COAST LEAGUE.
Sacramento 4, Los Angeles 1.
Los Angeles, April 29.—Sacramento broke the winning streak of the Angels yesterday by taking the third game of the series by the score of 4 to 1. The game was without noteworthy features, but prettily played before a rather small crowd. It was announced in a telegram from Garry Herrmann that Hosp had been released by the Cincinnati Reds and furnished with transportation back to Los Angeles. Score: R. H. E. Los Angeles.....1 7 2 Sacramento.....4 10 1 Batteries—Thorsen and Orendorff; Baum and LaLoque.

Portland 5, San Francisco 3.
Portland, Ore., April 29.—Portland won a rather uninteresting game by a score of 5 to 3. None of the pitchers were at their best and they were hit frequently and effectively, especially Miller, who was batted out of the box in the first inning. Rappa hit to right field fence and the ball rolled through a hole at the bottom of the fence, giving the batter a home run and netting Portland two runs. Score: R. H. E. San Francisco.....3 8 1 Portland.....5 9 1 Batteries—Ames, Miller and Berry; Steen and Fisher.

Vernon 5, Oakland 6.
Oakland, Cal., April 29.—Oakland was blanked by Vernon, never once during the game showing any of the form of the southern team. Vernon started the run getting in the opening inning, sending three players across the plate, when Coy, the right fielder, made the circuit on a homerun hit. Another run was made in the third and one more was scored in the fifth. The score: R. H. E. Vernon.....5 6 1 Oakland.....0 4 3 Batteries—Hensling and Hogan; Christian and Thomas.

NORTHWEST LEAGUE.
Vancouver 4, Spokane 2.
Spokane, April 28.—Vancouver won today by timely hitting. Jensen pitched magnificent ball and the fielding of James was a considerable factor in cutting off Spokane's runs. The Indians scored in the sixth on errors by Scharnweber and Capron, and

challenged in the eighth and ninth, but Jensen was firm. The score: R. H. E. Vancouver.....4 7 3 Spokane.....2 5 1 Batteries—Jensen and Lewis; Killaly and Ostiek.

Tacoma 4, Seattle 3.
Tacoma, April 28.—Tacoma won an exciting game from Seattle in the ninth inning today on hits through the infield, an error of judgment by Seaton and Hartman's long fly to the outfield. Seattle led by two scores up to the seventh inning. Byrnes' hit, which escaped Johnson, went for four bases, two men scoring. Seattle scored once in the ninth on a succession of hits, but Tacoma won in the last round. Bassey's one-hand catch of Lynch's drive to deep left was one of the most sensational catches ever seen on the local field. The two teams have each won three games of the six played, and will finish the series at Seattle beginning tomorrow. Score: R. H. E. Tacoma.....4 7 3 Seattle.....3 8 1 Batteries—Gaddy and Byrnes; Seaton and Shea.

National League.
Pittsburg, April 28.—The score: R. H. E. Cincinnati.....2 8 2 Pittsburg.....5 6 3 Batteries—Beebe and McLean; Adams and Gibson.
Chicago, April 28.—The score: R. H. E. St. Louis.....1 7 1 Chicago.....2 6 1 Batteries—Corridon and Bresnahan; Cole and Needham.
Philadelphia, April 28.—The score: R. H. E. New York.....5 11 1 Philadelphia.....2 8 3 Batteries—Raymond and Schlie; Moore and Doolin.
Boston, April 28.—The score: R. H. E. Brooklyn.....10 13 3 Boston.....3 8 6 Batteries—Rucker and Bergen; Richie, Evans, Graham and Riordan.

American League.
Cleveland, April 28.—Chicago-Cleveland game postponed; rain.
New York, April 28.—The score: R. H. E. Philadelphia.....3 5 4 New York.....7 9 3 Batteries—Coombs, Dyger, Thomas and Lapp; Ford and Sweeney.
St. Louis, April 28.—The score: R. H. E. Detroit.....7 10 1 St. Louis.....1 4 4 Batteries—Mullen and Stange; Bailey and Stephens.
Washington, April 28.—The score: R. H. E.

