PASSAGE OF WITS AT GREAT BANQUET

Newspapers Describe Meeting of Rulers As Great Personal Triumph for Roosevelt—Occupies Seat of Honor With Kaiser Wilhelm at Banquet Given by King George—Teddy Wins Out in Contest of Wits

London, May 21.—Newspapers today describe the spectacle of the royalty of Europe, Asia and Africa, gathered while Roosevelt is at Windsor castle, following Edward's funeral, as "a wonderful personal triumph for Colonel Roosevelt." The American was the dominating figure at the luncheon and was the particular guest of King George, being assigned the place of honor with Kaiser Wilhelm. The luncheon was marked by a keen passage of wits, in which Roosevelt won. The kings poked him with questions of the hour, asking his views on American and European politics. He parried by asking questions regarding the duties of kingship as understood by the host and guests. The Roosevelt will remain until Monday.

SON IS BORN DEAD TO THE QUEEN OF SPAIN

Madrid, May 21.—Queen Victoria of Spain underwent an accouchement today and a son was born dead. The court physicians fear she won't live. The child was not expected until the end of the month. Alfonso is hurrying home from England, where he was attending Edward's funeral.

MANY DRUMMERS MEET IN TACOMA

Tacoma, May 20.—With all the hospitality of the city at their disposal the United Commercial Travelers of Oregon, Washington and British Columbia, 500 strong, had full possession of Tacoma today. Literally with rings on their fingers and bells on their toes the "drummers" reached the city at 11 a. m. and headed by bands paraded the city streets. The following officers were elected: Thomas W. Miles, Seattle, past grand councillor; T. R. Carlyle, Tacoma, grand senior councillor; H. I. Somers, Spokane, grand junior councillor; R. T. Phelps, Vancouver, B. C., grand conductor; W. W. Gordon, Portland, grand page; E. B. McMartin, Vancouver, B. C., grand sentinel; C. A. Whitmore, grand treasurer; Fred Beebe, Tacoma, grand secretary. Victoria was chosen as the 1911 meeting place over Portland. The delegates were entertained at a smoker during the evening, while the women attended the theater. The convention will close tomorrow with a grand ball at the Masonic temple.

OREGON DEFEATS AGGIES IN ANNUAL TRACKMEET

Eugene, Ore., May 21.—By a score 84 to 33, the University of Oregon defeated the Oregon Agricultural college in their annual track meet yesterday. The track was fast and several records were broken. Martin Hawkins of Oregon, tied the coast record in the 120 high hurdles, by making the time of 15 2-5. Three Northwest records were broken, Williams vaulting 12.3, breaking his former record of 11.9 1/2. The Oregon relay team made a new Northwest record, doing the mile in 3.27 2-5. Washington held it formerly at 3.29 4-5. Bergeman was the Aggies' star point winner, securing 9 points. Kelllogg, the Oregon star, won 13. The Aggies took four firsts and Oregon ten.

EX-GOVERNOR LOSES RIGHTS AS CITIZEN UNLESS PARDONED

New York, May 21.—Ex-Governor Frank West Rollins of New Hampshire was shorn of his citizenship when he pleaded guilty to the charge of attempting to defraud the government of custom duties according to Federal Attorney Wise today. To regain citizenship he must secure a pardon from the president. Rollins was indicted by a federal grand jury for failing to inform New York custom officers that he brought clothing and other articles, valued at \$4736 from Europe. He pleaded guilty yesterday. Judge Hand fined him \$2000 which he paid.

SULPHUROUS RAIN DUE TO CONTACT WITH COMET

Lemans, France, May 21.—A sulphurous rain fell today, a phenomena attributed to passage of the earth through the comet. The country is covered with a yellowish substance while the atmosphere is murky and of a sulphurous odor.

CHANGE IN COLTS' LINEUP TOMORROW

Frazier's colts will enter the game with Weston tomorrow with a couple of changes in the lineup which, it is considered, will materially strengthen their chances against the hard hitting mountaineers. Ward, a new man in town, who has just accepted a position with the Bowman Hotel will appear in the cage behind the bat, while Hans Collins will hover around the initial sack. Ward is a player of considerable experience and is credited with considerable reputation as a catcher. Two years ago he wore a Walla Walla uniform until he suffered a fractured leg, and since that time has been around Dayton.

Manager Frazier and the entire team feel that the fate of the league pennant rests upon the game tomorrow, and each aggregation will make a supreme effort to chalk up a winning margin. Although Weston lost to Athena yesterday, that defeat does not affect the percentage column as the game was not one of the scheduled. To the absence of the redoubtable Keefe at the receiving end of the battery was largely due the failure to capture a victory, for it is a well known fact that without him, the mountaineers are totally irresponsible. However he will be on hand for the big contest tomorrow.

