## Was Cured by Lydia E. Pinkham's Vegetable Compound

Elwood, Ind.—"Your remedies have cured me and I have only taken six bottles of Lydia E. Pinkham's Vegetable Compound. I was sick three months and could not walk. I suffered all the time. The doctors said I could not get well without an operation, for I could hardly stand the pains in my sides, especially my right one, and down my right leg. I began to feel better when I had taken only one bottle of Compound, but kept on as I was afraid to stop too soon."—Mrs. SARIE MULLEN, 2728 N. B. St., Elwood, Ind.

Why will women take chances with an operation or drug on a sickly, half-hearted existence, missing three-fourths of the joy of living, when they can find health in Lydia E. Pinkham's Vegetable Compound?

For thirty years it has been the standard remedy for female ills, and has cured thousands of women who have been troubled with such ailments as displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, indigestion, and nervous prostration.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Mrs. Pinkham at Lynn, Mass., for advice. Your letter will be absolutely confidential, and the advice free.

## NATURE'S WARNING.

Pendleton People Must Recognize and Heed It.

Kidney ills come quietly—mysteriously.

But nature always warns you. Notice the kidney secretions. See if the color is unhealthy—If there are settlements and sediment. Passages frequent, scanty, painful. It's time then to use Doan's Kidney Pills.

To ward off Bright's disease or diabetes.

Doan's have done great work in Pendleton.

C. Beale, 300 Aura street, Pendleton, Ore., says: "Doan's Kidney Pills gave me freedom some six years ago from kidney trouble and lameness in my back from which I suffered for a long while. I was also greatly annoyed by the too frequent passages of the kidney secretions, especially during the night when I was forced to arise several times. A short use of Doan's Kidney Pills, procured at the Pendleton Drug Co., relieved me of all these difficulties and at that time I gave a statement recommending them. Many persons have since called upon me, wishing to know if the endorsement were true and I have always advised their kidney sufferers to use Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

# SPRING LAMBS MAKE A SUBSTANTIAL RISE

## NORTH PAYS EIGHT DOLLARS IN YARDS

Advance of 50c Is Paid Over Former Range of Prices—Cattle and Hogs Are Quoted Steadily by Commission Men.

Portland Union Stockyards, Stockdale, May 5.—There was an advance of 50c in spring lambs this morning and mixed sheep show a rise of 25c over previous sales. Two lots of mixed stock went at \$6 today and a bunch of spring lambs was sold at \$8. The later averaged 56 pounds and were sold to northern parties.

Considering the extent of the sheep run during the past 48 hours, the prices obtained during the various sales were very good and shows that the killers were really famished for supplies.

Hogs and cattle remain at previous quotation. A sale of swine was made at \$10.00, while contract steers went at \$6.50 and cows at \$5.50.

**Among the Shippers.**  
Cattle—C. G. Adams from Lebanon, one load of mixed. W. J. Beemer from California, with three loads. Charles Butler from Delano, Calif., with three loads. W. J. Blake from Lone, Ore., with one load. Sheep—L. E. West from Oakland, Ore., with five loads. L. E. West from Roseburg with two loads. S. B. Wright from Elminio, Cal., with six loads. P. E. Batton from Halsey, Ore., with one load. W. J. Beemer from California, with two loads.

Today's run of livestock compares with this day in recent years as follows:  
Hogs—Cattle, Sheep  
1910 ..... 177 310 2061  
1909 ..... 40 450  
1908 ..... 323 53 2895  
1907 ..... 140 327  
1906 ..... 50  
1905 ..... 94 48 737

A year ago today there was a firm tone in hogs and cattle but sheep were weak at unchanged prices.

Today's range of livestock prices:  
Cattle—Best steers, \$6.25@6.50; good steers, \$6; common steers, \$5.75; cows, best, \$5.25; fancy, \$5; helpers, \$5.25; stags, \$2.50@3; bulls, \$2.50@4.50.

Hogs—Best east of the mountains, \$10.00; fancy, \$10.25@10.50; stockers, and feeders, \$9.  
Sheep—Shorn, best wethers, \$5.75@6; ordinary wethers, \$5.50; spring lambs, \$7.50@8; ewes, \$4.75@5.  
Calves—Best, \$6.50; ordinary, \$5.50@5.75; poor, \$3.75@4.

