

### STEERS HIT \$6.25 AGAIN IN MARKET

NEW HIGH RECORD MADE IN PORTLAND

Prineville Steers, Shipped by E. L. Clayton, Bring a New High Record—Other Lines Also Firm.

Portland Union Stockyards, Stockdale, Mar. 8.—A new high record was reached in the market for steers today when a sale was made in the yards at \$6.25. This is 15c above the highest price heretofore obtained in this or any other market on the Pacific coast.

Some fairly good steers sold up to \$4 and some not over heavy cows went around \$4.75. These sales indicate a better feeling in the general market for cattle.

Bulls are selling as high as \$4.50 and are above all previous records in the local market. Absence of sheep and lambs from the market is causing some concern but the market is extremely firm with as high as \$7.75 offering for fancy lambs while wethers are quoted up to \$6.50.

**Little Loss During Winter.** Latest reports from the interior indicate that the losses to livestock during the winter were not nearly so severe as believed.

"While it cost the sheep men about 7c a head more to keep their sheep this winter than during previous year," says C. C. Clark, the well known livestock buyer of Arlington, "the losses have not been very severe and those who have lost their sheep generally figure that it was cheaper to lose them than to buy sufficient feed. General conditions in the Arlington-Condor section are good. With a rainfall 75 per cent more than a year ago the ground is in excellent condition and bumper crop prospects are bright indeed."

**Among the Shippers.** E. T. Slayton had in 10 cars of cattle from Shantiko on today's market. B. S. McCullough shipped in two loads of cattle from Echo.

Today's run of livestock compares with this day in recent years as follows:

Cattle	195
Hogs	750
Sheep	55
Goats	50
Calves	450

A year ago today all lines of livestock were firm at unchanged prices. Today's range in livestock values:

Cattle—Best steers, \$6.25; good steers, \$5.85@6.00; common steers, \$4.00@5.00; medium, \$5.25@5.50; fancy heifers, \$4.75; best cows, \$4.75; medium cows, \$4.50; poor cows, \$2.50@3.50; bulls, \$2.25@3.75; stags, \$2.50@3.00.

Hogs—Best east of the mountains, \$10.50; fancy, \$9.75; stockers, \$9.50; pigs, \$9.00@9.25.

Sheep—Best wethers, \$4.00; ordinary, \$3.50; spring lambs, \$6.50@6.75; straight ewes, \$5.75@6.00; mixed lots, \$5.50.

Calves—Best, \$5.75@6.00; ordinary, \$5.00@5.25.

**Officers are Selected.** Officers of the Portland Livestock Exchange were elected and selected at the annual meeting yesterday afternoon. There was a large attendance and the election resulted in the reelection of F. C. Sharkey as president. W. H. Daugherty was elected a director. The directors appointed Tom C. Benson vice president and again selected William Burke, Jr., as secretary and treasurer.

It was decided at the meeting to discontinue the censorship of the news and that each newspaper was to secure its own information. A prosecuting committee composed of William Burke, Sr., Hugh Strickland and M. J. Gill was appointed.

### THE WHEAT MARKET

172,000,000 BU. WHEAT HELD BY U. S. FARMERS

Government Report Shows That Growers Hold Back 23.5 Per Cent of Crop—A Sharp Advance Is Shown.

Chicago, March 8.—Wheat opened generally weak with a loss of a cent for the May, but closed very strong 1 to 2c a bushel higher than yesterday.

Issuance of the government report a few moments previous to the closing caused a big stampede to cover whatever shorts were found. While the government report shows that farmers hold 1,000,000 bushels more wheat than estimated by B. F. Snow last week, the report shows 10,000,000 bushels less than estimated by Modern Miller yesterday. The latter report caused the stampede to sell yesterday.

After the opening the position of the pits became more secure in the wheat pit, and by sharp movements the May advanced to \$1.13 or 2 1/8c above the opening. It afterwards dropped back to \$1.12 1/8, where it closed a cent above yesterday.

Foreign markets were weak and generally lower today. Liverpool opened and closed unchanged to 1-4d below yesterday.

### BIG LIDS ARE BARRED FROM TAFT BANQUET

Chicago.—Women who have purchased expensive headgear to wear at the banquet to be given President Taft by the Irish Fellowship club here March 17, are prieved because the committee has announced that no women will be allowed to wear hats in the banquet hall. Following the announcement of the edict, Chairman James O'Shaughnessy said: "I can imagine how a woman feels who has bought a \$150 hat to wear on such an occasion. It was hard for the committee to bring itself to issue the edict, but it had to be done. There is only a limited amount of space in any hall. We figured it up mathematically that one woman's hat takes up the space of two and a quarter persons. There would be no room for the waiters to get around."

### FORESTRY STUDENTS TO HELP UNCLE SAM

Seattle, Wash.—It has just been announced by the Portland office that the United States forest service is planning to use about 35 forest students from the University of Washington in practical forest investigations on national forests in Washington and Oregon during the coming summer. Hitherto, the service has been greatly handicapped by lack of a sufficient number of qualified men in conducting field work of a special nature and it is believed that by the employment of these western young men this summer very much can be

# Facts For Sick Women

We know of no other medicine which has been so successful in relieving the suffering of women, or secured so many genuine testimonials, as has Lydia E. Pinkham's Vegetable Compound.

In almost every community you will find women who have been restored to health by Lydia E. Pinkham's Vegetable Compound. Almost every woman you meet has either been benefited by it, or knows some one who has.

In the Pinkham Laboratory at Lynn, Mass., are files containing over one million one hundred thousand letters from women seeking health, in which many openly state over their own signatures that they have regained their health by taking Lydia E. Pinkham's Vegetable Compound.

Lydia E. Pinkham's Vegetable Compound has saved many women from surgical operations.

Lydia E. Pinkham's Vegetable Compound is made exclusively from roots and herbs, and is perfectly harmless.

The reason why it is so successful is because it contains ingredients which act directly upon the female organism, restoring it to healthy and normal activity.

Thousands of unsolicited and genuine testimonials such as the following prove the efficiency of this simple remedy.

Minneapolis, Minn.:—"I was a great sufferer from female troubles which caused a weakness and broken down condition of the system. I read so much of what Lydia E. Pinkham's Vegetable Compound had done for other suffering women. I felt sure it would help me, and I must say it did help me wonderfully. Within three months I was a perfectly well woman.

"I want this letter made public to show the benefits to be derived from Lydia E. Pinkham's Vegetable Compound."—Mrs. John G. Moldan, 2115 Second St., North Minneapolis, Minn.

Women who are suffering from those distressing ills peculiar to their sex should not lose sight of these facts or doubt the ability of Lydia E. Pinkham's Vegetable Compound to restore their health.