Boston.....1 16 3 Washington.....2 12 1 Batteries—Collins and Carrigan; Johnson and street. (12 Innings.)

JEFF RESTS AFTER OPERATION ON BOIL

Ben Lomond, Cal., April 28.—In order to recover from the slight operation on his back in which a small eruption was lanced, Jeffries rested from training today. With his friend Jack Wooly he spent the day in fishing and returned to camp late in the afternoon with a string of 80 fish. Jeffries declared that he slept soundly last night and has suffered no ill effects from the operation. Manager Berger will be on the side lines as far as the training work of the camp is concerned, for the next week or more. Several days ago he strained a tendon in his knee and aggravated the injury by continuing handball work with Jeffries yesterday.

Both Jeffries and Berger declare they will be hard at work again at the boxing game Monday.

REVISION OF FOOTBALL RULES IS LIVE ISSUE

Philadelphia, April 29.—Football reform again becomes a live issue with the meeting here today of the inter-collegiate rules revision committee. Although several "reforms" have been adopted at previous sessions of the committee, the forward pass remains a topic of discussion. Advocates of its retention are apparently "standing pat," but an effort may be made to effect a compromise.

Changes in the style of play already decided upon include the following:

- Removal of five-yard restriction, either side of center, for quarterback or man receiving the ball from the snapperback, in running.
- Seven men on the line of scrimmage. (Which particular men to be decided on at the present meeting.)
- Absolute prohibition of the flying tackle. (Penalty and just how to limit it to be determined later.)
- Four periods of play instead of two halves, as before, with a brief intermission between the first and second and third and fourth periods and the usual intermission between the second and third.
- Adoption of a stringent rule against pushing or pulling the player running with the ball, with a limitation in the use of the hands by his team mates, as now applies to opponents.
- Modification of the onside kick, providing for the ball to go at least twenty yards beyond the line of scrimmage before the attacking players are on side.

Outlaw League Formed.
Boston, April 29.—Day after tomorrow will be the opening day of the new Union Baseball League, an outlaw organization headed by Dr. G. H. Lawson, of Paterson, N. J. Sunday games will be played in all the cities of the circuit, except Boston, and negro players will be given every opportunity to make good. The circuit includes Boston, Philadelphia, Brooklyn, Providence, Trenton, Newark and Paterson. The attempt to place a club in Baltimore has been abandoned, owing to the prejudice in the Maryland metropolis against colored players.

"ZULUNA, THE SULTAN'S DAUGHTER," TONIGHT

Tonight is the night when the local talent thespians will "strut and fret" across the stage, and from all accounts all previous attractions of the season will be put in total eclipse by the brilliance of this production.

The story of "Zuluna, The Sultan's Daughter," revolves around the purchase of a painting by one Josiah Jones, an enterprising American tourist, and his astonishment and bewilderment when he finds that the picture has come to life and he has apparently a new wife on his hands—an added expense to his rapidly diminishing bank roll—and in a sense, has become a "bigamist."

Now, of course, an enterprising Yankee like Josiah Jones, traveling in the realm of the Turkish harem, is equal to the annexation of several "better halves" but when that better half is of apparent mystic origin—and a woman with a very clever mind of her own—he does some lively side-stepping to keep time to the constant tune of ceaseless predicaments into which he finds himself drifting and to harmonize himself to his lawful spouse, Mrs. Fannie Jones—and quell the green-eyed disturbances arising throughout the every movement of the play.

Matters are finally adjusted by Josiah selling the picture to his friend Rodney, who introduces her as his future wife, and peace and happiness is restored.

The character of Josiah Jones, the only Josiah, has been entrusted to Mr. Elmer Storie, who handles the character in a very clever manner, while to Mrs. A. W. Slusher, a fortunate selection, will fall the task of making "Fanny," the wife of the enterprising Yankee, Josiah Jones, all that a husband should expect a wife to be under the circumstances.

The title role of "Zuluna" has been handed to Miss Maude Sheridan and during the many rehearsals of the production, she has clearly demonstrated that the part of "Zuluna" has fallen into capable hands and she has moulded the character into such a perfect shape that it is not only good to look upon but a joy to behold.

