O. R. & N. TO HAVE BETTER EQUIPMENT

\$1,755,000 TO BE SPENT ON HARRIMAN LINES IN OREGON

Requisition Is Approved and Orders Soon to Be Placed—No More Car Shortage at Critical Times—Engines Are to Be of Latest Atlantic Type.

Increased efficiency in the freight and passenger service to be afforded by the O. R. & N. hereafter is assured in the announcement from Portland that requisitions for approximately \$1,755,000 for the Southern Pacific lines in Oregon and for the O. R. & N. system have been approved and orders will be placed soon through the New York offices. This means there is not to be another car shortage this fall when the bumper wheat crop is ready for transportation to tidewater ports. It means that freight trains will be handled in greater numbers and at greater speed than ever before and that passenger trains will not fall hours behind their schedule because they are heavier than the locomotives are capable of transporting at schedule speed.

These figures represent the approximate value of equipment that will be added in addition to new freight cars. For the latter on the two roads, Manager O'Brien has asked for cars that will mean a further expenditure of \$1,859,000 and on which the eastern officials have given a qualified approval. A large part of the new freight equipment asked will be ordered but the extent of the purchases throughout the year will depend on later conditions. The total represented in the equipment budget for the two systems in this state and in Washington is about \$4,630,000. In engine equipment the O. R. &

N. will receive this year 25 new consolidated engines for freight traffic; 12 Atlantic type engines for high speed trains on low grades, and three switch engines.

Steel Postal Cars Asked. In new passenger equipment there are to be two steel postal cars, eight steel baggage cars, four combination baggage and postal cars, and 12 steel coaches. The freight equipment requisition includes 12 cabooses, 200 stock cars, 300 flat cars and 1200 box-cars. In addition approval has been given to the purchase of a 120-ton wrecking derrick.

The value of the new equipment for the O. R. & N., exclusive of the freight cars, will be approximately \$1,000,000, according to the standard price list of such equipment. The value of the new freight equipment, if all is furnished, will be approximately \$1,755,000.

For the Southern Pacific lines in Oregon orders will be placed for ten consolidated engines, six ten-wheel passenger engines and two switch engines; four steel postal cars, six steel baggage cars, five combination baggage and postal cars, ten steel coaches and one wrecking derrick. The new freight cars for which requisition was made, include 100 flats and 100 stock cars.

Engines to Be of Atlantic Type. The requisitions that have been approved for Southern Pacific equipment will run up to about \$630,000, while the new freight equipment will cost about \$112,000.

The Atlantic type engines ordered for the O. R. & N. passenger service are similar to those used on the New York Central fast trains. The Pacific type of engine has been abolished on the Harriman system.

The big order for freight cars and engines on the O. R. & N. is accounted for in the increase of tonnage in sight, not only through extensions, but also because of rapid development of the interior and increasing demands for western lumber. Growth of the northwest also is increasing the volume of westbound transcontinental traffic.

At the list price on boxcars quoted by the manufacturers, which is \$1200 each, the one order for 1200 boxcars means a total expenditure of \$1,440,000.

OLD MEN FIGHT DUEL; POLICE ARE PUZZLED

Spokane, Wash.—Police authorities of Spokane county and the state of Washington are in a quandary as to what action to take over a duel with rifles fought by Oliver A. Tooley, 73 years, and Norris Diltz, 62 years of age, near Saltese Lake, near here, a few days ago, when the former was severely wounded in the left arm. Tooley declares he will not prosecute his enemy. The duel was the culmination of a feud of long standing the men having quarreled over political and religious questions for years, and finally fought over the ownership of a gate, which both claimed. Tooley carried a rifle and opened fire when he saw Diltz. The latter ran to the

house and taking down his bear gun fired from the window the ball striking Tooley in the arm as he was about to level his rifle for the second shot at Diltz. The old man's arm was shattered and the attending physician says it will have to be amputated near the shoulder to save the old man's life.

How Good News Spreads.

