LEADERS OF LEAGUE MEET TOMORROW

PENDLETON AND WESTON TO FIGHT FOR SUPREMACY

Contest Will Be Puled Off in This City—Both Teams Strong and Confident—Changes in Pendleton Line-up—Harlan Will Pitch Again.

Tomorrow's sun, the clouds permitting, will look down upon a struggle for supremacy within the precincts of this city, for the willow wielders of Weston will wage war on the local diamond with the horsehide jugglers of Pendleton. The event in question is the second game of the Blue Mountain league series and the contest here will be fought by the leaders of the league. Both teams won their initial game last Sunday and both teams have a determination to annex another before the world is one day older.

Weston is coming with a bunch that knows the fine points of the game, and if the locals succeed in making a marginal score it will be only after a strenuous and hard-fought exhibition. Among the artists who will appear on the visitor's nine will be Jack Keefe, who performs just as well on the diamond as he does on the stage.

Young Harlan, Pendleton's phenomenal twirler, will again occupy the mound for Frazier's coits, and since his record a week ago, the announcement of his appearance will be the signal of much rejoicing among local fans. At the receiving end of the battery there will be a change, as Collins is absent from the city. Lester Cronin, who has been seen in a uniform many times, will peek through the bird cage and from all accounts is just as good on the peg as in his palmy days. The only other change in the line-up will be Dickson, moved from field to third base, and Strand filling the vacancy in the outer garden.

Several of the younger players will be kept on the utility bench and may be given an opportunity to prove their mettle before the game is over. Final practice will be held at nine o'clock

tomorrow morning, and the showing there made may work some changes in the line-up. The game will begin promptly at 2:30 and will occur on the West Court street grounds.

San Francisco..... 0 1 2 Portland..... 3 0 0 Batteries—Krapp and Fisher; Willis and Berry.

CAMPAIGN FOR OPENING OF COLUMBIA RIVER

Spokane, Wash.—Professor W. D. Lyman of Walla Walla, Wash., representing the National Rivers and Harbors congress, is waging an active campaign in Spokane and other parts of this district for the opening of the Columbia river from Revelstoke, B. C., by way of Kettle Falls, Wash., to the Pacific ocean, to provide a waterway of 1000 miles. The cost of the work on the American side is estimated at between \$7,000,000 and \$8,000,000, to which is added \$1,000,000 to improve Snake river from its mouth to Lewiston, Idaho. He believes the work can be done within five years, and he points to its completion as the solution of the freight rate problem for Spokane and common points in the northwest, saying also that the opening of the rivers to navigation will mean the construction of hundreds of miles of electric railway lines in Idaho, Oregon and Washington. This, he adds, will provide waterway competition with transcontinental lines, which experts in rate matters hold, is the fundamental principle underlying cheap transportation for cities and districts in the interior.

With a Lame Back?

Kidney Trouble Makes You Miserable.

Almost everyone knows of Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy, because of its remarkable health restoring properties. Swamp-Root fulfills almost every wish in overcoming rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, and effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night.

Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble, it will be found just the remedy you need. It has been thoroughly tested in private practice, and has proved so successful that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., One Binghamton Building, Binghamton, N. Y. The regular fifty-cent and one-dollar size bottles are sold by all druggists. Don't make any mistake but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Dear friend:

All eggs are not the same just because they all have shells around them. Its the inside not the outside of an egg that counts. Can't you tell a fresh egg when you taste it? I can. My mama wants fresh eggs from the country. City hens don't lay fresh eggs. Fresh country eggs will cost you 20 cents a dozen.
