

SOCIETY EVENTS

To the young ladies of the Sigma Epsilon Omicron sorority belongs the honor of the leading event of the week in the younger circles. On Thursday evening at the Eagle-Woodman hall they gave their fourth annual dance and the affair but added to their already enviable reputation as hostesses. In the receiving line were Mrs. Henry Dixon Jones, and the Misses Gertrude Jordan, Mary Shea, Edith Johnson and Edna Zimmerman, who graciously welcomed the gay throng into the hall. The decoration scheme was one of the most novel and original ever devised to enhance the enjoyment of an occasion. It was typical of the spring season. Myriads of variegated butterflies filled the air and these were kept constantly fluttering by gentle breezes artificially created. On the walls others of these "beauties of the air" nestled amid spring blossoms which loaded the air with fragrance. With these surroundings the young ladies in their beautiful gowns and the gentlemen in their evening dress, formed a happy animation to the scene. The grand march was led by Miss Mary Shea and Mr. Carl Engdahl and was followed by twenty numbers. Floor and music were excellent and the winged hours flew swiftly by. Sweet punch and wafers were served in a candle-lighted alcove. Patronesses of the affair were the Mesdames H. D. Jones, W. M. Slusher, H. J. Bean, C. J. Smith, C. A. Cole, A. C. Shea, W. P. Temple H. C. Means M. A. Rader G. La Fontaine, H. J. Mann, W. A. Storie and G. W. Phelps.

Appointment is Refused.
Washington, April 15.—It was learned today that Representative Poindexter, insurgent, objected to the reappointment of Edwin L. Brunton as postmaster at Walla Walla, and that Brunton's nomination was sent to the senate Tuesday after Poindexter had urged that this office be given to William Gregory.

This disregard for Poindexter's wishes, however, is explained on the ground that Brunton has made a good record as postmaster, and is therefore retained under Taft's rule to continue efficient men in office.

THE CHILDREN ENJOY

Life out of doors and out of the games which they play and the enjoyment which they receive and the efforts which they make, comes the greater part of that healthful development which is so essential to their happiness when grown. When a laxative is needed, the remedy which is given to them to cleanse and sweeten and strengthen the internal organs on which it acts, should be such as physicians would sanction, because its component parts are known to be wholesome and the remedy itself free from every objectionable quality. The one remedy which physicians and parents, well informed, approve and recommend and which the little ones enjoy, because of its pleasant flavor, its gentle action and its beneficial effects, is—Syrup of Figs and Elixir of Senna—and for the same reason it is the only laxative which should be used by the fathers and mothers.

If you would have them grow to manhood and womanhood, strong, healthy and happy, do not give them medicines when medicines are not needed, and when nature requires assistance in the way of a laxative, give them only the simple, pleasant and gentle—Syrup of Figs and Elixir of Senna. As you value the health of the little ones, do not accept any of the substitutes which unscrupulous dealers sometimes offer to increase their profits. Please remember, the full name of the Company—California Fig Syrup Co.—is printed on the front of every package. To get its beneficial effects it is necessary to purchase the genuine only. Buy a bottle today to have in the house when needed. Put up in one size only. Regular price 50c a bottle and for sale by all leading druggists.

NEW VARSITY CLUB OPENS.

Americans Set Themselves in Pall Mall; Yale Man President.
London—American Varsity men in London have now a special club. The American Universities club of London has opened its doors in the heart of clubland, its address being No. 68 Pall Mall, cheek by jowl with St. James' Palace and Marlborough House, the Prince of Wales' residence. The aim of the club is to foster an "entente" between the educated minds of the United States, Britain and Canada—for 'varsity men from the Dominion will be eligible for membership. Oxford and Cambridge are giving the scheme their support, while ex-President Roosevelt, Lord Strathcona and Lord Brassey are interesting themselves in the club's welfare. The organizing committee is headed by George Gray Knowles (Yale '92).

BAKED BEANS UP IN PRICE.

As a Result Boston Cuts Down Its Favorite Dainty.
Boston.—The price of Boston's favorite edible, baked beans, has increased over 33 1-3 per cent during the past two years, and caused a decrease in the consumption of approximately 9 per cent. Two years ago beans retailed at 7 and 8 cents per quart, while they now cost 10 and 11 cents.

Boston's bean bill in 1909 was nearly \$5,000,000, an increase of about \$1,700,000 over the previous year.

In 1908 there were consumed in this city 539,219 bushels of beans. Last year this amount fell off to 536,862 bushels. Salt pork, used in cooking beans, sold for 11 cents a pound in 1907 and today the same quality costs 18 cents.

17 CHILDREN DIE; WITCHCRAFT BLAMED

Reading, Pa.—That seventeen of Mrs. and Mrs. Frederick Carl's children died here as the result of witchcraft was stated by the parents. A daughter, 28 years of age, was buried last week. The majority of the children died when quite young. The parents have never been ill a single day, while their children wasted almost to skeletons. Several physicians said, were afflicted with marasmus, a wasting of the flesh without any fever or apparent disease, while "pow wow" doctors declared the little ones were bewitched by an old woman.
