PENDLETON BOYS ARE ON WASHINGTON TEAM

JIM STURGIS AND TRACE BAKER STAR PERFORMERS

Young Sturgis Pitches for University Against Seattle Professionals—Post-Intelligencer Gives Him Much Praise for His Slab Work.

Sturgis let him score. This was enough to win.

Sturgis a Pendleton Boy.

An odd feature of the game was that Seaton and Sturgis, the opposing pitchers, got the only hits that went for extra bases. They were resounding whacks and let the gallant runners reach second before the ball was recovered from the frog pond.

Sturgis is a Pendleton boy. He got his early training in high school baseball, and he showed enough yesterday to raise the hopes of the varsity boys for next year. If Clark joins the professional ranks this spring a new corps of twirlers will have to be developed. One is already in sight—"Toots" Agnew. Now Sturgis may be figured in the running as he has plenty of speed and with his left hand to send them through there is no danger of missing curves. Brinker told Sturgis to just put 'em over to the professionals and make them hit. It was good dope and made the game much better than if the lad had tried to fool such sluggers as Frisk and Bennett. A young pitcher when going against experienced players should remember that there is little use trying to fool the wise old owls. In semi-professional ball the batters will hit at anything which is over or very close to the corners. With such men as Bennett and Frisk it is a different matter. They will simply "wait it out" and take first base on balls. Sturgis made a good showing by keeping the ball over the plate. What he learned in that one game will be of great value to him later on.

Cricket on Coast.

San Francisco, April 16.—Followers of the British national sport anticipate many exciting contests during the season of the California Cricket association, which opens tomorrow.

The government has been looking into the window glass trust.

According to the Seattle Post-Intelligencer, James Sturgis of this city who is attending the University of Washington, surprised the fans of the sound metropolis by pitching a good game against Mike Lynch's professional team, which is to represent Seattle in the Northwest league.

Trace Baker, another former Pendleton high school star, is also playing on the university nine. He is holding down the first sack and the tabulated score shows that with one time at bat he has one score to his credit, three putouts and no errors. In addition to rendering a good account of himself while in the box, Sturgis secured one of the two base hits made during the game.

The following concerning the game is from the P-I:

Dode Brinker's boys went right after Lynch's men and the five innings were scrapped to a finish. Joe Seaton had things going strong and with good support in the pinches most of the time there was not much chance for the varsity with a promising but somewhat inexperienced pitcher in the box. Seaton helped win his own game by clouting the ball to the center fence with two men on in the second inning. A wild throw to first by

STUDENT THESPIANS PROMISE RICH TREAT

JUNIOR CLASS PLAY EVENT OF SEASON

Enormous Cast Will Produce "The Lawyer and the Client" With a Certain Raiser "Belshazzar's Doom," on Tuesday Evening.

All preparations for the annual Junior play which is to be given Tuesday night at the Oregon theater under the direction of Miss Lenora E. Shaw, have been completed. While the local thespians may not yet be in the same class with Hanford, Frederick Ward and the other lights of the theatrical world, the affair Tuesday night promises to be one of the most interesting theatrical events Pendleton has seen this year. A glance at the synopsis and cast of characters for the double program will be sufficient to attract attention.

The tickets are now on sale at the Pendleton Drug store and the curtain will go up at 8:15 instead of 8:30 as is customary with most other theatrical attractions.

A synopsis of the two parts of the program, together with the cast of characters, follows:
