

# AFTER FOUR YEARS OF MISERY

## Cured by Lydia E. Pinkham's Vegetable Compound

Baltimore, Md.—"For four years my life was a misery to me. I suffered from irregularities, terrible dragging sensations, extreme nervousness, and that all gone feeling in my stomach. I had given up hope of ever being well when I began to take Lydia E. Pinkham's Vegetable Compound. Then I felt as though new life had been given me, and I am recommending it to all my friends."—Mrs. W. S. FORD, 2207 W. Franklin St., Baltimore, Md.

The most successful remedy in this country for the cure of all forms of female complaints is Lydia E. Pinkham's Vegetable Compound. It has stood the test of years and today is more widely and successfully used than any other female remedy. It has cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, flatulency, indigestion, and nervous prostration, after all other means had failed.

If you are suffering from any of these ailments, don't give up hope until you have given Lydia E. Pinkham's Vegetable Compound a trial.

If you would like special advice write to Mrs. Pinkham, Lynn, Mass., for it. She has guided thousands to health, free of charge.

## ATHLETES OF HIGH SCHOOL LIMBER UP

### BASEBALL AND TRACK MEN ARE IN ACTION

Several Diamond Artists Appear in League Uniforms—Prospects for Champion Track Team Good—Strong Men in all Departments.

Spring athletics at the high school are now on in full blast and with the continuance of the warm bright days, the aspirants for honors on diamond, track, and field are fast passing the preliminary stages in the work necessary for good condition. While the high school will not be represented by a baseball team this year, there are a number of student players turning out each evening with the league team, and some of them will undoubtedly succeed in capturing positions despite the competition of the older and more experienced men. As the Blue Mountain league is a strictly amateur organization, the participation of the high school athletes in their games will in no way disqualify them in interscholastic contests.

On track and field, the school on the hill will enter the lists with an aggregation of point winners that will be a strong contestant for championship honors. About thirty candidates for the final team are appearing each evening on the local track in spikes and running togs, and while it is yet a little early to form any definite opinion as to their individual abilities, with consistent training it is safe to predict that the team this year will in no way be inferior to those of the past few seasons. In fact only one of the point winners of last year's team was graduated last commencement and the new material that has shown up this year will more than equalize the loss.

#### Team Well Balanced.

Captain Tom Boylen, who made such a remarkable showing last year in the distance runs, has been developing his wind and strength for several weeks, and is already in condition to enter endurance contests. Boylen will have plenty of punning mates in the distances this season, as a great many of the new candidates are evincing a strong preference for the longer runs. Among the more promising of the long winded performers are M'Dill, Haw, Carroll and A. Jordan, all of whom have had more or less experience on the track. In the sprints, Pendleton has a trio of fast steppers who will be hard to nose out in any interscholastic meet. Gordon, Kimball, and Bean are all unusually speedy for prep school sprinters, and all have been practicing leaving the mark for some time. Kimball will also be a star man in the low hurdles. He has a record in this event of 27.2, and two years ago ran away from the field at Corvallis in the state interscholastic meet held under the direction of O. A. C. Bean has considerable ability in the broad jump. Fee and A. Jordan will care for the high hurdles and already show good form in clearing the sticks. Strain, C. Jordan, Rader, and Fee are showing up strong in the pole vault and the high jump. Fee unfortunately spiked himself the other evening while practicing and will be temporarily laid up. His friends predict that before the end of spring he will be clearing the bar at ten feet as he has already vaulted nine at this early stage of the season.

#### Strong in Weights.

The high school bids fair to be stronger in the weights this season than since the days of the Means brothers, for, with such men as Devine, Graham, Struve, and Straughn in the ring, records are in danger. E. W. Brown, who turned out such a wonderful football machine considering his material, is coaching the weight men, and is rapidly teaching the boys how to use their strength to the best advantage. Kenneth Cooper, formerly an O. A. C. star, will undertake the training of the sprinters and distance men, and is very well pleased with the calibre of his material.

It is the intention of Manager Boylen to test the various men in a series of interclass contests the first of which will be a cross country run about the middle of this month. The first contest with outside schools will occur May 6, in Walla Walla, the occasion being the annual tri-state interscholastic track meet held under the supervision of Whitman college. On May 14 a three man team will enter in a similar meet at Pullman, while on the same date the remainder of the team will participate in the county meet to be held at Athena. Arrangements for other meets are pending, and it is probable Pendleton will be represented at the state meet at Corvallis as usual.