"I am 70 years old and travel most of the time," writes B. F. Tolson of Elizabethtown, Ky. "Everywhere I go I recommend Electric Bitters, because I owe my excellent health and vitality to them. They effect a cure every time." They never fail to tone the stomach, regulate the liver, invigorate the nerves and purify the blood. They work wonders for weak, run-down men and women, restoring strength, vigor and health that's a daily joy. Try them. Only 50c. Satisfaction is positively guaranteed by Tallman & Co.

HALLEY'S COMET MAKES GOOD PROFITS FOR SWINDLERS

Kieff.—Taking advantage of the ignorance and superstition of the Russian masses, swindlers in many parts of the empire are reaping a harvest in the shape of subscriptions for special prayers for the delivery of the world from Halley's comet. In Kieff and vicinity the scare is general. It is suspected the police are getting their share, as no attempt has been made to stop the frauds.

PILES SUBSID IN 6 TO 14 DAYS PAZO OINTMENT IS GUARANTEED TO CURE ANY CASE OF Itching, Blind, Bleeding or Protruding Piles in 6 to 14 days or money refunded. 50c.

RACE HORSES WERE DRUGGED BEFORE ENTRY

Emeryville, Calif., March 17.—Detectives are today seeking to ascertain the identity of the persons who drugged several horses at the race track stables here. Three valuable animals are expected to die and the Jockey club officials are alarmed at the possibility of a general covert attack upon the racers. All three horses were poisoned the night before they were entered for the race.

CONDUCTOR OF FATAL MAIL TRAIN IS GIVEN REWARD

Everett, Wash., March 17.—Walter Vogel, conductor of the mail train that went down in the Wellington avalanche, was today appointed trainmaster of the Great Northern. Vogel escaped death by going to scenic under orders the day before. He succeeds A. R. Blackburn, who lost his life in the disaster.

Troops and Peasants Clash.

Constantinople, March 17.—A serious clash between Greek peasants and troops in which many peasants were killed and wounded, occurred at Karditsa, according to a censored message from Athens today. The fight was the result of land riots.

WHOLESALE BUTCHERY IN HUSTON, TEXAS

Huston, Texas, March 17.—Gus Schulz, wife and two children, and Walter Hymann, a boarder, were found dead piled in a room of the Schulz home today. Each body was mutilated and they are apparently victims of an axe. There is no clew to the murderers.

The pure food law is designed by the government to protect the public from injurious ingredients in both foods and drugs. It is beneficial both to the public and to the conscientious manufacturer. Ely's Cream Balm, a successful remedy for cold in the head, nasal catarrh, hay fever, etc., containing no injurious drugs meets fully the requirements of the new law and that fact is prominently stated on every package. It contains none of the injurious drugs which are required by the law to be mentioned on the label. Hence you can use it safely.

PACIFIC SQUADRON SUPERIOR TO THAT OF ATLANTIC

Washington, March 17.—The navy department announced this afternoon that the Pacific fleet had won the navy battle practice pennant. The Pacific fleet's standing was 39.92 while that of the Atlantic fleet was 21.62.

CANDY "JAG" LATEST.

Chicago Residents Find This An Easy Sort of Recreation.

Chicago.—Getting drunk on candy has become such a widespread practice among men, women and children in the stockyards district of Chicago, that the state pure food department has announced it would put a stop to it. "One particular candy is worse than whisky for intoxicating results," said Assistant Commissioner John B. Newman. "It is a medical intoxicant with 32 1-2 per cent ether, 2 1-2 per cent ether oil and 65 per cent pure alcohol. It causes not only drunkenness but sickness. We found lots of candy filled with whisky and sold to women and children."

A Little Cold.

He caught a little cold— That was all. So the neighbors sadly said, As they gathered round his bed, When they heard that he was dead. He caught a little cold— That was all. (Puck.) Neglect of a cough or cold often leads to serious trouble. To break up a cold in twenty-four hours and cure any cough that is curable, mix two ounces of Glycerine, a half ounce of Virgin Oil of Pine Compound pure and eight ounces of pure whisky. Take a teaspoonful every four hours. You can buy these at any good drug store and easily mix them in a large bottle.

SYNOPSIS OF THE ANNUAL STATEMENT OF THE BOSTON INSURANCE COMPANY
