CALIFORNIA CATTLE COME TO PORTLAND

ENTIRE TRAINLOAD DUE IN YARDS TODAY

Twenty-five Cars from Merced—20 Cars Steers Among Shipment—Market Is Steady.

Portland Union Stockyards, May 3.—All the livestock that entered the yards this morning or overnight was for a Seattle packer—Jim Henry. There were arrivals of 12 cars from Burns via Huntington.

Twenty-five loads of cattle are due in the yards tomorrow from California. The shipment was made from Merced, and consists of 20 loads of steers, three loads of cows and two of stags and bulls. Latest reports from the shipment stated that the cattle were in excellent condition. The shipment consists of an entire trainload.

Additional shipments of sheep are expected from southern Oregon within the next few days. Thus far the market shows but little change in prices, and recent sales were made at \$5.75 for wethers of best. This is practically 25c under what former arrivals of equal quality sold at.

Today's run of livestock compares with this day in recent years as follows:

Hogs, Cattle, Sheep	287
1910	98
1909	140
1908	140
1907	225
1906	184
1905	30

A year ago today there was a firm tone in cattle and hogs but sheep were weak. No change in prices was shown for the day.

FALLIERES TO COPY KING.

Solves Puzzle of Costume to Wear Climbing Mt. Blanc.

Paris—President Fallieres and his master of ceremonies, M. Mollard, have been worrying themselves over a novel clothes problem.

The president will shortly visit the Alpine town of Chamonix, and will make an excursion to Mount Blanc. This will be an official visit and what to wear on the occasion was the perplexing question. According to custom M. Fallieres ought to wear evening dress and a silk hat, even in the forenoon.

The absurdity of such a rig on a mountain trip was apparent, so the president decided that a special costume must be devised. His tailor submitted patterns of suits worn by King Edward at Marienbad and M. Fallieres made his choice. A white waistcoat will be worn with the suit, so as to give it a certain "official" appearance.

FRONTIERSMEN FOR U. S.

Major Vincent Says He'll Organize Corps Like British.

London—According to Major Vincent of the United States Engineer Corps of America is to have a legion of frontiersmen, organized on the British model. Major Vincent announced at a frontiersmen's concert in London that he intended to raise a similar corps in America. He added that a condition of enlistment in the proposed corps would be that the men should if necessary, fight for England but never against her. The British Legion of Frontiersmen is a semi-military body some thousands strong, quite self-supporting and consisting of colonials and others who have gained experience as scouts and guides. They undertake to fight for the British empire in any part of the world.

DIVORCE CASES INCREASE.

More Husbands Seek Courts in England Than Elsewhere.

London—Sir John Macdonnell's report on the business of the law courts just issued, shows that petitions for dissolution of marriage in 1908 numbered 845, an increase of 112, while those for separation decreased from 85 to 67, the lowest figures since 1868. His figures prove a growing dislike of resort to judicial separation, a remedy which is used chiefly by wives and the preponderance of petitions for divorce by husbands. In this respect England differs from almost all other countries—for example, France and America. There is, however, an increase in wives' petitions for dissolution of marriage.

Only 25, Thrice a Bride.

New York.—Announcement is made of the third venture in matrimony of Miss Ethel Stanton, daughter of Mr. and Mrs. George S. Stanton of No. 21 Prospect place, Brooklyn. She was married on March 10 to William J. McCormick, formerly of Syracuse, but for many years residing in Newark. Miss Stanton eloped with William Rivers when she was sixteen years old.

THE WHEAT MARKET

PORTLAND MARKET LOSES ONE CENT FOR ALL GRADES

Club Is Down to 83c Track and Bluestem to 85@86c—Everyone Waiting for the Market to Settle — Shorts Stamped in Chicago.

Portland, May 3.—A loss of 1c a bushel is shown today in local wheat quotations, but even at the lower range no business is reported. Club is quoted at 83c and bluestem at 85@86c a bushel, track delivery, tide-water.

"The grain trade could not be quieter than it is today," said a well known interest this morning. "There is absolutely no business in sight, and lower prices fail to give forth any promise. It is quite likely, however, than an improved trade would be shown here providing markets acted stronger."

Flour market is quiet, with no change in prices.

Wheat Market Up.

Chicago, May 3.—Shorts became stampeded in the wheat market today and the closing was 1-4 to 3c a bushel higher than yesterday.

