

MARKET WEAKER FOR CATTLE AND LAMBS

FINE STEERS SELL AT \$6.50; LAMBS ARE OFF 50 CENTS

Heavy Arrivals of Cattle Come From California and Hogs From Nebraska—No Sheep Arrives.

Portland Union Stockyards, April 25.—There was a slightly weaker feeling in the cattle market today. Receipts were heavy and consisted of about 45 cars. Most of these came from California and were in good condition. One large lot of 22 cars was sold previous to arrival at \$6.50 for steers and \$5.50 for cows.

A further reduction of 50c is shown in the price of spring lambs, one transaction being made from Saturday's arrivals at \$7.

No hogs arrived during the day. Shipments in today:

Cattle—W. O. Minor of Heppner, one load of mixed cattle and calves; A. G. Dunn, from Wapata, Wash., with 13 loads; J. E. Connolly, with one car; A. J. Gibson, from Drummond, Montana, with 8 loads; J. A. Robinson, from Merced, Calif., with 11 loads, and Robinson Bros., from the same place, with 11 loads.

Hogs—Hennin & Olinger, from Nebraska, with 8 loads.

THE WHEAT MARKET

CHICAGO WHEAT HIGHER ON SHORT COVERING

Advance of 1-8 to 1-2c Over Saturday Show at Closing — Liverpool Has a Very Good Rise.

Chicago, April 25.—Wheat damage reports continue to come although it is generally believed that the loss to the grain crop has been overestimated.

Closing prices for wheat were 1-5c to 1-2c a bushel higher than Saturday but the market could not be considered extremely strong at this range.

At the opening the showing of strength was caused mostly by short covering. There was an advance of 3-5c in the May and 1-4c in the July, but September was 1-5c lower.

With a good foreign situation and the trade on the other side inclined to believe a portion of the American damage reports, trade here remained within a narrow range during the rest of the day. At Liverpool there was an opening gain of 3-8 to 1-2d.

The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure, apoplexy, etc. It is the result of kidney disease. If kidney trouble is allowed to advance the kidney becomes diseased. Blood will attack the vital organs, causing catarrh of the bladder, brick-dust or sediment in the urine, head ache, back ache, lame back, dizziness, sleeplessness, nervousness, or the kidneys themselves break down and waste away cell by cell. Bladder troubles almost always result from a derangement of the kidneys and better health and comfort can be obtained quickly by a proper treatment of the kidneys. Swamp-Root corrects inability to hold urine and scalding pain passing it, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and immediate effect of Swamp-Root, the great kidney remedy, is soon realized. It stands the highest because of its remarkable ability to restore properties. A trial will convince anyone. Swamp-Root is pleasant to take and is sold by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle and a book that tells all about it, both sent free by mail. Address, Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this paper. Do not make any mistake, but remember the name, Swamp-Root, and don't let a dealer sell you something in place of Swamp-Root. If you do you will be disappointed.

Closing was 3-8d to 3-4d above yesterday. Cash wheat—No. 2 red, \$1.07@1.09; No. 3 red, \$1.03@1.07 1-2; No. 2 hard winter, \$1.05 1-2@1.09; No. 3 hard winter, \$1.02@1.07; No. 3 spring, \$1.02@1.05 1-2. Cash corn—No. 2, 56 1-2@57c; No. 2 white, 60@61c; No. 2 yellow, 57@57 1-2c; No. 3 corn, 56 1-2@57; No. 3 white, 58 3-4@59 1-2c.

HERMISTON HAPPENINGS

Hermiston, Ore., April 25.—Mrs. S. L. Carson and family of Irrigon, spent Sunday with Mr. Carson, who is foreman of the Tabor ranch. Mrs. Carson is known all over this end of the state for her fine displays of fruit shown at the district fairs.

H. J. Uphogrove will leave for his home in Valparaiso, Indiana, tomorrow. He is the father of G. H. Uphogrove, secretary of the Umatilla Water Users' association, and has been visiting here for the past summer.

L. W. Furnas went up to the county seat this morning to transact business.

Carey Green took the motor for Stanfield this morning.

W. J. Emery left for the upper end of the county to transact business. Mr. Emery is part owner of the Pioneer Barn.

A large party of surveyors is busy running out the preliminary lines for the proposed interurban line, connecting Hermiston, Stafield and the Butler creek district.

