### COAST LEAGUE.

**Vernon 3; Portland 0.**  
Portland, Ore., May 6.—Vernon shut Portland out yesterday in the opening game of the series by a score of 3 to 0. This was accomplished in the face of the fact that Gregg pitched a splendid game, striking out 13 men and that Portland batted Schaefer unmercifully. Both teams were unfortunate in bunching hits, but while Vernon took advantage of some of their opportunities, the Portland boys acted as though in a trance while running bases. Score: R. H. E. Vernon 3 6 3 Portland 0 5 2 Schaefer and Brown; Gregg and Fisher.

**Oakland 2; Sacramento 0.**  
Oakland, Cal., May 6.—Oakland crowded the bases in the third inning at Freeman's Park yesterday and then defied Nourse, the Sacramento twirler, to put the ball over the plate. Four wide ones were tossed to Wolverton, forcing Cameron home. After Cushman's score Nourse was called to the bench and Whalen held the Oaklanders in check for the remainder of the session. Christian pitched a nice game, scattering six easy hits through the nine innings. Score: R. H. E. Oakland 2 4 1 Sacramento 0 6 1 Christian and Mitze; Nourse, Whalen and La Longe.

**Angels 5; Frisco 3.**  
Los Angeles, May 6.—Everybody on the Angels' side lit on Ames delivery at Chutes Park yesterday. Thirteen hits were made off the Seal pitcher and Los Angeles won 5 to 3. Nagle yielded ten hits but the men behind him played an errorless game and won. Score: R. H. E. Los Angeles 5 13 0 San Francisco 3 10 1 Nagle and Orendorff; Miller, Ames and Berry.

**Northwest League.**  
**Vancouver 2; Seattle 1.**  
Vancouver, B. C., May 6.—A record breaking crowd saw the Vancouver team celebrate the opening of the local Northwest league season yesterday by defeating Seattle 2 to 1 in a 10-inning game. President Lucas and Vice President Hayward of the league were in attendance, and Mayor Taylor pitched the first ball. In the first inning a triple by Swain and a single by Flannagan gave Vancouver a start, but Seattle tied the score in the fifth on a pass, a sacrifice and Custer's single. Seaton threw his own game away in the tenth. Capron hit an easy grounder to the pitcher and, after sitting down in fielding it, Seaton threw the ball wide to first, Capron going to second. The Scharnwaber came through with a single to left and the game was over. Score: R. H. E. Seattle 1 4 3 Vancouver 2 5 1 Seaton and Custer; Gardiner and Sudge.

**Tacoma 2; Spokane 1.**  
Spokane, May 6.—With Tacoma one run to the good in the ninth, Weed on second and one out, Keener, sent in an emergency hitter for Flood, shot the ball on a line plunk into Jansing's mitt for an easy double, ending the game. Score: R. H. E. Tacoma 2 4 3 Spokane 1 6 2 Schmutz and Byrnes; Killip and Brooks.

### WHITE PLAGUE FIGHT STARTS AT CAPITAL

Salem, Ore.—At a meeting of the state commission for the treatment of pulmonary tuberculosis at the capitol Thursday morning plans were discussed and eventually adopted for the remodeling of the old mute school so as to provide for an administration building for an open air sanitarium to be established at that point. The mute school is now moving into the hands of a new structure near Salem on the north and it is expected the open air sanitarium will be ready for occupancy by September.

It has not yet been definitely decided what are the best cottages for the treatment of tuberculosis patients but those in charge of the institution will make a decision soon and then the board will order a number of cottages constructed. Plans for these cottages were also discussed but final plans will be left to Superintendent Clements and his assistants.

### Whitman 4; Pullman 7.

Pullman, May 6.—Whitman lost the game to Pullman in the sixth inning yesterday when the Missionaries went up in an aeroplane, allowing the farmers to bunch hits and force six men across the platter. The final score was 7 to 4 in favor of the Washington State college, although they secured but 9 hits off Bell, and the Whitman lads were credited with the unlucky 13 hits off Patton, the star twirler for the Aggies.

