

HERMISTON ACTIVITIES

J. W. TABOR NOW HAS
65 ACRES IN TREES

Large Portable Engine From Erie Being Utilized in Pumping Water Into Drainage Canal—Local Talent Play Well Appreciated.

(Special Correspondence.)
Hermiston, Ore., April 13.—J. W. Tabor has just finished planting one of the largest orchards so far set out in the Hermiston valley. He is the owner of 160 acres in the country north of the reservoir and has now set out to fruit over 65 acres, mostly apples. The balance of his ranch is being seeded to alfalfa and clover. This is only one of the many tracts that are being improved and set to fruit all over the great valley.

J. M. Scarborough, our enterprising clothing merchant, made a business trip to the county seat yesterday.

Work on the Umatilla project experimental farm is progressing very rapidly this spring. About 12 acres is being set to all kinds of fruits, and we are sure that in a short time we can drive our friends out to a model fruit farm, as it is the intention of Superintendent Allen to make horticulture the main issue.

J. Leek and family arrived from Tenino, Wash., and will make Hermiston their future home. Their daughter recently secured a fine twenty-acre tract north of Hermiston.

The Columbia Land company has moved into its new office in the old First Bank of Hermiston building, which has been remodeled and painted. The office is under the management of the well known booster, P. C. Holland.

A large portable engine and pump arrived a few days ago from the factory at Erie, Penn., and will be taken to the slough northeast of town and used in pumping the seepage water from it into the drainage canal. The engine is a thirty horsepower and the pump has a maximum capacity of 9,000 gallons per minute. The greater part of the water has been taken away by the recently constructed drainage ditch, but the water remaining in the holes will have to be pumped up into the ditch.

The "Union Depot" was attended by a large and appreciative audience last night.

The Demon of the Air.
is the germ of la grippe, that, breathed in, brings suffering to thousands. Its after effects are weakness, nervousness, lack of appetite, energy and ambition, with disordered liver and kidneys. The greatest need then is electric Bitters, the splendid tonic blood purifier and regulator of stomach, liver and kidneys. Thousands have proved that they wonderfully strengthen the nerves, build up the system and restore health and good spirits after an attack of grip. If suffering try them. Only 50c. Perfect satisfaction guaranteed by Tallman & Co.

Mexico's Sugar Output.
Guadalajara, Mexico.—In the season of 1908-9 Mexico produced sugar to the amount of 143,179 tons. This is according to the "Vista Azucarera," the annual sugar review of Mexico, which has just been issued. The amount does not include panocha or panela, the crude brown sugar consumed by the lower classes, of which there was from 50,000 to 60,000 tons produced. It is estimated that the production of the present season, 1909-10 will reach 164,000 tons.

There is the same difference between a "bride" and a "bride" as there is between an "altar" and a "halter." This is respectfully referred to persons contemplating matrimony.

TO AILING WOMEN.

A Little Sound Advice Will Help Many a Sufferer in Pendleton.

No woman can be healthy and well if the kidneys are sick. Poisons that pass off in the urine when the kidneys are well are retained in the body when the kidneys are sick. Kidneys and bladder get inflamed and swollen, crowding the delicate female organs nearby and sometimes displacing them. This is the true cause of many bearing-down pains, lamebacks, backache, sideache, etc. Uric poisoning also causes headaches, dizzy spells, languor, nervousness and rheumatic pain.

When suffering so, try Doan's Kidney Pills, the remedy that cures sick kidneys. You will get better as the kidneys get better, and health will return when the kidneys are well. Let a fellow-sufferer tell you about Doan's Kidney Pills.

Mrs. J. T. Galloway, C. Ct., Elgin Ore., says: "Judging from the benefit I derived from Doan's Kidney Pills, I can recommend them as a reliable remedy for the kidneys. I used them principally for a severe pain across my back, which had annoyed me for some time. The results that followed the use of the first box were so beneficial that I continued taking them and my back has given me but little trouble since."

NEWSY NOTES OF ECHO

SMITH VS. ALLEN LAND CASE HEARD YESTERDAY

Testimony Taken Before Louis Scholl, Jr.—Contestee Failed to Appear—City Marshal is Made a Deputy Sheriff—Firemen Prepare for Vaudeville—Other Notes.

(Special Correspondence.)

Echo, Ore., April 12.—The land contest case of Julia E. Smith vs. Geo. D. Allen was heard today before Louis Scholl, Jr., who was commissioned to take the testimony. The contestee failed to appear. The land involved is a quarter section of wheat land west of Butter creek. The papers in the case will be forwarded to the La Grande land office for final hearing. City Marshal C. M. Borland today received an appointment from Sheriff T. D. Taylor making him a deputy sheriff. Heretofore he only had jurisdiction in the city limits, but now he has authority to arrest anywhere in this county.

Preparations are being rapidly pushed for the high grade vaudeville which is to be given here in the near future by the Echo firemen.

STRENGTH comes from well digested and thoroughly assimilated food. Hood's Sarsaparilla cleans the digestive organs, and thus builds up the strength. If you are getting "run down," begin taking Hood's at once. It gives nerve, mental and digestive strength.

WITTE IS NEAR TO DUEL.

Challenged by Kuropatkin for Criticism, Says Remarks Were General.

St. Petersburg.—A duel between former Premier Count Witte and General Kuropatkin, former commander-in-chief of the Russian forces in the field, has been averted through an explanation by the former.

General Kuropatkin took offense at a speech in which Count Witte asserted that the modern Russian military commanders were lacking in moral courage and were prone to blame others for their failures.

Seconds were appointed by both men. Then Count Witte explained he meant the remarks to apply generally.

NOTICE TO CONTRACTORS.

Sealed proposals will be received by the board of school directors of school district No. 14, Hermiston, Oregon, at the office of the clerk of said school district, up to six o'clock p. m., April 14, 1910, for furnishing all materials and the erection and completion of an addition to the present school building in said school district, according to plans prepared for the same by T. F. Howard, architect. The present building is not to be altered in any manner as shown by the drawings, except as necessary in making roof connections. All parts of the addition are to be made as shown by the drawings, except the iron-heating pipes and plumbing fixtures in connection therewith.

A certified check will be required to accompany each bid for the work, made payable to the order of the clerk of said school district in the sum of five per cent of the amount of the bid, which check will become the property of said school district, in case the bidder selected by said board of school directors to perform the work of erecting said building shall refuse to enter into a contract and furnish a good and sufficient bond to said district for the faithful performance of the work according to the plans and specifications.

The right is reserved to reject any or all bids for the work.
