

### RESULTS OF BASEBALL GAMES OF YESTERDAY

**San Francisco 4, Portland 0.**  
 San Francisco, March 31.—The Pacific Coast baseball league season opened yesterday afternoon and in the first game of the season San Francisco blanked Portland by a score of 4 to 0. In the absence of Mayor P. H. McCarthy, who is ill, Police Judge Charles Weller tossed the ball nearly over the plate and he was cheered by one of the largest crowds that ever gathered at the Valencia street grounds. Berry's two bagger in the third started the trouble and before Portland got back into the game four tallies were on the score card for the local team. Following Berry's hit, McArdle beat a bum, Henley struck out, Mohler forced Berry at third and Mundorf, hit by the pitcher, filled the bases. Melchior walked, forcing McArdle home, Tennant singled to short, Olsen made a wild throw, scoring McArdle and Mundorf and Melchior crossed the rubber on Griffin's single to center. The score:  
 R. H. E.  
 Portland.....0 4 1  
 San Francisco.....4 7 0  
 Garrett and Fisher; Henley and Berry.

**Base Stealing Is Feature.**  
 Salt Lake, March 31.—The stealing of six bases by the visitors was the only feature of a game here yesterday in which the White Sox No. 2 defeated a picked nine. Score:  
 R. H. E.  
 Chicago.....8 4 1  
 Salt Lake.....0 8 6  
 Young, White and Ryan; Hummel, Heusser, Price, Papworth and Good.  
**Sacramento 18, Oakland 2.**  
 Sacramento, Cal., March 31.—Sacramento defeated Oakland by a score of 18 to 2 in the opening game of the Coast league season here yesterday. Mayor M. B. Beard threw the first ball. In the sixth inning Sacramento netted eight runs. Score:  
 R. H. E.  
 Sacramento.....18 11 6  
 Oakland.....2 4 8  
 Hunt and La Longe; Mosher, French, Christian and Spiesman.

**Chicago 4, El Paso 1.**  
 El Paso, Tex., March 31.—Notwithstanding the cold wind a large crowd witnessed the game between the Chicago White Sox and the El Paso team yesterday. Score:  
 R. H. E.  
 Chicago.....4 6 3  
 El Paso.....1 6 2  
 Smith and Black; Scott, Wylie and Merritt.

**Los Angeles 1, Vernon 0.**  
 Los Angeles, March 31.—Playing errorless baseball before the largest crowd that had ever witnessed the opening of a baseball season in this city, Los Angeles defeated Vernon by a score of 1 to 0. The lone run was

earned for Los Angeles in the third by H. Smith, who doubled to right, registering Los Angeles' first hit of the game. Hogan made a sensational catch of a foul by Nagle and Daley attempted to sacrifice but was safe when Fisher dropped Hitt's throw. Smith went to third on the play and came in when Bernard's line drive bounced off Hitt's knee.  
 Vernon was never able to make more than one hit in an inning off of Nagle's delivery and the superb playing of Los Angeles in the field prevented any of Vernon's three hits from producing a situation that even promised a run.  
 Mayor Alexander of Los Angeles pitched the first ball and Mayor Purlong of Vernon, scoring to use either mask or glove, went behind the batter and attempted to catch it. The ball Mayor Alexander sent up was of the "fade away" variety and while it moved in the general direction of the plate, there was no hostile demonstration against Empire McGroety when he called it a "ball."

R. H. E.  
 Vernon.....0 3 4  
 Los Angeles.....1 3 0  
 Hitt and Hogan; Nagle and Smith.

**Whitman 0, O. A. C. 3.**  
 Corvallis, Ore., March 31.—Whitman lost yesterday 3 to 0, through inability to hit Keene, who allowed only two hits. Belt also pitched great ball, four hits being made off him. Two of O. A. C.'s runs were made on errors.

**Warships Break Time.**  
 London—England's latest Dreadnought, H. M. S. Vanguard, has established a record in rapid evolution from bare keel to commissioned ship. Only twenty-three months elapsed between the laying down of her keel and the date of her commissioning as a completely equipped and manned fighting unit of the fleet. This is the shortest time occupied in building any of the big battleships—except the original Dreadnought, which was constructed under exceptional rush conditions.

 When the men were lying on the ground at rifle practice Lieutenant Rohe spurred his horse to jump over Franck, then turned around and jumped back again.

juries from the horse's hoofs that he will bear the marks all his life, and has to undergo a long period of medical treatment.  
 Lieutenant Rohe was sentenced to two days' detention in his own apartments.

#### PARIS PIROUETTES IN A CHANTECLER DANCE

Paris.—The Chantecler dance is all the rage in Paris. It is known as the "chanteclerette" and was introduced at the dance given by Mme. de Chazelles.  
 It consists of five movements. In the first Chantecler has arms around partner, arms akimbo to represent the wings. The march gradually quickens, and in the second movement Chantecler dances a quickstep around his partner, dropping his wings alternately. In the third movement the partners face each other and dance forward and retreat.  
 In the fourth movement the lady imitates a hen scratching. Then as Chantecler approaches she dances off, flapping her wings. The dance ends with a peaceful promenade of Chantecler with his partner.

#### \$500,000 Seals Caught.

St. Johns.—Indications that the present sealing season will be one of the most successful in the history of Newfoundland seal-hunters were contained in a wireless dispatch received at the Cape Race station from the sealing steamer Florizel today. The dispatch stated that the vessel's catch included 45,000 seals valued at \$100,000, a record catch for one ship.  
 Other ships with the Florizel have catches of from 10,000 to 40,000 aboard, and they are the largest seals taken for several years, the message stated.  
 Eight vessels out of a fleet of twenty have to date reported catches of to have to date reported catches totaling 201,000 seals, the value of which amounts to over \$500,000.
