NATIONAL LEAGUE.

Cincinnati 5, Chicago 3.
Cincinnati, April 16.—Opportune hits, combined with costly errors by Tinker allowed Cincinnati to win the second game of the series here yesterday, 5 to 3. The locals hit Brown freely after the third inning. Score: R. H. E. Cincinnati 5 9 2 Chicago 3 7 4 Batteries—Covelaki, Suggs and Roth; Brown and Archer.

Boston 5, New York 7.
Boston, April 16.—Graham's batting four hits out of four times up was the deciding factor in the game Boston won from New York yesterday, 5 to 4. The sturdy catcher batted in three of the runs. William Sweeney was today appointed captain of the Boston team. Score: R. H. E. Boston 5 9 3 New York 4 8 1 Batteries—Raymond, Crandall and Schlot; Curtis, Brown and Graham.

St. Louis 6, Pittsburg 5.
St. Louis, April 16.—St. Louis defeated Pittsburg yesterday in a heavy hitting game. A muddy field prevented fast fielding and the pitching was none of the best. Score: R. H. E. St. Louis 6 8 3 Pittsburg 5 9 1 Batteries—Corrigan, Blackman and Bresnahan; Lefield, Frook and Gibson.

Philadelphia 7, Brooklyn 4.
Philadelphia, April 16.—Philadelphia won yesterday's game from Brooklyn, 7 to 4, by bunching hits off Scanlon in the second inning and profiting by the visitors' errors. Brooklyn hit hard but could not bunch safe drives. Score: R. H. E. Philadelphia 7 7 0 Brooklyn 4 10 4 Batteries—Scanlon, Bell and Erwin; Moren, Morney and Jacklitich.

AMERICAN LEAGUE.
Boston 3, New York 2.
New York, April 16.—New York played poorly in the field yesterday, their errors enabling Boston to win, 3 to 2. Boston played a fast game behind Smith. Score: R. H. E. Boston 3 5 1 New York 2 7 4 Batteries—Smith and Carrigan; Quinn, Ford, Criger and Sweeney.

Cleveland 6, Detroit 2.
Detroit, April 16.—Yesterday's game was almost a repetition of the opener, Detroit making it a tie in the ninth and Cleveland batting out four runs and winning in the tenth. Willet and Link both pitched fine ball, luck being against the former, while Cobb alone could hit Link. Works was easy. Score: R. H. E. Cleveland 6 10 0 Detroit 2 4 1 Batteries—Link and Easterly; Wil-

let, Works, Stange and Schmidt.
St. Louis 5, Chicago 4.
Chicago, April 16.—St. Louis defeated Chicago 5 to 4 in a loosely played game yesterday. Score: R. H. E. St. Louis 5 8 2 Chicago 4 7 4 Batteries—Peltz, Waddell and Stephens; Walsh, Burns, Olmsted and Payne.

Philadelphia 8, Washington 2.
Washington, April 16.—Philadelphia turned the tables on Washington yesterday, winning 8 to 2. Bender was a puzzle with runners on the bases, while Reising was driven from the rubber in the second inning and Groom also was hit hard. A double play by Milan and Elberfeld was a feature. Score: R. H. E. Philadelphia 8 12 0 Washington 2 10 3 Batteries—Reising, Groom and Street; Bender and Livingston.

COAST LEAGUE.
Oakland 5, Los Angeles 4.
San Francisco, April 16.—Oakland won from Los Angeles yesterday, score of 5 to 2. The Oaklanders hit Tozier almost at will throughout the game and in the ninth after he had allowed two men to get to bases he was relieved by Briswalter. Score: R. H. E. Oakland 5 9 3 Los Angeles 4 6 1 Mozer, Harkins and Mitze; Tozier, Briswalter and Rrendorff.

San Francisco 8, Vernon 5.
Los Angeles, Cal., April 16.—The San Francisco Seals managed to break Vernon's winning streak yesterday, taking the fourth game of the series by a score of 8 to 5. Vernon got the same number of hits, ten, but five errors lost them the game. Hensing and Brown, Hogan; Ames and Berry.

Portland 6, Sacramento 1.
Sacramento, April 16.—Portland romped away from Sacramento yesterday afternoon, taking the fourth straight game of the series by a score of 6 to 1. Baum, who pitched for the senators, was touched for 11 hits, three singles and a double in the fourth inning, netting Portland three runs. McCredie led the Ducks in hitting getting three singles. The Senators could do nothing with Steen's delivery. Score: R. H. E. Portland 6 11 1 Sacramento 1 4 5 Steen and Fisher; Baum and La-Longe.