It was the strong cash situation at home and the sharp advance in Liverpool futures that called out the big short covering movement in the options here today.

Liverpool advanced 1 to 1-1/4d above yesterday after opening with an advance of 1-4d. The decrease of 984,000 bushels in the foreign visible supply of wheat, while small, tended to show that wheat supplies abroad were not nearly as great as has been generally believed heretofore.

At home there was an advance of 2c a bushel in the price of cash wheat at St. Louis, while from Minneapolis came word that the cash situation was very strong and was increasing in activity. Kansas City was very strong and was increasing in activity. Kansas City was firm for cash wheat and prices advanced about 1-2c a bushel.

Cash wheat—No. 2 red, \$1.08 3-8@1.10; No. 3 red, \$1.01@1.09; No. 2 hard, \$1.08@1.14 1-2; No. 3 hard, \$1.04@1.09; No. 2 spring, \$1.04@1.09.

ARTIST'S WIFE SICK OF FIRE-EATING ADMIRERS

Paris—Mrs. Tom Hood, wife of a well-known American painter living in the Avenue du Bois de Boulogne, is ill from the effects of a highly interesting romance in Switzerland.

Mrs. Hood spends the greater portion of each winter at West Moritz while her husband goes south to paint. This year she made the acquaintance of two officers, one in the Austrian and the other in the Swiss army. Both men fell desperately in love with the vivacious little lady. She is accustomed to the good-fellowship of Bohemian circles and accepted the attentions of the men very much as a matter of course and then forgot them both.

Like a bolt from the blue sky the information was hurled at her one morning that the men had quarreled over her and were about to fight a duel. She being a sensible American, did not faint or indulge in hysterics, instead she put on her hat and went forth and arrived on the scene of action just in the nick of time. She treated the men with a little lecture of common sense and left them under no illusions regarding her feelings toward them. Indeed, to put it bluntly, she told them to behave and go home.

They behaved for a little while, but the rivalry again broke out, and she was forced to return to Paris to escape their importunities. Mrs. Hood is pretty tired of military men, especially those belonging to the armies of Austria and Switzerland.

No Saloons Near Indians.

St. Paul, Minn.—Saloons in all the Mahomedan county, and in sections of Beltrami, Cass, Clay, Crowwing, Otter Tail and Wadena counties, have been notified by William E. Johnson, chief special officer in the government Indian service, to close their doors by May 10th.

The order issued by Agent Johnson affects about seventy towns, a majority of them in territory not heretofore affected by the government order.

It is the most drastic of the orders issued since the special agent of the government began the campaign to enforce the provisions of the old Indian treaties in the northern country, and to prevent the sale of liquors to Indians.

In our passage from existence to existence we cannot remember the past or imagine the future.

FAIR EXCHANGE.

A New Back for an Old One—How It Can Be Done in Pendleton.

The back aches at times with a dull, indelible feeling, making you weary and restless; piercing pains shoot across the region of the kidneys and again the loins are so lame to stoop is agony. No use to rub or apply a plaster to the back in this condition. You can not reach the cause. Exchange the bad back for a new and stronger one. Pendleton residents would do well to profit by the following example.

Mrs. Putnam Yeck of Elgin, Ore., says: "I had known of the merit of Doan's Kidney Pills long before I had occasion to use them. When suffering from an attack of lame back, accompanied by pains through my kidneys, I procured a box and began their use. If I sat long on one position the pains were always more severe and I experienced a languid, dizzy feeling upon first arising in the morning. Doan's Kidney Pills banished the backache, regulated the passage of the kidney secretions and helped me in every way. I cannot express my gratitude to Doan's Kidney Pills for the benefit they gave me."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

From Harem to America.

Altoona, Pa.—Distinguished for having once escaped from the harem maintained by old Sultan Abdul Hamid, Lek Atachas, aged 40 years, a comely Greek woman, was one of the 1000 immigrants who passed through here on her way west over the Pennsylvania railroad. She has had a stirring life.

The daughter of a Greek, she was kidnapped by her father's enemies in Constantinople when aged 3 years and kept a prisoner until her eighteenth year. She was given a fine musical education, and after her husband was killed in a duel entered the sultan's household as a music teacher, only to discover herself a member of the harem, from which she is said to have escaped during the political eruption through a third-story window with a rope.

Going to St. Petersburg, she earned enough money to come to America to live with an aunt in San Francisco.
