NEWS OF THE NORTHWEST

Parkdale on Map.—The passenger and freight rates from Hood River to Parkdale over the Mount Hood railway went into effect on May 4 and traffic will begin in a few days. Parkdale is enjoying a boom and in a few years will be the center of a large and wealthy community.

Robs Drunk Man; Confesses.—North Yakima, Wash.—Troubled by his conscience, which he said gave him no peace, William Anderson of California has confessed that he had a part in a holdup in Seattle last week. He says he was drunk at the time. His story is that he and another man rifled the pockets of a third man whom they were taking home from a saloon.

Little Girl Killed in Runaway.—Bellingham, Wash.—Flossie Killep, 14 years of age, of Lawrence, a few miles from this city, was last night mortally injured in a runaway. She lver three hours after her terrible experience. She was left alone with the team for a moment when the animals became frightened and started to run. Her clothes caught on the wagon and she was dragged for some distance. Her body was horribly maimed.

Crop Prospects Never Better.—The Dalles, Ore.—Nearly half an inch of rain fell in two hours Monday afternoon. The ground here is wetter now than known for many years at this season, which is very favorable for crops. Farmers say they have never had better crop prospects for abundant grain crops, and orchardists find their trees so loaded that thinning of fruit of all kinds is necessary, and this is giving employment to many laborers. Fruits are maturing nicely, and early cherries have already been brought in, but not in sufficient quantities to be offered in the stores.

S. P. Train in Ditch.—Eugene, Ore.—The Shasta Limited, northbound, due in Eugene at 10:15 a. m., left the track at Junction point, a half mile out of Eugene's city limits Tuesday morning and the greater part of the day was required in getting the cars back on the track. The accident occurred on a high grade. The track was badly torn up, the ties being demolished and the rails twisted and bent. All of the china-ware in the diner was broken. The sleepers tipped at an angle of eight degrees but no one was injured, but those in the front cars were badly shaken up. After the cars had left the track the train ran about 300 feet before it was stopped. The ground was soft on account of the heavy rains Monday night.

Grants Pass Rose Show.—Grants Pass, Ore.—Preparations have been made for the biggest rose show and carnival ever held in Grants Pass. The event will occur on May 24 and 25, under the auspices of the ladies' auxiliary of the Commercial club. Handsome prizes will be awarded for roses and the awards are classed so that everyone will have an opportunity, not only to display, but to win. There is an unusual abundance of roses here this season. They have been in full bloom for over two weeks. Besides the rose show itself, there will be a parade of decorated motor cars, rigs and turnouts, with humorous features sprinkled in. There will also be a championship baseball game between southern Oregon nines, a program of music and song, a supper and a ball.

NEW PRESBYTERIAN CHURCH FOR WALLOWA

Wallowa, Ore.—Work will be commenced at once on the new \$6000 Presbyterian church. The Howland Contracting company of Newberg, Or., has been awarded the contract. The old city council held their last meeting Friday night. After paying a number of bills the reports of the treasurer, recorder and marshal were received. Mayor Morelock, Recorder Baird, Treasurer Holmes and Councilmen Maxwell and Meehan were sworn in. Mrs. John McDonald left Tuesday morning for La Grande, where she will form one of a party who will make an extended trip through the east and attend the world Sunday school convention at Washington, D. C., and the general assembly of the Presbyterian church at Atlantic City, N. J. The party is composed of Mrs. McDonald, Mr. and Mrs. A. C. Polley of Enterprise, Dr. and Mrs. Seeman, Mrs. McMillan and Mr. and Mrs. R. E. Smith of La Grande.

NOVELIST TURNS AVIATOR.

Aeroplane Constructed for Him by Farman to Practice Flying.—Rome.—Gabriel d'Annunzio, the famous novelist and playwright, who has written a novel dealing with aviation has taken a trip as passenger in Wilbur Wright's aeroplane, is now planning to be an aviator himself. He leaves shortly for Paris, where he will take lessons in flying in an aeroplane. The machine has been constructed for him by Henry Farman. When d'Annunzio has become proficient in piloting the aeroplane, it will be taken to his home at Pisa, where he hopes to astonish the natives with his flights.

UNITED STATES LEADS ALL IN MANUFACTURING

Washington.—In the rapid development of the world's manufacturing industries the United States is leading her three principal competitors—Great Britain, France and Germany. This is evidenced, according to the calculations of the Bureau of Statistics of the Department of Commerce and Labor, by the immense increase

S.S.S. CURES OLD SORES

"I CAN TRUTHFULLY SAY S.S.S. IS A CERTAIN CURE FOR OLD SORES, BECAUSE IT CURED ME OF A BAD ULCER, ON WHICH OTHER TREATMENTS HAD NO EFFECT."

This extract from the testimonial we publish below, will receive the endorsement of thousands of other persons who have used S. S. S. for sores and ulcers.

Every old sore comes from some kind of impurity in the blood. S. S. S. cures on the simple principle of removing the cause of the sore or ulcer and allowing nature to heal the place. When we think for a moment we realize that every portion of the body and system is dependent on the blood; that it is the circulation which nourishes all flesh tissues, and preserves their natural health. Thus we can readily understand why impurities or poisons in this vital fluid will infect and disease the flesh at some particular spot, and by continually discharging impurities into it, keep the place open, raw or inflamed. It would be against every law of reason to expect the sore to heal while the blood constantly deposits into it the infectious matter with which it is contaminated.

