COAST LEAGUE.

Oakland 1, Portland 0.

Portland, Ore., April 21.—Oakland took a hard fought game yesterday from Portland, shutting the locals out, 1 to 0. Oakland's score occurred in the third inning. A base on balls and a stolen base had advanced Cameron to second, who scored on a two base hit by Carroll. Portland had a fine chance of scoring in the ninth but Ort got pinched in a double play and retired the side. The score:

Oakland . . . 1 3 3
Portland . . . 0 2 0
Nelson and Spiesman; Ryan, Seaton and Fisher, Murray.

San Francisco, April 21.—Sacramento literally threw the game away yesterday at Recreation park and San Francisco took another step up the percentage ladder, winning handsily by a score of 3 to 0. The score was 7 to 2, Dillon's men hammering Hensling for a dozen hits, one of which was Howard's three bagger and two were doubles. Every man on the Angels team except Del-

INDIANS AFTER SCALPS OF ACADEMY TEAM

Two weeks ago the Indians from the reservation were defeated by the academy-high team by a score of 5 to 3 in an 11-inning game. A return game will be played tomorrow afternoon on the Alta street grounds at 3:15 and it is said the Indians are out for revenge.

The lineup of the academy-high team, as well as that of the Indians, will be about the same as in the game of two weeks ago, so a hot contest is expected.

Academy High lineup: Weatherstone, first base; Sturdivant, Ivan, second base; Devine, third base; Rader, short stop; Hopper, Gilliland, McCormmach, outfielders; Gilibe and Greenwald battery.

The old redskin baseball veteran, Billy McKay will do the twirling for the Indians, with Wilson on the receiving end. It is easily seen that McKay is no amateur at the game. He pitches a cool and heady game, supported by a good infield.

The game promises to be an exhibition of good baseball and will be a treat, especially for those fans of Pendleton, who can not attend the league games.

FUNDS FORFEITED BY SCHOOL DISTRICTS

FAIL TO EXPEND ENOUGH ON TEACHERS' SALARIES

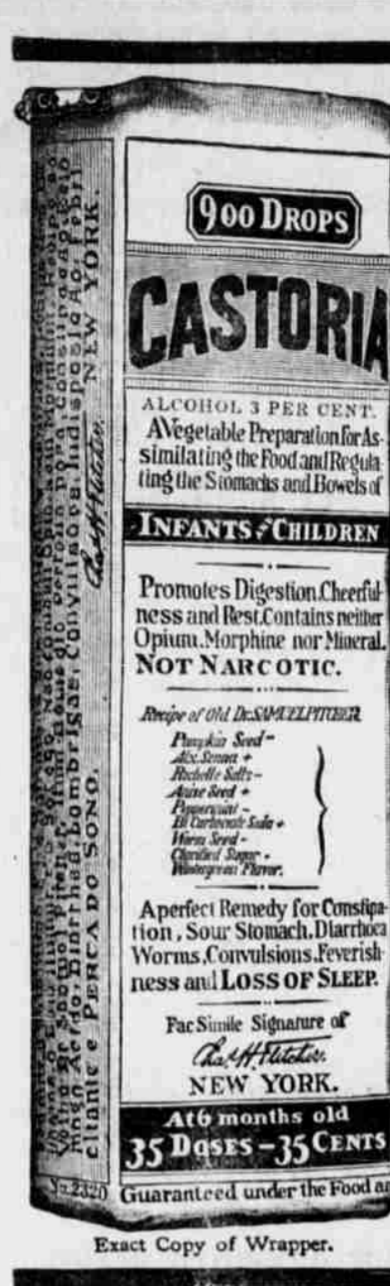

Five Districts of County Fail to Comply With Law—Amounts Forfeited Not Large—Complete Apportionment Made for All Schools.

As has been the case nearly ever since the law went into effect, some school districts of the county have again forfeited some of their funds for the reason that 85 per cent of the amount received from the state and county fund had not been expended on teachers' salaries. There are five unlucky districts this year and the amounts forfeited range from \$11.34 to \$81.58.

The districts which forfeit some of their spring apportionment for this year with the amount forfeited are No. 22, \$65.47; No. 59, \$24.12; No. 50, \$11.34; No. 82, \$11.99; No. 96, \$81.58.
