Kidney trouble has become so prevalent that it is not uncom mon for a child to be born afflicted with weak kidneys. If the

childurinates too often, if the urine scalds the ficsh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the diffi-culty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose. Women as well as men are made miser-

able with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-The

Owing to the fact that the weather is now getting warm, it was decided to make it a "shirt-waist" affair so that the men would not feel that it was encumbent upon them to wear dress suits and thus be too uncomfortably warm to enjoy the dancing.