There is a simple way to cure old sores, and it is the only way—remove the cause from the circulation. External applications of liniments, plasters, lotions, salves, etc., can never produce a cure, because such treatment does not reach the blood, where the cause is located.

S. S. S. heals old sores because it is the greatest of all blood purifiers; it goes into the circulation and removes the cause from the blood. When the blood has been purified there is no longer any inflammatory impurity or infectious matter to irritate the place, and nature causes the natural and certain healing of the ulcer. When S. S. S. has cleansed the blood and the place is once more well, it is not a surface cure, every vestige of the old cause has been driven out and the place is solidly and firmly healed from the bottom to the surface. S. S. S. is made entirely of healing, cleansing roots, herbs and barks, and contains no trace of mineral. It is a medicine adapted to persons of any age, and is just as effective with the old as with the young or middle aged.

Under the purifying and tonic effects of S. S. S. the system is built up, and those whose health has been weakened by the drain of an old sore will be doubly benefited by its use. If you wish to know anything specially about your case write us. We will answer you fully, and will also send our book on Sores and Ulcers—no charge for either book or advice.

NEWS NOTES OF GURDANE VALLEY

(Special Correspondence.)
Gurdane, May 10.—Evan Troxel came up from Frank Chapman's sheep ranch on Butter creek last Sunday. William Troxel came up from J. D. French's cattle ranch last Sunday and was seen at the Gurdane store. Charles McDivette of this valley, went to Mr. McCracken's at Nye on business last Saturday. On Sunday, May 8, a crowd of men, women and children attended Sunday school after which they all went for a picnic. The women fixed the lunch for this picnic and all went to the edge of the timber and set dinner and after dinner they enjoyed themselves by playing some sociable games. There were two rigs and four on horseback. The following were included in the party: Mr. and Mrs. James Hall, Mrs. John Ogle, Mrs. Charles Ely, Mr. and Mrs. Dan Hicks, Evan Troxel, Mrs. Charles McDivette, Earl Morton, Bertha Ogle, Miss Simpson, Floyd Hall, Ruby Ogle, Belle Ely, Artie Corley, Isaac Ogle, Mabel Ogle, Effie Hicks, Hazle Ely Joie Doherty, Gladys Ogle, Charles Ely, Jr. Miss Mable Simpson was the guest of Mrs. J. L. Hall last Sunday night. Carl Kirk of Ukiah, has been working for Mr. Ely, but went to his home last Saturday.

State of Ohio, City of Toledo, Lucas County, ss. Frank J. Cheney makes oath that he is senior partner of the firm of F. J. Cheney & Co., doing business in the City of Toledo, County and State aforesaid, and that said firm will pay the sum of ONE HUNDRED DOLLARS for each and every case of Catarrh that cannot be cured by the use of Hall's Catarrh Cure. FRANK J. CHENEY. Sworn to before me and subscribed in my presence, this 6th day of December, A. D. 1896. A. W. GLEASON, Notary Public. (Seal) Hall's Catarrh Cure is taken internally and acts directly on the blood and mucous surfaces of the system. Send for testimonials free. F. J. CHENEY & CO., Toledo, O. Sold by all Druggists, 75c. AT THE THEATER.

"Wine, Woman and Song." Of all the attractions—dramas, melodramas, comic operas and amateur theatricals—which have appeared at the Oregon theater during the present season, there has been none which has won the audience as soon or completely as did "Wine, Woman and Song," which was the bill last night. As an entertainment, the piece is not to be classified in any one of the distinct departments of stageland. It makes no pretensions to having a central theme about which the whole is woven. Properly speaking, it consists of three vaudeville sketches and is described as a "satirical, farcical musical review."

ing that the other two were not comparatively as good. The burlesque on a mingling of stage celebrities in which many of the leading footlight stars were introduced was a rare creation as an applause producer, and incidentally there appeared in the cast a larger array of real talent than is generally seen in one company. Bonita, the \$10,000 beauty, was certainly a joy to look upon. With a perfect figure and a face of a bold type of beauty, she held the admiration of the audience throughout. But it is well that the company exploits her beauty rather than her voice or ability as an actress or there might be some disappointed hearts left behind. As the Christy Girl, Bonita was superb, and her beauty was greatly accentuated throughout by her exquisite gowns. However, the famous Chantecler creation, which figured largely in the advance notices, was not exhibited to the Pendleton

people. Evidently the cookadoodie garment had gone to roost before the last act arrived. Among the many features which won the applause of the audience, were the toe dancing of Miss Mamie Walker as Mlle. Genee, the eccentric clog dancing of Alan Cook as Geo. M. Cohan, the pony ballet and the rope dance, the Christy Girl pictures, and the travesties on Three Weeks and the Merry Widow waltz. Among the songs which caught the fancy of the crowd were "My Friend, Jimmie Da Jeff," by David Jones, "Mendelssohn's Spring Day," by Bonita, and Lew Hearn, and "Silvery Moon," by Bonita, Lew Hearn and David Jones. Notice. I. C. Snyder has bought the Vaughn Finch tree spraying machine and is able to do all kinds of spraying. Phone Red 3212.