Texas League Baseball.
Houston, Tex., April 16.—With Oklahoma City in Houston, Shreveport in San Antonio, Dallas in Waco and Fort Worth in Galveston, the 1910 race for the Texas Baseball League pennant begins this afternoon. The magnates declare that prospects for a prosperous season for the league were never better. The banner was won last year by this city, Oklahoma City finishing second and San Antonio third. Daphne Circle Celebrates.
The twelfth anniversary of Daphne circle was celebrated Thursday evening by the members of that organization. An interesting program was rendered at the conclusion of which refreshments were served.

Indians Will Play.
At the agency tomorrow afternoon another ball game will be played between the government school team and the team from St. Andrew's mission. It promises to be a game of interest as the two teams are engaged in a "neck and neck" race for the reservation championship.

The Bishop Was Here.
The Right Reverend Bishop Paddock was the guest yesterday of Rev. and Mrs. Charles Quinney. He left on the night train for The Dalles and is to hold services at St. Paul's Episcopal church in Walla Walla tomorrow.

"Near Beer" Man Fined.
Dell Smith of Echo, one of the men indicted a few weeks ago by the grand jury on the charge of violating the local option law for the reason that the near beer he was selling contained too much alcohol, was arraigned before Judge Bean yesterday afternoon. He entered a plea of guilty and paid his fine of \$50.

Shoppers Come by Hundreds.
More than a hundred people came in this morning on the trains to do their Saturday trading in Pendleton. The first trainload came in from Freewater, Milton, Weston, Athena and Adams. There were nearly sixty altogether. The second train was the Northern Pacific and nearly a score came in from Helix and the other points in the northern part of the county. The motor car with 41 passengers by actual count, brought the total up to considerably more than 100.

Bought La Grande Observer.
Bruce Dennis, editor of the Baker City Herald during the past few years, has purchased the La Grande Evening Observer and henceforth will have charge of the publication of that paper. It is understood that he will take the management tomorrow. He purchased the paper from George Curry, who has been in the newspaper business in La Grande for many years. Mr. Dennis, the new owner and publisher of the Observer, is the secretary of the Oregon Press association and has become well known in journalistic circles throughout the state.

AT THE THEATER.

"The Alaskan."
"The Alaskan" with its totem poles, Eskimos, rough miners and shaggy dogs has come and gone and has left a satisfied audience in its wake. The revised and reconstructed production contains many new features, which added to the residant part of the old show, makes a resultant whole that is very palatable to opera epicures. Gus C. Weinburg of Burgomaster fame, with his laughing powder and his laughing jag was responsible for a good many laughs besides those on the stage, and Richard F. Carroll as the irrepressible Watt, had a way of stirring up a few ripples himself. John R. Phillip was pretty good as Richard Atwater, as was Detmar Poppen in the role of Totem Pole Pete, but the latter's voice did more to commend him than did his histrionic ability. Etta Lockhart as Ku Ku, the Eskimo cherub, was most appreciated of all the lady characters, and was always welcomed when she tripped in. Jessie Stoner as Arlee Estan was not all that was expected by some, but she was passable both as an actress and a singer, but Alice Keen as Mrs. Good-Better-Best—well her hyphenated cognomen is not an index to her abilities as a stage artist.

The snowballing scene in which the audience was as active a participant as the chorus girls was one of the most enjoyable features of the evening and the girls seemed to enjoy it, too. Several good songs were introduced, the best of which were well drilled and good to look at, and there was enough romance woven in to satisfy the sentimentally inclined, so altogether the attraction was pleasing to the audience.

START WORK ON BIG AERODROME AT PARIS

Paris.—Workmen have begun the construction of a hundred sheds for aeroplanes on the new aerodrome, three miles north of Paris. The aerodrome covers 1000 acres. The main course, which surveyors have just laid out, will be three miles in circumference. A small trial course will be inside this. A pilot school, drug store, model ship, laboratory, several restaurants, etc., will be installed. It is the intention of the organizers to make this the popular aerodrome of the vicinity and easily accessible even to the poorest.

COYNE'S HOBBY IS DOGS; AND HIS WIFE'S IS DOLLS

London.—Both Joseph Coyne and his beautiful wife, Alexandra Carlisle, have curious hobbies. Mr. Coyne collects dogs, and "London Opinion" declares, he will buy any dog for 60 cents. That's his limit. It is his way of saving mongrels from watery graves. But it makes his beautiful house at Maidenhead Thicket somewhat densely populated with dogs; and it causes people to wait about the Daily stage door with weird looking
