

THIRD OPERATION PREVENTED

By Lydia E. Pinkham's Vegetable Compound

Chicago, Ill.—"I want to tell you what Lydia E. Pinkham's Vegetable Compound did for me. I was so sick that two of the best doctors in Chicago said I would die if I did not have an operation. I had already had two operations, and they wanted me to go through a third one. I suffered day and night from inflammation and a small tumor, and never thought of seeing a well day again. A friend told me how Lydia E. Pinkham's Vegetable Compound had helped her, and I tried it, and after the third bottle was cured!"—Mrs. ALYXIA SPYGLING, 1408 Clybourne Ave., Chicago, Ill.

If you are ill do not drag along at home or in your place of employment until an operation is necessary, but build up the feminine system, and remove the cause of those distressing aches and pains by taking Lydia E. Pinkham's Vegetable Compound, made from roots and herbs.

For thirty years it has been the standard remedy for female ills, and has positively restored the health of thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, bearing-down feeling, flatulency, indigestion, dizziness, or nervous prostration. Why don't you try it?

WOOL SCOURING PLANT PREPARES FOR SEASON

Shearing Commences in About Two Weeks—Baseball Team Fixing Grounds—Near Sum Raised for Cleaning of Town—Other Items.

(Special Correspondence.)
Echo, Ore., March 10.—The wool scouring plant is being overhauled in preparation for the season's run. Already some wool has been received, although the shearing season has not begun. This wool is some clipped from the mutton sheep. Shearing proper will begin in about two weeks and a long run is anticipated at the mill.

The Echo baseball team has leased five acres of Miss Lois Smith's place just west of town. They now have a force of men and teams busily engaged in preparing the ground for the season's diamond. The first game will be played here on Sunday afternoon between the Echo and Stanfield teams.

Last Saturday was tag day in Echo and \$36.35 was raised, which sum will be used in cleaning and beautifying Echo. Tomorrow and Saturday are the days the work is to be done. Both workmen and teams will be hired. Any of the funds left over from cleaning the town will be expended for trees to be planted on the streets. This good work is being carried on by the ladies as is often the case.

Dr. and Mrs. Alex Reid of Stanfield were visiting here yesterday.

J. B. Saylor of Freewater, stopped here today while on his way to Portland to attend a directors' meeting of the Bank of Echo. He left on delayed No. 7.

Mr. and Mrs. Thos. Ross returned home yesterday. They have been absent the past two months on an extended visit to Los Vegas, New Mexico, and in Old Mexico. Mr. Ross is looking after his interests here in the wool scouring plant.

Mrs. Louis Scholl, Jr., and Mrs. L. Corrier visited today in Stanfield.

HALLEY'S COMET IN TWILIGHT SIGHT AT TWILIGHT

New York.—Halley's comet may be seen on nights when conditions are favorable with the aid of an ordinary field glass, according to members of the astronomical faculty at Columbia University. The most favorable time to look for it is between 6:30 and 7:30 p. m., with the glass elevated somewhat above the point where the sun sets.

The comet is at present in what the astronomers call the "twilight region." It is in line with the sun, and its brightness is therefore dimmed. It will be visible all through April and May, but at its maximum brilliancy on May 18. When the comet is nearest the earth it will be only about 14,000,000 miles away.

PUTS AN END TO STOMACH MISERY

INDIGESTION, GAS AND HEART-BURN GO IN FIVE MINUTES

A Little Diapepsin Now Will Make our Out of Order Stomach Feel Fine—Digests All Your Food. Leaving Nothing to Ferment and Sour.

Every family here ought to keep some Diapepsin in the house, as any one of you may have an attack of indigestion or stomach trouble at any time, day or night.

This harmless preparation will digest anything you eat and overcome a distressed, out of order stomach five minutes afterwards.

If your meals don't tempt you, or what little you do eat seems to fill you or lays like a lump of lead in your stomach, or if you have heartburn, that is a sign of indigestion.

Ask your pharmacist for a 50-cent case of Pape's Diapepsin and take a little just as soon as you can. There will be no sour risings, no belching of undigested food mixed with acid, no stomach gas or heartburn, fullness or heavy feeling in the stomach, nausea, debilitating headaches, dizziness or intestinal griping. This will all go, and, besides, there will be no sour food left over in the stomach to poison your breath with nauseous odors.

Pape's Diapepsin is a certain cure for out of order stomachs, because it prevents fermentation and takes hold of your food and digests it just the same as if your stomach wasn't there.

Relief in five minutes from all stomach misery is at any drug store, waiting for you.

These large 50-cent cases contain more than sufficient to cure almost any chronic case of dyspepsia, indigestion or any other stomach trouble.

Charles B. Hanford, Oregon Theater, Tuesday, March 15.

CHARLES B. HANFORD IN "THE AMERICAN LORD"

The opportunity to see Charles B. Hanford in a modern role is one which presents itself so infrequently that it is not to be lightly regarded.

It has long been Mr. Hanford's desire to portray a simple citizen of the United States with the same artistic singularity which he would bring to the interpretation of a role from the classics. A search for a play which would give him such a subject brought to light "The American Lord" by George H. Broadhurst and Charles T. Dazey. It is a drama of action and sentiment in which comedy and thrilling interest mingle with delicate pathos. The play had been presented before it came into Mr. Hanford's hands and scored a distinct success with Wm. H. Crane in the leading role. The position of leading woman in the cast will be filled by Miss Marie Dronah, whose large following will find her in a part calculated to display her varied and exceptional talents at the best. An efficient company and fine stage settings have been provided, in accord with the unswerving policy which makes a Hanford production a revelation of stagecraft in all its details. Mr. Hanford appears in "The American Lord" at the Oregon theater on Tuesday, March 15.

Can You Afford To Use Hog Lard?

Lard is the fore-runner of indigestion. The hog fat soaks the pastry through and through, fills meats inside and out with a thick, unhealthy grease that the digestive juices cannot penetrate. The result is a call on the doctor whose advice is to go on a diet and avoid all rich food.

You can eat your fill of pies, cakes and all kinds of pastry if they are cooked with *Cottolene*—the perfect shortening—for it is a pure, healthful, vegetable-oil product that contains no trace of hog fat, and does not make food the least bit greasy.

From Cottonfield to Kitchen—human hands never touch the oil from which *Cottolene* is made. The result is that when you buy *Cottolene* you get a cooking fat upon whose purity and cleanliness you can absolutely rely.

For all frying and shortening purposes, use *Cottolene*, and give your poor stomach a chance.

COTTOLENE is Guaranteed Your grocer is hereby authorized to refund your money in case you are not pleased, after having given *Cottolene* a fair test.

Never Sold in Bulk *Cottolene* is packed in pails with an air-tight top to keep it clean, fresh and wholesome, and prevent it from catching dust and absorbing disagreeable odors, such as fish, oil, etc.

BRONCHIAL TUBES ALL STUFFED UP

"While a resident of Washington, D. C., I suffered continually and intensely with a bronchial trouble that was simply terrible to endure. I would have sworn that I could hardly breathe. I would choke up, fill up in my throat and bronchial tubes, and the doctoring that I did and the remedies used were of no benefit to me whatever. I heard about Booth's Hyomei being so beneficial in catarrhal and bronchial affections and procured an outfit. I received relief from the first by its use. I continued with it and received a cure. It is about two years since I have suffered at all from my former trouble."

Mrs. R. L. Pannell, 404 N. Augusta street, Staunton, Va., March 28, 1909.

Hyomei is guaranteed by Tallman & Co. to cure catarrh, croup, bronchitis, coughs, colds and sore throat; or money back.
