Portland 5, Sacramento 3. Sacramento, Cal., April 17.—Before an immense Sunday throng the Ducks took the sixth straight game of the series yesterday afternoon after 15 innings of scrappy playing. The senators fought every inch of the way the score being tied from the sixth to the 15th inning when Boardman and La Longe made a brace of bad boots and a single and double by Fisher and Rapp won the game for Portland. Hunt pitched the full game for Sacramento and was touched for ten hits. McCredie used Seaton, Ryan and Steen, his twirlers being touched for seven innings. Score: R. H. E. Seaton, Ryan, Steen and Fisher; Hunt and LaLonge.

While two costly errors were partly responsible for the morning score, the Oakland players earned their victory by heavy hitting, scoring 11 hits against the visitors. ENGLISH ATHLETES MAY LOSE AT HOME

London, April.—The present season in England is the most international one in character of all the years of athletics except when the Olympic games were held here. Over-seas athletes were prominent at the Oxford-Cambridge sports and others are expected in May when the Polytechnic Marathon is run. A movement was started to have Ljungstrom, the great Swedish runner, who beat all Marathon records in New York, take part.

K. A. McArthur, of South Africa, is an entrant in the Marathon and his record indicates that he will give a good account of himself. The most interesting matter regarding the present athletic season is the possibility that Mel W. Sheppard and H. Glassing of New York, may be seen in a championship race here. Already have opportunities been had of seeing Sheppard run here, and English sportsmen would be pleased to welcome him again, as well as make the acquaintance of such a good runner as Glassing. It is probable that H. Braun of Germany, who is the present half mile champion of England, will also come to London for the purpose of defending his title. If,

therefore, E. Lunghi of Italy, the world's half mile record holder, would also join in, we should see a wonderful race. Unfortunately, England is now suffering a dearth of real "flyers," and we sadly want a Cornwallis or Bredin for the "half," and a Bacon, Brinks or Welsh for the "mile."

WOMAN ADVOCATE SECURES ACQUITTAL

Geneva.—A Swiss Portia, Fraulein Brunstein, the daughter of a leading federal judge and the first woman to take silk in the country, has gained a remarkable case at the Zurich tribunal by her eloquence. She was defending a poor woman railway-gate keeper Madame Louise Wyses, who on arriving a few minutes late to close the gates at the grade crossing, discovered that the express train had killed a Swiss boy, aged six, who had wandered on the track. Fraulein Brunstein pointed out that her client was so wretchedly paid by the wealthy Federal Railway company—two pounds a month for twelve hours' work a day—that she was forced to seek outside work to support her four children. On the day of the accident the express was on time for the first time in several weeks. The jury acquitted the poor gatekeeper, who, in thanks covered the hands of her counsel with kisses.

BOSTON AND ST. LOUIS AT BERLIN EXHIBIT

Berlin.—Boston and St. Louis will be represented at the City Plan exposition in Berlin which will be opened here shortly. Both have already sent a number of exhibits. The Civic league at St. Louis, through its secretary, Mr. Mayo Fessler, will send a model of the proposed city plan which is partly being introduced in the construction of the new municipal building there.

From Boston a number of exhibits are expected from the Metropolitan Improvements commission, the chief of which is the proposed park and boulevard plan and the forest belt which the city has in view. Mr. Olmstead, park commissioner, is expected to visit the exhibition.

PUBLIC WORSHIP IS ON WANE, SAYS FAUNCE

Chicago.—William H. P. Faunce, president of Brown university, thinks religious sentiment, as measured by church-going, is on the wane. In the American Journal of Theology, issued at the University of Chicago Press, he says: "The moral awakening which has taken possession of the country has had a reactive effect on devout religion. "A wave of social consciousness is now sweeping over our land, and, at the same time, there is obviously a wave of recession from public worship. The tide of corporate endeavor is at the full, but this tide of corporate devotion mysteriously ebbs. This disinclination exists not alone among the irreligious or immoral; it exists

most obviously among the devout and the thoughtful."

WIDOW AT 15, FIGHTS FOR \$100,000 ESTATE

New York.—"So you think I'm about the right size to be playing with dolls, do you? Well, let me tell you I've been a wife for over five years and a widow several months." Little Lena Starr Finelite, who claims to have been married when 11 years old, and to have donned her widow's weeds when 15, spoke these words solemnly as she told of the legal fight she has begun to recover the \$100,000 estate left by her alleged husband, Jacob Finelite, the brother of the present City Court Justice Finelite.

