John D. Rocketteiler would go broke if he should spend his entire income trying to prepare a better medicine than Chamberlain's Colic, Cholera and Diarrhoea Remedy for diarrhoea, dysentery or bowel complaints. It is simply impossible, and so says every one that has used it. Sold by all dealers.

"WINE, WOMEN AND SONG" BOOKED AT THE OREGON

Mortimer M. Theis's gorgeous production of that sparkling musical comedy "Wine, Women and Song" with that famous beauty Bonita as the star, which attained such popularity during its run of 409 nights at the Cretes theater, New York city, will be the offering at the Oregon theater, Tuesday, May 10.

"Wine, Women and Song" abounds in pretty music and sterling stage successes of extraordinary merit. Particular attention should be called to the Bonita gown, ten in number, all made in France, the latest gown Bonita purchased from Ediel of Paris, is the Chanteclair gown, the only one at the present time in the United States. This is the gown that the French people went crazy over, and Bonita is the only woman in this country wearing one. Bonita will imitate the Christy

girl, during the action of the first act of this musical hit. Lew Horn is still Bonita's leading comedian, and will be seen as the funny little sheriff, the part he originated during the New York run. James Mullen, David Jones, Allan Coogan, will assist Mr. Horn in the fun making line, while the impersonations of Robert Mantel, David Warfield, Geo. M. Cohen, Maud Adam, Blanche Bates, are retained. Twenty Bonita song hits will be introduced, many of them will be whistled and hummed on the streets, in the clubs, street cars, in fact all over town, long after the engagement of "Wine, Women and Song" is over here. Seats will go on sale Monday, May 9, at 10 a. m. The indications are that Bonita will play to a capacity house.

The splendid work of Chamberlain's Stomach and Liver Tablets is daily coming to light. No such grand remedy for liver and bowel troubles was ever known before. Thousands bless them for curing constipation, sick headache, biliousness, jaundice and indigestion. Sold by all dealers.

WOMAN LAND OWNER SOUGHT BY BACHELORS

Spokane, Wash.—Bachelors at Springdale, in the southern part of Stevens county, Wash., north of Spokane, have lined up to win the heart and hand of Miss Mabel D. McNickel, formerly of Chicago, who won first choice of the homesteads in the Spo-

kane reservation land lottery here last August. She has already received a half dozen proposals, but declined all for the simple life on her ranch. Miss McNickel has just completed a cozy bungalow on the bank of the Chinochee river, three miles south of Springdale, where she has set three acres to crops. The front yard is dotted with flower beds, and arrangements are under way to develop the rest of the tract, which comprises 149 acres of rich agricultural land. Miss McNickel will be joined by her mother and brother in a short time. It may be mentioned that her brother is a star athlete, standing six feet two inches in his boots. Mrs. McNickel said recently in an interview that "nothing less than a millionaire will do for Mabel."

Foley Kidney Pills are antiseptic, tonic and restorative and a prompt corrective of all urinary irregularities. Refuse substitutes. Koeppen Bros.

ONLY FERRY WOMAN IN THE NORTHWEST

Spokane, Wash.—Eva L. Canfield of Grangeville, Idaho, has received a license from the commissioners of Idaho county to operate a toll ferry on Salmon river below the mouth of Whitebird creek, thus giving her the distinction of being the only ferrywoman in the northwest.

Miss Canfield is thoroughly familiar with the stream, is an accomplished oarswoman and is popular

with the residents of the district, which means much for the success of her venture. She will establish a fully equipped freight line to handle passengers and freight and hopes in this way to earn her living. She will be pilot of the craft until it is put upon a basis where it will bring sufficient revenue to warrant the hiring of additional help, in which event her assistants will be a woman. The work of loading and unloading will be done by men, one or more being stationed on each side of the river.

DESTINED FOR PENDLETON, TRUNK GOES TO SPOKANE

Salem, Ore., May 4.—The George F. Eberhart company, of San Francisco, has filed a complaint with the Railroad Commission against the O. R. & N. co., in which it is alleged that their traveling salesman was compelled to wait a month for a trunk which had been shipped to Pendleton, Wash. The Eberhart company put in a claim for \$160, which the railroad company refused to pay, and the Commission is now asked to take the matter up.

Foley's Kidney Pills contain in concentrated form ingredients of established therapeutic value for the relief and cure of all kidney and bladder ailments. Koeppen Bros.
