SHEEP ARRIVE IN PORTLAND YARDS

FIRST LOT OF THE WEEK OFFERED YESTERDAY

Two Loads Come to the Union Meat Company From Dillon, Montana—Only One Load of Hogs Offering.

Portland Union Stockyards, Stockdale, March 17.—There was only one car of livestock offering for sale in the yards this morning, this being a load of hogs.

While there were arrivals of 467 head of sheep, the first arrivals in that line since last week, when 972 head were brought in, none of them were offering on the market. The sheep were brought from a Montana point direct to the Union Meat company by one of its employees.

Conditions in the sheep market are such that it would be quite easy to force a fractional advance in present prices, providing selected quality was offered. So far as the open market was concerned there have been no arrivals in that line for several weeks. Naturally the market is famine stricken and would pay a slight advance in order to secure supplies.

It is not likely, however, that many head of sheep will come in this direction before shearing operations are well under way. Wool prices are so high that sheep owners are inclined to hold off their shipments to market until that period has passed.

Cattle market is very firm in the yards today. While there were arrivals of 60 head during the 24 hours none of these were offering on the market. It develops that one load of steers was sold twice yesterday. During the first transaction the price paid was \$6.25, and the later one \$6.50.

Sale of 20 head of milk cows was made in the yards today at \$65 each; the highest price thus far reached. "There is a most excellent demand for good dairy cows," says George R. Mokol of the Mokol-Brue company, "and the demand has not been supplied. The animals that arrived today were sold to Studer Bros., of Montesano, Wash.

Those Who Supply the Market. Bill Gust had a shipment of a load of cattle from Albany. Eleven head of cattle were driven in from the country by Mr. Levy, and 18 head arrived by boat. John Shepard came in from Dillon, Mont., with two loads of sheep for the Union Meat company. E. E. Gildersleeve shipped in the only offering on today's market—a load of hogs from La Croix, Wash.

Today's run of livestock compares with this day in recent years as follows:

HENS SCRATCH BILL'S GARDEN MAY LOSE THEIR LIBERTY

Forest Grove, Ore.—The city fathers have passed a hen ordinance which reads as follows: "That no person or persons, company or corporation, shall knowingly allow chickens, ducks, geese or other fowls owned by them, in their charge or under their control, to run at large in the city of Forest Grove."

The penalty for violation of this ordinance will be a fine of not less than \$2 nor more than \$10, or incarceration in the city lockup for a period of from one to five days, at the discretion of the recorder or trial judge. It is felt by the city fathers that the health, peace and safety of the citizens demand that this ordinance go into immediate effect as soon as it is signed by his honor, the mayor, and duly posted.

"Bill" Doergs, Forest Grove's 200-pound police force, is the father of the ordinance. It is not that "Bill" feared it was a violation of the ordinance that he wishes them restrained, for, though an mild mannered man as will be found in a day's travel, "Bill" is known to be fearless, and will run from no biped, whether it wears clothes or feathers.

But the warmth of the early spring got into "Bill's" blood, and obeying the cosmic call of nature, he took his spade and prepared his garden plot for planting onions, lettuce, peas and other "seeds."

No sooner had "Bill" gotten the ground nicely prepared to receive the seed, however, than the neighborhood hens proceeded to enter his preserves and undo his labor of love. "Bill" pleaded with the owners of the fowls to keep them at home, and even returned a hateful egg that the hens had left in his woods, but his pleadings were in vain, hence the ordinance.

TO AILING WOMEN.

A Little Sound Advice Will Help Many a Sufferer in Pendleton. No woman can be healthy and well if the kidneys are sick. Poisons that pass off in the urine when the kidneys are well are retained in the body when the kidneys are sick. Kidneys and bladder get inflamed and swollen, crowding the delicate female organs nearby and sometimes displacing them. This is the true cause of many bearing-down pains, lameness, backache, headache, etc. Uric poisoning also causes headaches, dizzy spells, languor, nervousness and rheumatic pain.

When suffering so, try Doan's Kidney Pills, the remedy that cures sick kidneys. You will get better as the kidneys get better, and health will return when the kidneys are well. Let a fellow-sufferer tell you about Doan's Kidney Pills.

Mrs. J. T. Galloway, C. Ct., Elgin Ore., says: "Judging from the benefit I derived from Doan's Kidney Pills, I can recommend them as a reliable remedy for the kidneys. I used them principally for a severe pain across my back, which had annoyed me for some time. The results that followed the use of the first box were so beneficial that I continued taking them and my back has given me but little trouble since."

FISHERMAN HOOKS 60-FOOT WHALE BUT LETS HIM GO. Long Beach, Cal.—Beth Lawson, fishing from a skiff off the ocean end of the San Pedro breakwater, Wednesday hooked a 60-foot whale, but did not know what sort of a fish he had on his line until he began to haul in and the whale, apparently not aware that he was caught, began towing Lawson out to sea.
