

# HOGS AGAIN \$10.50 IN PORTLAND MARKET

DOVE OF 43 BROUGHT BIG PRICE YESTERDAY

Cattle Receipts at Portland Yards Were Light—Cattle Being Shipped to Northwest from California.

Portland Livestock Exchange, Mar. 8.—Hogs again sold at \$10.50 in the local market, 43 head being moved at that figure during the day.

Only 27 head of cattle arrived in the yards up to noon, but additional supplies were expected late in the afternoon. With a strong market for supplies, it is quite possible that higher prices will rule for extra select quality.

Shippers in today: Bauman & Johnson shipped in two loads of cattle and calves from Baker City.

H. C. Williams was another Baker City shipper on the local market today. He had in two loads of horses. J. E. Reynolds, the regular, shipped in 75 hogs and three cattle from Condon.

E. T. Slayton, the prominent Prineville shipper, was due to arrive today in the Portland market with 10 loads of cattle.

Twenty cars of cattle were loading today at Gazelle, Cal. Half of these were for the Portland market and half for the sound.

# BEARISH REPORT MADE WHEAT BREAK

CLOSE MONDAY LOWER THAN ON SATURDAY

Wheat Pit Battle Entirely in May Delivery and Issue Was Strongly Waged by the Bulls and Bears.

Chicago, March 8.—Wheat market tumbled and continued to tumble during the early part of the session, striking a loss of 2 1/2c a bushel in the May, 7-8c in July and 3-4c a bushel lower than the close of Saturday.

Estimate of the St. Louis Modern Miller that farmers still retained 183,000,000 bushels of wheat on March 1, caused the initial stampede to sell the May. This estimate is 11,000 bushels greater than the estimate given out by B. F. Snow last week; this, too, causing a sharp break in quotations.

Battle in the wheat pit today was entirely in the May delivery and here was fought the great issue between the bulls and bears. Opening values for wheat were 3-8 to 1-2c lower with September weakest.

With but momentary pause for the bears to get their second wind, the selling in the May became terrific and the low level was reached early in the day.

There was a weaker feeling abroad. Liverpool opened with a loss of 8-8d to 1-2d and closed 1-8d to 3-8d under Saturday.

### HOW IS THIS FOR A POULTRY ARGUMENT

Detroit, Mich.—Mrs. George W. Mattice, who lives about a mile and a half from Pontiac, has 35 Buff Orpington pullets. Their record is as follows:

October, 206 eggs; November, 283; December, 354; January, 721; a total of 1564 eggs in four months, and at a time of the year when most hens take a vacation. Three of the pullets also have hatched 31 chicks.

Mrs. Mattice has a black Orpington pullet that she thinks is a record maker. This one was hatched May 6 and just six months from that day, November 6, she laid her first egg. Between the latter date and February 6 she laid 82 eggs. As there were just 82 days in the interim, it is plain she did not loaf on the job.

Mr. Mattice, with his wife, has three acres for a poultry farm, and they are paying particular attention to hens that work in the winter.

"I paid as high as \$10 a setting for the eggs," said Mr. Mattice, "and I am going to buy some more at a higher price. It pays, for eggs that are laid and hatched in the winter produce winter-laying chicks. We feed the chickens well, but do not have a particularly warm place for them."

"It is pretty fine to go out and gather a couple of dozen eggs on a day when the thermometer is close to zero. There are thousands of hens in our section of Oakland county that have not laid an egg in a long while, and the farmers wonder at our flock."

### SAYS WRESTLING IS TOO DANGEROUS FOR GRIDIRONERS

Philadelphia—Mike Murphy, the famous athletic trainer, has decided that wrestling is too dangerous for football players to indulge in, and will no longer permit the University of Pennsylvania's gridiron men to grapple with the strong men of other universities. Murphy's reason for turning against the sport is in the many injuries sustained this winter by Pennsylvania wrestlers, most of whom are football players.

Hellman, one of the big linemen, met with a serious injury and was out of the sport for six weeks; Burdick was out an equal length of time because of a torn ligament; Payne broke his arm, and finally Pike, the giant guard, broke his right leg above the ankle. This was the last straw, and Murphy ordered Burdick, who had recovered from his torn ligament to give up the sport.