The remainder of the cast is perfect and comprises the best to be obtained for the production. A clever Irish comedian, a spontaneous negro, an old maid, a dainty soubrette, and many singers and dancers combine to make "Zuluna, the Sultan's Daughter" a pronounced success when it is presented this evening.

Few who see the Halley comet this year to remember about it will see it when it comes again—but some will.

It is important for Pendleton that the enumeration be very thorough.

AID THE CENSUS ENMUERATORS BY LEAVING INFORMATION FOR THEM

- The local census enumerators assert they are handicapped in their work because people do not leave proper information at their homes or at their rooming houses. Parties who may not be at their living places when the enumerators call are asked to leave the following information for the benefit of the census takers.
- MEN.**
 - First name, initial and last name.
 - State, territory or foreign country where born.
 - Age at last birthday.
 - If foreign born, give name of mother tongue, the year of arriving in United States; whether an alien, whether the first papers have been taken out or whether fully naturalized.
 - Give state, territory or foreign country where parents were born.
 - Trade or profession, nature of business or establishment where working.
 - Whether an employer, worker or working on own account.
 - Whether out of work April 15, 1910, and number of weeks, if any, out of work in 1909. "Out of work" does not mean vacations or strikes, but inability to find employment.
 - If over 50 years, whether a survivor of the Union or Confederate Army or Navy.
 - Single, married, widowed or divorced.
 - If married, whether first, second or subsequent marriage, and how many years of present marriage.
 - Whether able to speak English; whether able to read or write English or any other language.
 - Whether white, black, mulatto, Chinese, Japanese or Indian.
 - If owner of the house lived in, whether it is free or mortgaged.
 - Whether blind in both eyes, or deaf and dumb.
- WOMEN.**
 - Same information as given by men, except citizenship and Civil War statements. Also leave the following:
 - If married, widowed or divorced woman, give number of children had during lifetime.
 - Give number of these children living on April 15, 1910.
 - Whether has attended school since September 1, 1909.

A NEW HOLD UP.
White House Restauranters Are Emulators of Grafting Patrons.
Washington.—The pieces of pie and the glasses of milk are growing smaller in the house restaurant at the capitol. This discouraging fact has been gradually dawning upon the congressmen for some time and unless the shrinkage stops at once the lucky individual who is just now conducting the eating house will find himself facing an investigation.

"This piece of pumpkin pie, made of squash, is just one quarter smaller than the ten cent piece I used to buy here two years ago," remarked one of the western representatives as he surveyed the little three cornered slab. "Considering the fact that the restaurant man gets his rent, his heat and light free I do not think he ought to sting us quite so hard. He charges twenty-five cents for a turkey or chicken sandwich, twenty-five cents for a bowl of soup, fifty cents for a piece of fish no larger than the palm of your hand, and when you buy a steak you are expected to mortgage your home to pay for it."

"Senator McCumber was over here the other day and had a steak. When he received his bill he did a little figuring on the menu card and announced that if the whole of an ordinary steer was sold at the rate that steak brought, the animal would net \$4000. Now I call that going some."

Over in the senate restaurant, where the same scale of prices prevail, the senators have compelled the restaurant manager to place a "No tipping" line on all the menu cards. Consequently the cards are very hard to get nowadays, and if a guest insists upon having one before he orders the waiter snatches it and buries it under the tablecloth before the next customer sits down. The sign on the cards does not prevent the waiters from grabbing all the tips they can get, nor does it keep them from neglecting a patron the next day if he has forgotten to "come across" on the previous visit.

The Call of the Blood
for purification, finds voice in pimples, boils, sallow complexion, a jaundiced look, moth patches and blotches on the skin—all signs of liver trouble. But Dr. King's New Life Pills make rich red blood; give clear skin, rosy cheeks, fine complexion, health. Try them. 15c at Tallman & Co.

It must be admitted that President Taft was lacking in tact when addressing the suffragettes. He seems to be on occasions rather too candid.