H. M. Gunn and family are today moving out on their tract north of Hermiston in the third unit. Carpenters as well as all the other kinds of men are, in great demand in all parts of the project, and if there is not a great inflow of working men to the northwest very soon it is hard to tell how bad the farmers will suffer at harvest time.

MASKED ROBBERS SLAY INKEEPER'S FAMILY

Vienna.—A terrible tragedy has been enacted in an inn of the village of Sletze Retzkie, near Cracow. After midnight three masked peasants forced their way into the inn and murdered the landlord, named Samlich, and his wife and two children. Samlich was shot, while his wife was stabbed and afterwards cut to pieces. Freshly sharpened knives were found in the breasts of the two children. A 10-year-old boy escaped by leaping out of the window. One of the masked men shot at him wounding him in the left shoulder. He fell in the garden unconscious. The murderers found the landlord's keys and opening all the drawers and boxes, made off with money, a watch and some dress materials. The boy regained consciousness at dawn, and entered the house. On seeing his parents and sister lying murdered he raised an alarm, and neighbors arrived. So far there is no trace of the murderers.

Worse Than Bullets.

Bullets have often caused less suffering to soldiers than the eczema L. W. Harriman, Burlington, Me., got in the army and suffered with, forty years. "But Bucklen's Arnica Salve cured me when all else failed," he writes. Greatest healer for sores, ulcers, boils, burns, cuts, wounds, bruises and piles. 25c, at Tallman & Co.

KNIGHTS BACHELORS ARE JEALOUS OF "SIR" TITLE

London.—The unauthorized use of the title "Sir" is receiving close attention of the Society of Knights Bachelor, whose annual report was recently issued.

The report stated that when the membership of the society exceeds 100 they will take steps to apply to the Sovereign to consider the question of the restoration of the insignia for Knights Bachelor, and thus carry the intention of Charles I. into effect. They will also apply for a charter of incorporation.

It was pointed out that prior to the society's formation no machinery existed to prevent the unwarrantable assumption of the prefix "Sir." A person representing himself to be a knight, and obtaining credit thereby, however, was recently sentenced to imprisonment. The society would give prompt attention to any such cases that might arise in the future.

Several classes, it is said, by various patents and ordinances have been assigned precedence over Knights Bachelor, and though they were the most ancient order of knights, their rights had been progressively infringed.

The society is now prepared, on application, to issue a certificate to each member, certifying that the honor claimed by him has been duly authenticated.

NAPOLÉON'S HOME AT ELBA UNDER HAMMER

Paris.—Napoleon's villa at Elba, where he spent his first brief exile before the "Hundred Days," is to be sold at auction.

With the house, known as the Villa de San Martino a Porto Frerajo, are included the furniture and other relics of Napoleon. An appeal has been made to all interested in the great emperor to save the collection of Napoleonic souvenirs from disposal.

There is no cough medicine so popular as Foley's Honey and Tar. It never fails to cure coughs and colds and is especially recommended for chronic and bronchial coughs. Koepfen Bros.

VILLAINS IN COLLEGE PLAY ARRESTED FOR THUGS

New York.—In their zeal to perfect themselves in the part of yeggmen, in a college drama which is to be produced next week, two undergraduates in New York university succeeded in getting themselves arrested shortly before midnight.

After an evening spent in practicing their parts, the two young collegians journeyed to the college baker-shop for a midnight lunch. Still in their "tough" makeup, they journeyed back, carrying large paper bags. A block from the baker-shop a watchful patrolman from a side street heard them rehearsing their lines.

"Jimmy, what you goin' to do with de swag?" he heard one of them say. The bluecoat gave a leap and grabbed the pair, at the same time whistling for help.

At the station house university officers gave satisfactory excuses for the two men.

One Conductor Who Was Cured.

Mr. Wilford Adams is his name, and he writes about it—"Some time ago I was confined to my bed with chronic rheumatism. I used two bottles of Foley's Kidney Remedy with good effect, and the third bottle put me on my feet and I resumed work as conductor on the Lexington, Ky. street railway. It gave me more relief than any medicine I had ever used, and it will do all you claim in cases of rheumatism." Foley's Kidney Remedy cures rheumatism by eliminating the uric acid from the blood.
