### SOCIETY EVENTS

This week marks the close of Lent and beginning next week it is presumed that the Pendleton formal social season will be resumed. The past 40 days have not been a social desert by any means for there have been a number of informal oases. St. Patrick's day also came during Lent this year and then there was the reception to the visiting teachers, which was undoubtedly the largest event of a social nature eastern Oregon has ever seen. The dance in honor of the visitors Thursday night was also a very enjoyable function. While no formal events are yet scheduled for the few remaining weeks of the season it is expected that announcements of several will soon be forthcoming.

The Busy Bee Sewing and Study Club of the L. O. T. M. met at the home of Mrs. Ora Hamilton Tuesday afternoon, March 22.—As the day was stormy, not as many ladies came out as usual. There were three visitors, Mrs. Hampton, Mrs. Lang and Mrs. Overturf. Mrs. Clark resigned her position as secretary, which was filled by the election of Mrs. Frank Neagle. In a few well-chosen words on behalf of the club and L. O. T. M., Mrs. Hamilton presented the retiring secretary with a beautiful gold pen, tied with the colors of the order and bearing the cards of the donors. The surprise of the recipient was complete and she could scarcely find words to express her appreciation of the gift. It being the birthday of Mrs. Reager, she was given a postcard shower. Excellent papers upon the life of James Fenimore Cooper were read by Mrs. Storey and Mrs. Armstrong. An Irish recitation by Mrs. Overturf was much enjoyed. The life

**Saved a Soldier's Life.**  
Facing death from shot and shell in the civil war was more agreeable to J. A. Stone of Kemp, Tex., than facing it from what doctors said was consumption. "I contracted a stubborn cold" he writes, "that developed a cough, that stuck to me in spite of all remedies for years. My weight ran down to 130 pounds. Then I began to use Dr. King's New Discovery, which completely cured me. I now weigh 178 pounds." For coughs, colds, la grippe, asthma, hemorrhage, hoarseness, croup, whooping cough and lung trouble, it is supreme. 50c, \$1. Trial bottle free. Guaranteed by Tallman & Co.

### The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, causing catarrh of the bladder, brick-dust or sediment in the urine, head ache, back ache, lame back, dizziness, sleeplessness, nervousness, or the kidneys themselves break down and waste away cell by cell.

Bladder troubles almost always result from a derangement of the kidneys and better health in that organ is obtained quickest by a proper treatment of the kidneys. Swamp-Root corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and immediate effect of Swamp-Root, the great kidney remedy is soon realized. It stands the highest because of its remarkable health restoring properties. A trial will convince anyone. Swamp-Root is pleasant to take and is sold by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle and a book that tells all about it, both sent free by mail. Address, Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper. Don't make any mistake, but remember the name, Swamp-Root, and don't let a dealer sell you something in place of Swamp-Root—if you do you will be disappointed.

# DISCRIMINATION WINS !!!

In every walk in life discrimination between the true and the false wins and enjoys success. In questions of form, of style and of values, whether financial, commercial or medicinal, the judgement of the men and women who select and appreciate and utilize the true and genuine product, proves most profitable and most satisfactory to themselves and to all who follow them.

Therefore, in connection with so important a subject as the physical well-being of the people, the most eminent physicians insist on full information as to the wholesome nature and truly beneficial character of the component parts of the remedies used and prescribed by them, and the wise manufacturer not only supplies them with the knowledge desired, but also combines for them in proper proportions the very substances most approved by them and omits every objectionable substance. The world-wide acceptance of Syrup of Figs and Elixir of Senna by physicians and the well-informed of the world, as the best of family laxatives, is due to the universal satisfaction which it has given for more than a quarter of a century and also to the fact that it is a remedy of known quality and known component parts and to the further fact that the California Fig Syrup Co. presents it to the world simply as the ideal strengthening personal laxative to cleanse and sweeten the system gently, yet effectually, and to dispel colds and headaches and to assist in overcoming constipation. To get its beneficial effects—always buy the original and genuine, for sale by all leading druggists. The full name of the company—California Fig Syrup Co.—is always plainly printed on the front of every package.

### BLACK HANDER SHOT.

**Posse Surprises Couple When They Take Hidden Cash.**  
Pueblo, Colo., March 24.—Sam Falconer, a black hand operator, was shot through the heart and instantly killed shortly before 4 o'clock this afternoon in a fight with a sheriff's posse headed by Under Sheriff Warren Hill. A companion of Falconer escaped on horseback, but it is believed he was wounded. The shooting followed letters to Tony Santuso, who was ordered to place \$2000 in a can at a point several miles beyond the county poor farm under penalty of death. This afternoon he complied with the repeated demands and when the two men were taking the money from the can the sheriff's posse, concealed nearby, ordered the men to hold up their hands. They refused and opened fire on the posse. Falconer fell at the first volley fired in return.

**An Awful Eruption**