BOY IS GUARDIAN OF HIS FANATIC FATHER

Everett, Wash.—To prevent W. Alloway, a wealthy Snohomish county farmer from giving away everything he owns to the Church of God society, his son has been appointed the guardian of his father and mother by the superior court here. Testimony showed that Alloway had already sent twenty thousand dollars to the head of the sect, saying he was commanded by the Lord to do so.

CUTTING SEVEN TEETH IN DAY FATAL TO CHILD

Columbus, Ohio.—Cutting seven teeth in one day, Richard Hugh Stevenson, 10-month-old son of the Rev. W. C. Stevenson, died after an illness of only two days. The boy had at different times cut teeth, having five in all, when on Friday last he cut seven in a few hours. The brain was affected, and from the first no hopes were held out for the child's recovery.

University to Build Hotel

Berkeley, Cal.—Preparations for the immediate construction of a seven story hotel on a lot owned by the University of California between Kearney and Montgomery streets, San Francisco, have been decided upon by the regents of the university. The hotel is to cost \$380,000. It will be leased for a period of 50 years at a rental sufficient to pay 7 per cent on the value of the property. The names of the lessees are withheld.

College Club Boycotts Taxicabs

Seattle.—The Owl club, the junior-senior honor society at the University of Washington, has blacklisted taxicabs on account of the increased rates for those conveyances, and hereafter co-eds will have to accustom themselves to the plebeian streetcar. The Owl club will confer with the senior ball, junior play, junior "prom," varsity ball and lower class committees to seek their aid in the campaign.

HARLAN WINS THIRD CONSECUTIVE GAME

PENDLETON TAKES ANOTHER GAME FROM PILOT ROCK

Yesterday's Contest Victory for Locals By Score of 10 to 2—Contest Replete With Errors—Harlan Only Allows Two Hits—Dickson Is Star Slugger.

Standing of Teams.

Team	Won.	Lost.	P. C.
Pendleton	3	1	.750
Weston	3	1	.750
Pilot Rock	2	2	.500
Athens	0	4	.000

Once again have the Pendleton and Pilot Rock horsehide jugglers faced each other in the battle arena and once again has the laurel wreath been placed about the brows of the county seat colts. The champions of sheep-land came to town yesterday with the confidence of Class A leaguers and they entered the game thirsty for revenge. But their star of hope was setting before it arose to the view of the fans, and it was early evident that destiny had again decreed the dregs of defeat as their lot. Therefore was it a sad tale that was borne back to the hills of the herders.

The score of 10 to 2 briefly epitomizes the nine-inning contest. And when it is said that the visitors had 13 errors to their credit and only two hits, while 7 errors and 9 hits were written in the home columns, the whole story of the game is concisely told. From that it may be judged that the exhibition had but faint resemblance to a National league game, and that the Pilot Rock pitcher was no match for his younger opponent. Harlan was again in fine fettle and his stunts again proved to be one big puzzle to the mighty willow wielders from the Rock.

Dickson again won distinction as a star striker by being the only man credited with two hits, and one of these enabled him to tear up the dirt between three bags. The game is briefly told as follows: Both sides went down in one-two, three order in the first and in the first of the second the visitors succeeded in landing a man on the third sack but there he died. Powell started things for Pendleton by taking first on B. Gilbert's error. Rader bunted and reached first on an overthrow, while Powell negotiated the next two bases. King sacrificed, scoring Powell and sending Rader to second. Hayes then clouted the ball, which was badly handled with the result that Rader crossed the taffy pan. That ended the scoring for that inning and there was no more done until the 5th, when a few costly errors gave the Pilots the first half of their final score. In the Pendleton half of this inning occurred the big balloon ascension, and when terra firma was reached again seven more marks had been added to the score of the colts. Four hits, one a two bagger and one a three, two sacrifice hits and four errors tell the details of this tragedy. Pendleton's only other score came in the 7th when Collins reached first on a Dickson's long drive for three sacks. The last half of the visitors' score came in the eighth when Smith was given a free ticket to first by Harlan and made the circuit with the assistance of a hit and an error.

Weston Wins from Athens.

(Special Correspondence.) Athens, Ore., April 18.—Errors on the part of Athens players lost another game to Weston on the local grounds yesterday afternoon. Athens had seven of those chalked up to her credit while Weston had but three. The final score was 9 to 5. Wheeler and Keefe formed the battery for Weston, while Wilson and Stone alternated in the box and Hawks caught for Athens. Six hits were secured off Wheeler, while Wilson allowed four and Stone 3. The feature of the game was the sensational catch of a long high fly in center field by Stone.
