

TERRIBLE SKIN HUMOR 25 YEARS

Business Man Suffered Agony—Head, Neck and Shoulders Covered—Became An Object of Dread—Consulted Most Able Doctors and Hospital but Got No Relief.

SURPRISINGLY QUICK CURE BY CUTICURA

"Cuticura did wonders for me. For twenty-five years I suffered agony from a terrible humor, completely covering my head, neck and shoulders, so that to my friends, and even to my wife, I became an object of dread. At large expense I consulted the most able doctors far and near. Their treatment was of no avail. It was that of the Hospital, during six months' efforts. I suffered on and concluded there was no help for me this side of the grave. Then I heard of some one who had been cured by Cuticura Remedy and thought that a trial could do no harm. In a surprisingly short time I was completely cured. S. P. Keyes, 147 Congress St., Boston, Mass., Oct. 12, 1909."

CURED BOILS

With Cuticura when Everything Else had Failed.

"I am very grateful for Cuticura as my daughter had been suffering for seven months with awful boils on her body. We tried everything which one could mention but nothing was any good. The boils made her very weak and ill and she had to leave her place. After using one tablet of Cuticura Soap, one box of Cuticura Ointment, two vials of Cuticura Pills and three bottles of Cuticura Resolvent she got quite well and has not had the boils since. I should have written to you before but have been waiting to see if she had any sign of any coming back. My daughter is eighteen years old. Mrs. Ellen Heather, Hillside Rd., Ash Common, nr. Aldershot, Hants, England, June 29, 1909."

"The Alaskan" Is Coming.

Virtually an entirely new version of "The Alaskan," a musical comedy of superior merit, will be the attraction at the Oregon theater on Friday, April 15. This is the same production which ran for five months in Chicago, the past summer, and comes to Pendleton in its new dress and with Chicago's strong stamp or approval written plainly all over it. It is now a bright, cherry entertainment, full of crisp, clean, snappy dialogue, fresh humor of the twentieth century vintage and as the book in its entirety has been rewritten carefully, many new songs interpolated and a thoroughly competent company, it is sure to be a welcome visitor, and a popular offering.

The story is brief, concerns Richard Atwater, a young miner who has been grub-staked by a wealthy easterner. Atwater's claim is on the verge of playing out when a letter arrives stating that his benefactor has died, leaving one-half of the mine to his daughter Arlee and that she, with a party of friends will come to Alaska. The party arrives about as quickly as the letter. Atwater falls in love with his partner, but the failure of the claim makes it impossible to declare his love. A discovery of a rich vein of gold and the sale of the mine, brings wealth and happiness and wedding bells join in the finale.

The present production is full of novel, exclusive surprises, and the much heralded "Snowball" song is a strong feature. Richard Carroll, Gus Weinburg, Detmar Poppen, John R. Phillips, Sidney Algiers, Jessie Stoner, Etta Lockhart, Alise Kean, Marcel Scott, and a large chorus go to complete probably the strongest laugh producing combination to visit us this season.

NOTICE OF PROPOSALS FOR STREET SPRINKLING FOR THE SEASON OF 1910.

Notice is hereby given that proposals will be received by the Street Committee of the common council of the City of Pendleton at the office of the City Recorder in the city hall building until April 13th, 1910, at 7:30 o'clock, P. M. for sprinkling the streets of the city of Pendleton, for the season of 1910, the districts to be sprinkled are as follows, viz:

- District No. 1. All streets on the north side of the Umatilla River.
- District No. 2. All streets on the south side of the Umatilla River, west of the east line of Main street, and north of the south line of Webb street.
- District No. 3. All streets lying east of a line beginning at the intersection of the east line of Main street with the Umatilla river, thence following the east line of Main street to the south line of Webb street, thence following the south line of Webb street east to the west line of Vincent street, thence following the west line of Vincent street east to the north line of Bluff street, thence following the north line of Bluff street east, to the termination thereof, thence southerly to the City limits.
- District No. 4. All streets south of the south line of Webb street, and west of the west line of Vincent street.

The City to furnish sprinklers, wagons and water, and the contractor to furnish horses, harness and driver, and to put up and take down all stand pipes etc., separate proposals will be received for each district, and no contract will be awarded to any one bidder for more than one district, the hours of sprinkling to be in accordance with the orders of the street committee, all bids shall specify the price per team and man per day of 10 hours, time when teams are not engaged in sprinkling to be deducted, the city reserves the right to reject any and all bids.

NOTICE TO CONTRACTORS.

Sealed proposals will be received by the board of school directors of school district No. 14, Hermiston, Oregon, at the office of the clerk of said school district, up to six o'clock p. m., April 14, 1910, for furnishing all materials and the erection and completion of an addition to the present school building in said school district, according to plans prepared for the same by T. F. Howard, architect. The present building is not to be altered in any manner as shown by the drawings, except as necessary in making roof connections. All parts of the addition are to be made as shown by the drawings, except the iron heating pipes and plumbing fixtures in connection therewith.

A certified check will be required to accompany each bid for the work, made payable to the order of the clerk of said school district in the sum of five per cent of the amount of the bid, which check will become the property of said school district, in case the bidder selected by said board of school directors to perform the work of erecting said building shall refuse to enter into a contract and furnish a good and sufficient bond to said district for the faithful performance of the work according to the plans and specifications. The right is reserved to reject any or all bids for the work. April 2, 1910.