### WASHINGTON FARMERS HAVE 18 PER CENT OF 1909 WHEAT

Spokane, Wash., April 1.—Reports compiled by the statistical bureau of the Spokane chamber of commerce show that approximately 12,450,000 bushels of wheat was held by farmers in Washington, Oregon and Idaho the end of March, as against 8,949,000 bushels on March 1, 1909. Of this amount there is 6,700,000 bushels in Washington, 3,550,000 in Idaho and 2,200,000 in Oregon. Eighteen per cent of the 1909 crop in Washington is still on the farms against 16 per cent in farmers' hands in 1908. It is estimated that farmers in Idaho hold 25 per cent of the crop against 20 per cent last year, while farmers in Oregon hold less wheat than 14 per cent of the crop, as against 10 per cent last year. That the growers in the northwestern states took greater advantage of the high prices of grain than farmers in other parts of the United States, is shown by a federal report that the average amount of wheat now in farmers' hands in Washington, Idaho and Oregon is 19 per cent, against an average of 23.5 per cent for the United States.

#### How Good News Spreads.

"I am 70 years old and travel most of the time," writes B. F. Tolson of Elizabethtown, Ky. "Everywhere I go I recommend Tietric Bitters, because I owe my excellent health and vitality to them. They effect a cure every time." They never fail to tone the stomach, regulate the liver, invigorate the nerves and purify the blood. They work wonders for weak, run-down men and women, restoring strength, vigor and health that's a daily joy. Try them. Only 50c. Satisfaction is positively guaranteed by Tallman & Co.

#### Club for Tight-wads.

East Orange, N. J., April 1.—Tight wads of the Oranges are flocking to join the new City Club, which begins its existence today, as the successor of the Orange Club.

The popularity of the new club among the no-give-ups is due to the establishment by the house committee of the no-treating rule, which has met with success in the Westmoreland Club in Pittsburg. This rule is to be relaxed only on one night of the year, on which occasion the members will be permitted to treat to their heart's content. The dues are \$24 a year, which is \$16 less than those of the Orange Club.

The managers say the real purpose of the no-treating rule is not to limit the expenditures of the members for beverages, but rather to preserve a quiet time.

#### Columbia Marching Song.

New York, April 1.—Columbia University's new marching song, the words for which were written by John Erskine, professor of English, will soon be set to music. The alumni have offered \$50 for the best air composed for the words and several musicians have entered the contest, which closes today.

The last verse of the song is as follows: They are sitting down and dreaming, are some folks we needn't name. Of their dead and gone forefathers, who gave to them their fame; But we've more and better fellows than we've ever had before, And we're marching toward tomorrow, that will give us plenty more. This verse is said to refer to some American colleges which are living solely on their past achievements.

#### French Ball at Capital.

Washington, April 1.—A fancy dress ball will be given this evening by Vicomtesse Benoit d'Azy, wife of the naval attaché of the French embassy. She is one of the recent additions to the circle of diplomatic hostesses and has "stirred things up" in Washington society.

# When you buy Lard you get more than you bargain for—It's heavier in your stomach than on the scales

Lard is a foe to digestion. If you had the stomach of an ostrich you could hardly withstand the ravages of lard-soaked pastry. You have probably found this out and have already given up the eating of pastry. 'Tis wholly unnecessary! Anyone can eat and digest food cooked with *Cottolene*, the perfect shortening. It is a pure, vegetable product, made from the choicest, refined, cottonseed oil.

When you buy lard you have no protection as to quality—you simply know you are getting LARD—never mind the grade, it's just L-A-R-D. On the other hand, every pail of *Cottolene* is uniform—the product is guaranteed. You take no chances whatever.

In the face of these facts just ask yourself if you can afford to use hog lard when you can get pure, healthful, nutritious *Cottolene*.

**COTTOLENE is Guaranteed** Your grocer is hereby authorized to refund your money in case you are not pleased, after having given Cottolene a fair test.

**Never Sold in Bulk** Cottolene is packed in pails with an air-tight top to keep it clean, fresh and wholesome, and prevent it from catching dust and absorbing disagreeable odors, such as fish, oil, etc.

## FROM THE REALM OF SPORT

### 15 Innings to a Tie.

Oakland, Cal., April 1.—With the score standing 2 to 2, the game between Portland and San Francisco was called on account of darkness yesterday afternoon at the end of the 15th inning. Portland scored a run in the sixth when Ryan singled to deep center, tallying Olsen. In the seventh Spiese bunted safe, Ort drove to the pitcher; Steen forced Spies at third and Netzel singled to right filling the bases. Olsen lifted one to left scoring Ort.

Tennant opened the seventh with a long drive over the right field fence. With Griffin and McHale out, Berry made a two bagger. McArdle scored Berry with a double along the third base line.

The teams had been playing two hours and 55 minutes when a halt was called. The score: R. H. E. San Francisco ..... 2 11 3 Portland ..... 2 11 5 Steen and Fisher; Miller, Williams, Ames and Berry.

