LITTLE BABY DIES OF HEART FAILURE

MILTON CHILD EXPIRES
IN ARMS OF MOTHER

Two Months Old Daughter of Mr. and Mrs. Jasper Sims Discovered to Be Dead When Family Arrives in Town Sunday—Other News Items from Milton.

(Special Correspondence.)
Milton, Ore., May 31.—One of the saddest deaths ever occurring in this city was that of Ernestine, the two months old baby girl of Mr. and Mrs. Jasper Sims. When the parents started for church Sunday morning the babe was well, and during the ride to town was apparently asleep. When they arrived at the home of Mrs. Sims' parents, the lady handed the babe to her father, Mr. Matt Hudson, who proceeded to unwrap it and kiss the little face, when he found that life had fled. A physician was at once summoned but it was no use. Heart failure was the cause of death. The suddenness of the death of their babe almost prostrated the parents. Funeral services were held from the Hudson residence at 10 o'clock this morning, the Rev. C. H. Hilton officiating. Interment was made in the I. O. O. F. cemetery in Milton. The sympathy of the entire community of Milton-Freewater is with the bereaved parents in this, the loss of their only child.

The wedding will be a quiet affair, only the immediate relatives and friends of the contracting parties being present. The ceremony will take place at the home of the bride's parents, Mr. and Mrs. J. A. Patrick. The couple will live in Eugene.

Mrs. L. B. Storm, Mrs. C. J. Wallingford, Mepha Walker, Miss Taylor and Ethel Dupre were Walla Walla visitors today.

The lecture given in the Christian church Sunday night by the Hon. Clinton V. Howard, was one of the best ever listened to by a Milton audience. The gentleman kept the house in an uproar by his wit and Milton have him a great ovation.

Effects of Drugs.
Persons employed in India rubber factories sometimes inhale bisulphide of carbon and suffer from frightful dreams of being murdered or of falling over precipices. Opium stimulates imagination; alcohol in excess excites dread and suspicion; hashish, from which the word assassin was derived, produces homicidal mania. These drugs have a distinct effect upon the moral sense. Sometimes, as from alcohol, a coarse and stupid brutality is stimulated, or, as from morphia, a gloomy and morose temper, or, as from cocaine, while the manner remains gentle, the victim develops thieving and lying habits.

Blind Justice.
We meet our philosophical friend and observe that he is smiling contentedly. "What has gone wrong now?" we ask. "Nothing has gone wrong," he explains. "Something went right. Spriggins owed Hennett \$10,000 and put his property in his wife's name so that Hennett couldn't collect." "But that isn't anything unusual." "And last night Mrs. Spriggins eloped with Hennett!"—Life.

Uncertainty.
"I am always horribly nervous when I buy a suit of clothes from a strange tailor."
"Yes; a person you don't know is hard to stand off."—Houston Post.

"What part?"

GERMANY EXHIBITING CIVIC BEAUTY PLANS

Berlin. — A very interesting exhibition has just been opened in Berlin; unique, too, of its kind as nothing like it has been attempted in any other country. Described briefly it is an assemblage of all that can direct the makers of cities in the laying out, building and organization of an ideal place of residence for populations, large or small. Plans, pictures, photographs and models of parks, streets and houses are to be seen, and not alone of the Greater Berlin of the future, which is even now engaging municipal attention in the German capital, but of cities like New York, Paris, Boston and Chicago. It is recognized in Germany that a great, and perhaps the chief glory of the nineteenth century, is the public awakening, which occurred during its last quarter, to the so-called "social question," and particularly that part of it which is concerned with the organization of towns with a view to dwelling, to transportation, and to the exploitation of the town's natural surroundings for keeping young and healthy its inhabitants of every class, down into the poorest.

ECHO WINS AGAIN FROM UMATILLA

TAKES DECORATION DAY
GAME AFTER 12 INNINGS

Makes It Two Straight from Tailenders by Capturing Yesterday's Contrast—Game Was Won and Lost Several Times—Other Notes.

(Special Correspondence.)

Echo, Ore., May 31.—By a superior article of ball Echo defeated Umatilla Sunday by a score of 5 to 0. The game was full of good playing on both sides, Laymen of Echo, only allowing two hits and having 9 strikeouts to his credit, while Umatilla's pitcher only allowed 4 hits and struck out 7 of the husky Echo batsmen.

Stung by defeat of Sunday they came back Monday with blood in their eyes and had the game cinched until the last half of the 12th inning when a timely two bagger by Gilbert which was followed up by another from Hoskins brought in the winning run.

The score stood 5 to 4 in Umatilla's favor in the first half of the ninth and was tied in Echo's half, Umatilla making two more in the eleventh and Echo tying in their half, and at the end of the 12th stanza the score stood 7 to 5 in Echo's favor.

After the game the firemen gave one of their fine dances which was well attended. Music by the Echo band.
