from \$25 to \$50 more to be born now than it did ten years ago.

The chances are they would not be here to murmur if they had to pay the excessive initiation fee that is being charged nowadays. In common with everything else, the fare from farmland to New York has gone up by leaps and bounds since Stork & Co., the passenger agents on this line, have a monopoly. A protest to the public service commission is seriously thought of.

Ten years ago a ticket which landed you on earth cost \$15, with a few dollars extra for the services of a white-capped conductor, but now the surgeon who acts as the reception committee for the new member demands from \$50 to \$75. Thousands of infants cannot afford the trip. The increased expense in a manner accounts for the number of twins and triplets, as Stork & Co. give a special rate to parties of two or more.

"It is true that more is charged in these cases," said Dr. Frank R. Caster. "We have made wonderful strides, and the patient gets the benefit of all that additional experience."

#### IS RAISED FROM LONDON STAGE TO IRISH CASTLE

London.—By falling in love with pretty Irene Desmond, Sir Richard William LeVigne very much disturbed the expectations of his brother, the Hon. Reginald Augustus Devigne, of succeeding to the ancient Irish baronetcy. By marrying Miss Desmond Sir Richard has not only made an actress Lady LeVigne, but has relegated a very charming woman to the position of dowager.

Sir Richard, who is the tenth baronet and a lieutenant of the Eighth Irish Horse, is very wealthy. He is 32 years old and succeeded to the baronetcy ten years ago. Since the death of the ninth baronet in that year, the widow, who was a daughter of Sir Richard Sutton, has kept house for her eldest son at the family seat of Knockdrin Castle in Mullingar county.

Now a new chateleine appears in the person of the former member of Daly's theater in London, Reginald's nose is put out of joint and new domestic arrangements will be made.

#### CHAMPION SWEDISH RUNNER HAS MANY ADMIRERS

New York.—Followers of the distance running game here are deeply interested in the performances of Gustave Ljungstrom, the former cross country champion of Sweden, who ran second to Fred Meadows in the 15 mile race held in Madison Square garden recently. Many experts figure that had he not made the mistake of allowing Meadows to gain a lap early in the recent race he would have won easily, as he finished with a phenomenal burst of speed. Ljungstrom is entered in several long distance races to be held here within the next two months, and he is expected to come pretty near capturing all of them. Ljungstrom stands about five feet six inches and is sturdily built. He has run 6 miles 346 meters in 32 minutes 3 seconds and 10 miles in 53 minutes 2 seconds. Ljungstrom has repeatedly defeated Peterson, the former Swedish hill and dale champion, who found no trouble in outrunning Deakin of England in a match race recently.

#### Both Parties To Suit Die

Salem, Ore.—Not only have the defendant and plaintiff died in the case of Richard Clinton vs. Dan Healy, since the case was appealed to the supreme court from Multnomah county, but the supreme court was today notified that a third substitution of the parties has become necessary by the death of the wife of the deceased plaintiff. The wife had been previously substituted for her husband.

All the parties involved in the suit have died since the case was appealed to the supreme court and the peculiar coincidence might be taken as an example of the slow pace at which the wheels of justice move in Oregon were it not for the fact that the case was filed only slightly more than a year ago, during February of 1909.

The proceeding is one for ejectment and involved title to lots 7, 8 and 9 in Mount Tabor Place addition to East Portland.

Ludwig Mark, the Hungarian artist who is here to paint a portrait of Robert E. Peary, arrived a few days ago on the North German Lloyd steamship George Washington. He brings with him 35 canvases that he will exhibit at the National Arts club.