## STOCK HOGS ARE VERY SCARCE IN INTERIOR

Pullman, Wash.—Wheat is still on the toboggan slide here and has reached the lowest price in three years. Buyers are offering 63 cents for red wheat and some is being sold at that price. This is a drop of 37 cents from the high mark reached during the winter, when red wheat sold for \$1 per bushel. Bluestem is selling for 65 to 67c.

Farmers in this vicinity are seedling and have not time to sell. Dealers estimate that from 100,000 to 125,000 bushels of wheat are still being held near Pullman. Some farmers refuse to take the price offered and will hold until the new crop comes in. Lower prices for hogs, cattle and sheep are expected soon. Many farmers who have held their wheat are now trying to buy stock hogs with a view to feeding their grain to hogs, but stock hogs are scarce and hard to get at any price. As high as 15 cents per pound has been paid for young stock hogs, while brood sows being almost any price asked. It is not uncommon to see brood sows sold at public auction for more than good milk cows, and as high as \$50 has been paid at auction sales recently for ordinary looking brood sows. Many farmers sold all their hogs when the price of wheat went skyward last fall and are now trying to buy hogs to "get a new start" and are paying more than double the prices received when they sold.

Grass fed beef cattle are coming into the market now and there is a slight decline in prices, but there are not enough cattle in this part of the inland empire to supply the local demand and there is little prospect of any great decline in prices for at least two months.

Sheep cannot be bought at any price and mutton is an unknown luxury in Palouse country markets. Sheep shearing is now in full blast in the sheep country, and a heavy clip of excellent wool is being secured. No sales have been made and the tendency seems to be to hold for higher prices.

**Bad Leg Stops a Duel.**  
Paris—A duel has been suspended between Comte J. de Lesseps and Comte Just de Poligny, over an incident at the Paris horse show, now in progress at the Grand Palais.

Comte de Poligny came to blows with Comte de Lesseps over some question, the latter thereupon sent along his seconds.

A duel with swords was arranged, and took place at the Grande Jatte. After a brisk bout, the seconds of Comte de Poligny, who were the Baron Antoine de Brimont and the Comte du Cor de Damremont, asked to have the duel suspended, as their friend was suffering from a bad leg.

# THE WHEAT MARKET

## SHORT SALES AND COVERING EXCITE WHEAT MEN

Chicago Prices Close Sharply Higher After Decline at the Opening—Liverpool Gives the Early Weakness.

Chicago, May 5.—Intense short covering, counter short selling and liquidation all added to the confusion in the wheat market this morning, finally resulting in a rise of 5-8 to 1 5-8c a bushel at the closing.

Those who sold short at the start were quick to see the error of their ways and their rush to cover was spectacular and exciting while it lasted.

There was a weaker feeling and consequently loss in price abroad and this induced the early decline here.

Additional reports of Hessian fly damage came from Missouri fields and the news from Texas stated that serious damage had been done to the wheat crop there.

Cash wheat—No. 2 red, \$1.09 3-4@1.12 1-2; No. 2 red, \$1.08@1.10 1-2; No. 2 hard, \$1.09@1.12; No. 3 hard, \$1.05@1.10; No. 3 spring, \$1.09@1.11 1-2.

## GRANTS PASS WILL PAVE HER STREETS

Grants Pass, Ore.—After two years' effort on the part of the council and business men of the city, Grants Pass is absolutely certain of street paving. Contracts have been signed whereby the Warren Construction company will begin work at once in the laying of bituminous hard surface pavement. The telephone and electric power companies have quite a task on their hands in taking down and removing the telephone and power wire poles from the streets that are to be paved. All wires on Sixth and Front streets are to be placed under ground. The sidewalks will be widened to 12 feet, and ample provision made for taking care of the water. Instead of the present system of arc lamps for lighting the streets, cluster lights will be placed on iron standards at the corners. The metal posts for these will be manufactured at steel works.

The construction company promises to employ all the men and teams possible from the local field, and will give work for from 15 to 50 men, and almost half as many teams. As much of the materials also, as can be used from here, will be taken from the surrounding hills. Actual construction will be begun as soon as the streets are cleared. Two blocks will be paved at a time, and by the close of July a very great part of the paving will be done for this season. Petitions have been circulated, however, for additional pavement, and it is apparent that a still greater area will be laid next year.

Frost injury to strawberries has been slight and the commission men estimate the crop between 20,000 and
