## FIRST GRADUATION OF HERMISTON HIGH

DR. BLEAKNEY AND SUPT. WELLES MAKE ADDRESSES

Latter Calls Attention to Great Growth of School During Last Four Years—Last Shipment of Government Machinery Leaves for Sun River Project.

(Special Correspondence.)  
Hermiston, Ore., May 24.—Last night the first students of the Hermiston high school were graduated, and also at the same time a number of eighth grade students. Dr. W. H. Bleakney of Pendleton academy, delivered a very excellent address to the graduates and following him County Superintendent Wells made a short talk, calling attention to the fact that on the 30th of this month it will be four years since the Hermiston school district was organized and in that year there was one teacher in charge and but a mere handful of pupils were in attendance. At the closing of this term there were six teachers employed and nearly 200 pupils in attendance. Next year several additional teachers will be employed and school will be held in one of the finest stone school buildings in the country, costing \$25,000.

W. T. Hoskins of Echo was over attending commencement exercises.

E. Embry and C. Hume Park came in last night from Clarkston, Washington, and will make Hermiston their future home. Mr. Embry's father and Mr. Park are owners of a fine twenty acre tract under the government ditch.

Yesterday the last shipment of government machinery left Hermiston for the Sun River government project in Montana. It consisted of two engines, 30 dump cars and several cars of steel rails. This machinery will have to be hauled 45 miles overland in order to get to the place they are working. All the balance of the machinery is now being used by Twoby Bros. in their work on the O. R. & N. company's lines.

### 90-YEAR-OLD MAN IS MARRIED FRIDAY 13

Gulfport, Conn.—George Durkin, the only man in town who saw Halley's comet on its last as well as its present trip, deliberately picked Friday, the 13th, to marry his housekeeper, Mrs. Cleveland Griswold, whose husband broke the United States record in obtaining a divorce when he was awarded his decree from her several months ago.

It took only five minutes for the judge to hear the story and sign the papers. Durkin is ninety years old and his bride is just half his age.

The couple walked to the Methodist parsonage where the Rev. Otis Range, pastor, performed the ceremony. Mr. Durkin is a civil war veteran and is wealthy.

He says that the marriage is the result of a comet courtship.

## WESTON SCHOOLS COME TO CLOSE

COMMENCEMENT EXERCISES ON TOMORROW EVENING

Final Exams Now in Progress—Weston People View Eclipse of Moon But Fail to See Halley's Comet—Other News.

(Special Correspondence.)  
Weston, Ore., May 24.—Final examinations are being held at the public school this week, and also in the high school. Commencement exercises of the seniors of the high school will be held Thursday evening, and a most attractive program will be rendered. The exercises will be held in the U. B. Church.

The total eclipse of the moon last night was viewed by many of Weston's citizens, and also Halley's comet was watched with the expectation of having a good view of this heavenly visitor, but owing to clouds forming just at the time that the moon was hidden when it was expected the view of the comet would be the best, the gazers were not permitted to any more than see a pale glimmer but to those who waited until about the time the comet set the view was more satisfactory.

### CHALLAPINE MAKES HIT IN NEW GRAND OPERA

Paris.—The sensations of the hour in Brussels were the appearance of the great Russian basso Challapine in Massenet's new opera of "Don Quixote," and of Frieda Hempel, the famous coloratura soprano with M. Smirnov, the wonderful Russian tenor in "La Traviata." Challapine's "Don Quixote" was a revelation. It was marked by poetry, picturesqueness and power. The opera itself contains many very vivid and beautiful musical episodes, but also much is sadly lacking in originality. The libretto by Henry Cain is only here and there based on the novel of Cervantes. In the opera, for instance, Dulcinea is an attractive and at times sympathetic courtesan, while the poor knight dies in the end of grief at the rejection of his matrimonial address.

**Household Remedies**  
are a blessing to the vast army of people who live in rural districts and such standard medicines as Lydia E. Pinkham's Vegetable Compound, which has stood the test of time, growing in popularity and favor every year, will continue to be the safeguard of American women for all diseases peculiar to their sex.

### GRAND DUCHESS NOW A MOTHER SUPERIOR

Moscow.—The widowed Grand Duchess Sergius, who is a daughter of Princess Alice of England and Grand Duchess of Hesse, has taken formal vows of devotion to the service of God and "love for one's neighbor."

The community of SS. Martha and Mary Sisters of Mercy, which she founded, and of which she is now Mother Superior, numbers forty-five members, including Princess Obolensky and other aristocrats. The Metropolitan of Moscow officiated at the service and bestowed upon the grand duchess the veil and cross of a Mother superior, removing the white veil and cypress of the ordinary sister.

The grand duchess' confessor presented her with icons of the SS. Nicholas and Alexandria and with the blessing of the Tsar and Tsaritsa.