The lineup for the game will be as follows:

Table with 2 columns: Pendleton and Weston. Lists players and their positions.

WORLD'S RECORDS GO AT PULLMAN MEET

Pullman, Wash., May 21.—Two world's records were tied and two northwest records broken at Pullman yesterday afternoon when the Farmers won the annual track and field meet with Whitman, 117 to 23. Two northwest records went by the boards when Stookey, Pullman, negotiated the two mile in 1:59 1-5. Jack Nelson, Pullman, tied two world records when he made the 100 yard dash in 9 3-5 and the 220 in 21 1-5. Bentley, Pullman, won the 440 while Dresser, Whitman, won the javelin, 143 feet, 10 inches and the 120 hurdles in 16 flat. Lewis Whitman, won the discus. Whitman never had a chance to win. The visitors left for home last night.

CLARA MORRIS DYING CALLS SOUBRETTE, HER COMPANION

MEETING OF GOOD ROADS ENTHUSIASTS

WILL BE HELD AT THE COURT HOUSE TONIGHT

Two Prominent Good Roads Leaders Will Address Local People at 7:30—All Interested Are Urged to Be Present.

If you are a believer in good roads and want to aid in the campaign for improving the highways of this county, then be at the court house at 7:30 this evening to attend the big good roads meeting to be held in the circuit court room.

As previously announced a good roads party consisting of Judge L. R. Webster, president of the state good roads association, and Mr. Eldridge, expert upon road making in the government service, will be here this evening to address local people. It is also possible that Dr. Andrew C. Smith, a prominent worker in the cause of improved highways, will also be here. Phone messages received yesterday from Dr. Smith stated he would come if possible and as he is a speaker of ability the local enthusiasts are hoping he will arrive this evening. But whether he comes or not the cause of good roads will be presented by Messrs. Webster and Eldridge.

Arrangements for the meeting this evening have been made by W. E. Brook, chairman of the roads and highways committee of the Commercial club and who is also a member of the city street committee.

At the session this evening, County Judge T. P. Gilliland will preside. The meeting will be open to the general public and all who are interested in the subject of good roads are requested to be in attendance.

FREEWATER PEOPLE WANT COUNTY SEAT AND WILL AID IN MOVE FOR "HUDSON" COUNTY

That people of Freewater feel kindly towards the proposition of creating "Hudson" county and will back that move in preference to "Orchard" county is indicated by the following letter from John S. Vinson, prominent pioneer resident of the east end.

Hon. S. A. Lowell, Pendleton, Ore.

Dear Sir:—Mr. Fred Evans asked me to convey to the promoters of "Hudson" county the appreciation of the City of Freewater, and while many of us are not in favor of the division of Umatilla county, we cannot refuse to support the proposition of establishing a county seat at Freewater. If you will have some of the petitions sent to this place we will attend to securing the required signatures to it. Would persons who signed the Orchard petition be legal signers to the Hudson county petition? Very respectfully,

At this time negotiations are underway for a conference between the divisionists and local people. Though no formal arrangements have yet been made it seems very probable that a meeting will be held within a few days. Letters expressing willingness to treat with Pendleton people upon the division subject have been received here.

CHAMP CLARK GETS WRATHY

Big Democrat Declares Legislative Branch is Surrendering to Executive.

DECLARES PROPOSED TARIFF COMMISSION IS A BLIND

Says it is Desperate Effort to Hoodwink People in Order to Postpone Their Verdict on Payne-Aldrich Tariff Bill—Declares Executive Branch is Encroaching on Legislative Branch—Declares Republicans Will Get Bloody Licking.

Washington, May 21.—Declaring the proposed tariff commission a plan to postpone the people's verdict on the Payne-Aldrich tariff bill, and denouncing the encroachment of the executive upon the legislative branch of the government, Champ Clark today in the house sounded the democratic keynote of the coming congressional campaign. Clark said the proposed appropriation of a quarter million of dollars annually for the support of a commission to hoodwink the voters. He said, "The creation of such a commission would be another startling illustration of how far the legislative branch has surrendered to the executive branch. The power of congress has steadily dwindled for a quarter of a century, while the executive amounts to imperial autocratic proportions." To the republicans he shouted, "You'll receive the bloodiest licking you have had since 1832."

One of the interest creating events of this morning's program was the five inning ball game between the second teams of Athena and Adams in which contest the home boys came out the victors by the score of 10 to 7.
