Baked Cauliflower.
Boil one small cauliflower and break it apart carefully into flowerets. Put a layer of these in the bottom of a baking dish, then a layer of toasted bread crumbs, a dusting of salt, pepper, nutmeg and grated onion; then another layer of cauliflower and seasonings; then the bread crumbs, with a few cracker crumbs and three tablespoonfuls of cheese. Use for the seasonings a level dessert spoonful of grated onion, 12 grates of nutmeg, one quarter teaspoonful of salt, one cupful of toasted bread crumbs. Make a cream sauce by rubbing one tablespoonful each of butter and flour together, to this add three quarters of a cup of hot milk, a salt-spoonful of salt and a dash of pepper and stir until boiling. Pour over the ingredients in the dish, dot with a few bits of butter and sprinkling of crumbs and bake in a quick oven 10 or 15 minutes. Serve as soon as the top has browned delicately.

Twisted Maple Cookies.
One cupful each of granulated and maple sugar and one of butter, two well beaten eggs, two tablespoonfuls of water, and flour enough to make of the consistency of cookie dough. Cut into strips, roll in a powdered sugar, twist, and bake a light brown.

Worth Knowing.
Orange salad is quickly made and will help out many a hurry-up meal. Simply peel large seedless oranges and slice thick. Lay the pieces on lettuce and pour rich dressing over them. Chill and serve.
Caramel sweet potatoes are delicious. To prepare them, simply boil and slice the potatoes and dip them first in melted butter and then in granulated sugar. Put into a hot oven, till a coating of brown caramel is formed.
When cutting brick butter into

bits of the butter often will cling to the knife and spoil the looks of the square. If a piece of paraffin paper small squares for use on the table is wrapped around the silver knife, the butter will cut in sharp, clean squares and will not cling to the knife at all.
A silkline spool nailed to the floor back of the door and painted the color of the woodwork makes a convenient door-stop.
Dress skirts will not sag if they are provided with tape straps evenly pinned with safety pins to the skirtband and are hung on two hooks, instead of one.
When the little white standards in lace collars become soiled, do not attempt to wash them; soak them overnight in gasoline then cover them with scented talcum powder.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh of the Bladder. It is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure internally acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

GIRLS' GLEE CLUB OF WHITMAN COLLEGE

One seldom has the opportunity of hearing a chorus of girls' voices. There is something uplifting in hearing not a crowd of chorus girls gaily dressed and intended to represent the fantastic and unreal in life, but in hearing a score of fresh young voices, real girls, singing of real life.
The Whitman College Girls' Glee club will be in Pendleton Friday, March 11, at the Methodist church, under the auspices of the Pendleton academy. Mr. Sterling, the well-known pianist of Whitman conservatory, will appear on the program.

Abandon Voting Trust.
Pittsburg, Pa., March 3.—No change was made in the present management of the corporation by the stockholders of the Pittsburg Coal company at the annual meeting today. The plan for forming a voting trust, with the object of preventing the control from passing into other hands at a price lower than \$40 a share for common and \$100 for preferred, has been abandoned, as it received the assent of less than a majority of the stock.

DR. H. W. COE WILL SELL MAXWELL LANDS

WILL USE ORGANIZATION TO COLONIZE PROJECT
Hermiston is Progressing—Much Building Proposed for Spring—School to be Enlarged—Improved Phone Service Promised.

(Staff Correspondence.)
Hermiston, Ore., Mar. 8.—On the fifteenth of this month, if local reports prove correct, Dr. H. W. Coe and his large organization of realty men will join the forces now engaged in selling the Maxwell lands under the Umatilla project. It is understood that a deal has been made under which Dr. Coe will enter immediately upon the work of colonizing the Maxwell lands. As he has a good working organization consisting of many representatives in various parts of the east and middle west it is anticipated that there will be "something doing" when he takes up the work of selling lands under the Umatilla project. Dr. Coe has already disposed of practically all the land under the Furnish-Coe project.
Taking Homestead Lands.
Gradually the land under the project open to homestead entry is being filed upon. Almost every day a few filings are made. The satisfactory feature about the taking of these lands is that the entry men are evidently taking hold with the intention of actually living upon the land and reclaiming the same. For the most part the entrymen are men of some experience and also have funds with which to improve their claims.
Town is Growing.
Within Hermiston there are many evidences of growth and progress. Several new business buildings are projected for the spring. At this time the prospective builders have not fully worked out their plans, but the situation is such that considerable building is inevitable.
Work has just been started upon the leveling and improving of the school grounds. A big addition to the school building has also been voted and is to be constructed so as to be in readiness for use next fall. The storage company, of which Messrs. Clarke and Phelps are principal stockholders, will also enlarge its plant during the spring.
Manager McWhorter of the phone company serving Hermiston, has announced that on March 15 the company will improve its service. After that date an all day and all night service will be established and it will include Sundays as well as week days. At this time there is no night or Sunday phone service.

HORSES DISAPPEARING FROM LONDON STREETS
London.—The rapid disappearance of the horse from London streets was strikingly illustrated by the opening sale at Fernhead road, Harrow road, of omnibus horses belonging to the London General Omnibus company. The bidding was brisk, but prices were comparatively small, and averaged \$50 to \$75 for 10-year-olds. The highest price reached was about \$137 and the lowest \$37. The purchasers included farmers, carmen, green grocers and coal dealers. The company is disposing by auction of 500 horses and is replacing the horse vehicles from time to time with motor omnibuses.
About 500 horses are now left in the company's omnibus service, as compared with about 14,000 regularly employed before the motor competition began.

Thousands Have Kidney Trouble and Never Suspect It

How To Find Out.
Fill a bottle or common glass with your water and let it stand twenty-four hours; a brick dust sediment, or settling, stringy or milky appearance often indicates an unhealthy condition of the kidneys; too frequent desire to pass it or pain in the back are also symptoms that tell you the kidneys and bladder are out of order and need attention.

What To Do.
There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills almost every wish in correcting rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. Corrects inability to hold water and scaling pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and immediate effect of Swamp-Root is soon realized. It stands the highest because of its remarkable health restoring properties. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.
You may have a sample bottle sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. Mention this paper and remember the name, Dr. Kilmer's Swamp Root, and the address, Binghamton, N. Y., on every bottle.
