W. W. Harrah, the well known farmer, has just received word of the death of his brother, Harvey Harrah at his home in Gallitan, Missouri.

Will Play at Athens.
The Pendleton baseball team goes to Athens tomorrow morning for a contest with the team from that town. Pilot Rock and Weston will play at Weston. Harlan will be in the box for Pendleton.

Marriage License Issued.
A marriage license was issued today to B. Gains and Mabel Cushman, both of Milton. The groom-to-be is only 19 years of age and the consent of his father was therefore given to the marriage.

Washington School Wins.
The fifth spelling contest between the pupils of the Washington and Hawthorne schools was held yesterday afternoon and was won by the Washington school. This gives that institution three victories against two for the opposing school.

Shipping Indian Ponies.
Six carloads of Indian cayuses were shipped to Montana last evening over the Northern Pacific. The ponies had been collected from the reservation and purchased by James Jones, the well known horse buyer. All of the animals were small and of the poorest quality to be found in the county.

To Settle Water Rights.
Many Pendleton attorneys will go to Echo Monday to meet with State Engineer John H. Lewis and Water Commissioner Saxton for the purpose of adjudicating the water rights along the Umatilla river. Three days later a similar meeting will be held in Pendleton.

Shipping Sheep to Seattle.
Six car loads of sheep were shipped to Seattle this morning over the Northern Pacific. They consisted for the most part of spring lambs and were to be fed at Ellensburg enroute. Herbert Boylen of Pilot Rock was the shipper. Peter Ager expects to ship 14 or 15 car loads to the same market early next week.

Pupils Held Recital.
Yesterday the pupils of Miss Finney held a contest in scale work and each pupil played all the major and minor scales. The contest was awarded to Margaret Colesworthy. On Monday, Miss Finney's pupils are to give a recital for the benefit of their mothers. They will render the same program they have at a recital last Saturday.

Valuable Stallion Disfigured.
A black stallion belonging to A. D. Rhonimus of Cabbage Hill, was seriously disfigured for life, as he stood in the old Knowlton stable on Cottonwood street last night. Rhonimus had ridden the animal in from his Cabbage Hill ranch last evening and while the animal was standing in his stall he was slashed with a sharp knife in such a manner as to render him useless hereafter. Dr. D. C. McNabb was called but could only complete the work undertaken by the miscreant.

Bronco Busting Tomorrow.
A bronco busting contest has been arranged for tomorrow afternoon and will be held at the baseball park on West court street at 2:30. It is said that several bad horses have been secured for the occasion, one of them being the outlaw that threw every rider at the Athens contest. Another horse which threw three Indians in succession last evening will also be in the lot. Among the riders will be Billy Caldwell who won the first prize last fall and George Fletcher, the well-known colored rider.

Buerstette Is O. K.
Pilot Rock ball tossers are indignant over a roast that was given Umpire Buerstette in the last week's issue of the Pilot Rock Record, according to Manager Casteel of the Pilot Rock team. Mr. Casteel, in a phone message today to the East Oregonian praised the work of "Buss" and said that while all umpires are by nature imperfect as are other mortals, he made it apparent that the Pilot Rock team regards the umpire as very fair as umpires go.

Examining Fish Conditions.
Deputy Game and Fish Warden O. F. Turner, C. K. Cranston, secretary of the anglers association, Will Humphrey and Pat Murphy left this morning for the Cold Springs reservoir and dam in the Murphy automobile. They will investigate the reported trout conditions at the reservoir and will see if it is possible to get the starving fish back into the river. In addition to making a personal investigation of the actual conditions they will confer with Engineer Newell relative to the steps necessary to be taken.

Byron's Troubadours.
The Byron Troubadours are the finest musical organization I have ever heard. They were originally engaged for two concerts, but were so satisfactory that they have been re-engaged weekly for nearly two months. —Louis Dressel, Chicago.