It was in the fatal sixth that the game went glimmering. The Pullmans bunched their safeties, and before the Missionary workers could stem the tide, six huskies had left their foot-prints on the sands adjacent to the diamond four-spot. Both teams played a remarkable game, with the exception of the one inning in which Whitman lost the game, errors having been taboed in all but the ninth supplement.

tomorrow in the tri-state meet. The team has been picked as far as possible by competitive trials on the covered track as the regular track has been too heavy. Though Oregon has sent far stronger track teams into the tri-state meets, this year's team is a good all around, well balanced aggregation, as was shown by its walking away with the recent Columbia meet.

The Oregon team will return immediately and leave Tuesday for California where it will participate in the inter-state meet to be held at Berkeley May 14. After that the bunch will meet Oregon Agricultural college in Eugene, May 21, and Washington state college, May 28.

The men finally selected to take the Seattle trip were: 100 yards, Kay and Johns. 220 yards, Kay and Johns. 440 yards, Johns and McDaniels. 880 yards, Riddell, Mite, McClure and Riddell. Two mile, Henry and McClure. High hurdles, Hawkins and Latourette. Low hurdles, Hawkins and Latourette. Broad jump, Kay and Hawkins. Pole vault, Williams. Shot, Kellogg and Neal. Hammer, Kellogg and Neal. Discus, Kellogg and Neal. Relay, Johns, McDaniels, Elliott, Riddell and Kay.

**Indian Ball Player Injured.**  
Toledo, Ore.—Peter Casey, while working at the Siletz sawmill, nine

miles north of Toledo, was injured Wednesday by having a pile of lumber fall on him. One leg was badly crushed and it is doubtful as to whether it can be saved or not. Casey, who is an Indian, was formerly pitcher for the Chemawa ball team.

### STRANGE PRACTICES DISCLOSED IN RAID

New York—It was a strange story which Detective Callahan told the police court in describing the raid the other night on the Mystic Temple of "Om," a young man who is entered on the police records as Pierre A. Bernard, a native of Indiana. "Om" was arraigned on the charge of abduction after the detectives had found him in a luxuriously appointed house, where he taught physical culture and languages, surrounded by a number of pupils, mostly young women. Some of his girl pupils said Bernard represented himself as a "swami" from India.

"When I pushed open the parlor doors," Callahan testified at the hearing, "Bernard was standing on a glass globe that was on a hair mattress in the center of the room. He was going through some peculiar gyrations. Five girls and several men, all in bathing suits, were gathered around him trying to repeat the movements."

Miss Zela Hopp said she went to Bernard's place last October and consulted him about a method of curing her of heart weakness. Bernard told her she must come to the place and

stay for a time, which she did, first paying him, she testified, a fee of \$100.

Miss Hopp told the magistrate that Bernard had a peculiar influence over her and that she believed he had hypnotized her. She made grave charges against Bernard.

While she was in the place she met Miss Gertrude Levy of Tacoma, Wash., another "student," and when she got out she thought she ought to advise Miss Levy's sister, a Mrs. Hanford of Tacoma, of what was going on. Her letters brought Mrs. Hanford to New York and the two women complained to the police.

Bernard was held in \$15,000 bail.

### EUGENE, ALSO, HAS HER CENSUS TROUBLES

Eugene, Ore.—There are many evidences that the census enumerators are not making a thorough count of the people of Eugene, and a mass meeting of citizens has been called by President Yorlan of the Commercial club, to be held next Monday night to take steps to count as many people as possible, as was done by the citizens of Portland. The enumerators have until May 15 to finish their work in Eugene, but most of them have reported that they have covered their respective territories. Dozens of people have phoned the Commercial club and the newspaper offices that they have been missed by the enumerators, and it is because of this that the meeting is to be called.