### Oakland 3, Sacramento 2.

Sacramento, Cal., April 1.—Oakland defeated Sacramento yesterday by a score of 3 to 2. During the fifth inning Umpire Finney was "roasted" by the Oakland men for calling Carroll out at the third base. Cameron crabbled and was ordered out of the game. Score: R. H. E. Oakland ..... 3 10 2 Sacramento ..... 2 4 3 Nelson and Spiesman; Baum, Brown, Whalen and La Longe.

### Chicago and El Paso Tie.

El Paso, Tex., April 1.—El Paso played a 3 to 3 tie with the Chicago White Sox team No. 1 yesterday. The game was called at the end of the seventh inning to permit the visitors to catch a train for Oklahoma City. The score: R. H. E. Chicago ..... 3 6 4 El Paso ..... 3 3 0 Olmstead and Kruger; Harbin and Merritt.

### Vernon 10, Los Angeles 4.

Los Angeles, April 1.—Vernon defeated Los Angeles yesterday 10 to 4. Score: R. H. E. Vernon ..... 10 9 2 Los Angeles ..... 4 6 7

### Pitcher Schmirler to Peoria.

Chicago, March 31.—Pitcher Schmirler of the Chicago Americans was yesterday turned over to the Peoria club of the Three-I league, according to an announcement by President Comiskey. Schmirler is a southpaw, hailing from Wausau, Wis., and was secured from the Superior team of the Minnesota-Wisconsin league. Comiskey made a hurried departure last night for Dubuque when he heard that Tom Loftis, the former president of the Three-I league, was critically ill.

### Hart's Neck Not Broken.

Princeton, N. J., March 31.—Sensational stories to the effect that Captain Edwin J. Hart of the Princeton football team fractured a vertebra in his neck in 1906 and since has continued in the game, prompted an investigation by the faculty committee on outdoor sports. A statement was issued by the committee declaring that Hart not only is physically fit for football but need not wear protecting apparatus, as he did last year. The physicians appointed to examine Hart say in their report: "We are unanimously of the opinion that Mr. Hart never sustained a fracture of vertebra or of any part thereof."

### Roller and Mahmout Matched.

Kansas City, Mo., March 31.—Dr. B. F. Roller and Yusif Mahmout were matched here today to wrestle a finish bout at Convention hall April 7. Manager William Scoville of the Missouri Athletic club has announced he will offer a purse of \$15,000 for a match between Champion Frank Gotch and Zbyzbsko.

### Boat Race Up in Air.

Seattle, March 31.—Prospects of a boat race between Washington and the California universities were put up in the air yesterday, when Manager Zednick of Washington, received a letter from Stanford stating that the University of California would not be able to send a crew up here for the regatta. There is still a chance that Stanford will send a crew to compete with the Washington eight.

### Shehan Is Beaten.

Oakland, Cal., March 31.—John H. Shehan, the sensational sprinter, after a long list of victories, met defeat in the Bowlers' handicap at Emeryville today. He was odds-on favorite but tired racing with Thistle Bell. Cloudlight proved the winner. Beda was the surprise in the opening event.

## NOTICE TO CONTRACTORS.

Sealed proposals will be received by the board of school directors of school district No. 14, Hermiston, Oregon, at the office of the clerk of said school district, up to six o'clock p. m., April 14, 1910, for furnishing all materials and the erection and completion of an addition to the present school building in said school district, according to plans prepared for the same by J. F. Howard, architect. The present building is not to be altered in any manner as shown by the drawings, except as necessary in making roof connections. All parts of the addition are to be made as shown by the drawings, except the iron heating pipes and plumbing fixtures in connection therewith.

A certified check will be required to accompany each bid for the work, made payable to the order of the clerk of said school district in the sum of five per cent of the amount of the bid, which check will become the property of said school district, in case the bidder selected by said board of school directors to perform the work of erecting said building shall refuse to enter a contract and furnish a good and sufficient bond to said district for the faithful performance of the work according to the plans and specifications.

The right is reserved to reject any or all bids for the work.

April 2, 1910.

IN POUND.

The following described animal has been taken up by the Marshal of the City of Pendleton, to-wit: One red steer, two years old, no brand visible, white face, crop off each ear.

If said animal is not claimed by the owners of those entitled to the possession of them, costs and expenses against them paid and they taken away within ten days from the date hereof, then at 2 o'clock p. m. of the 9th day of April, 1910, the said animal will be sold to the highest bidder, at public auction, for cash, at the City Pound, at the Oregon Feed Yards, in said City of Pendleton, the proceeds of such sale to be applied to the payment of such costs and expenses of making sale.

Dated this 29th day of March, 1910.
