dread having to prepare an elaborate dinner because they are not sufficiently strong to stand over an intensely hot coal range. This is especially true in summer. Every woman takes pride in the table she sets, but often it is done at tremendous cost to her own vitality through the weakening effect of cooking on a coal range in a hot kitchen.

It is no longer necessary to wear yourself out preparing a fine dinner, Even in the heat of summer you can cook a large dinner without being

without heating the kitchen or the cook. It is immediately lighted and immediately extinguished. It can be changed from a slow to a quick fire by turning a handle. There's no drudgery connected with it, no coal to carry, no wood to chop. You don't have to wait fifteen or twenty minutes till its fire gets going. Apply a light and it's ready. By simply turning the wick up or down you get a slow or an intense heat on the bottom of the pot, pan, kettle or oven, and nowhere else. It has a Cabinet Top with shelf for keeping plates and food hot, drop shelves for coffee, teapot or saucepan, and even a rack for towels. It saves time, worry. health and temper. It does all a woman needs and more than she expects. Made with 1, 2, and 3 burners; the 2 and 3-burner sizes can be had with or without

Cheerfulness and a bright disposition during the months before baby comes,

are among the greatest blessings a mother can bestow upon the little life about

to begin. Her happiness and physical comfort will largely govern the proper

development of the health and nature of the child. Mother's Friend contributes

much to the mother's happiness and health by the relief and mental comfort it

affords. It is a limiment composed of penetrating oils and medicines which

lubricate the muscles and tendons of the body, soothe the swollen mammary

glands, cause a gradual expansion of the skin and tissues, and aid in the relief

of nausea. The regular use of Mother's Friend greatly lessens the pain and

danger when baby comes, and assures a quick and natural recovery for the

mother. Mother's Friend is sold at drug stores. Write for our free book, con-

> NEW WOMAN'S PRISON IS OF MODEL DESIGN

London.-A prison for women where there is a remarkable amount of freedom, where every woman has looking-glass and where the prisners are taught by a calisthenic intrautor to walk gracefully and to regain their self-respect is one of Scotand's latest efforts at prison reform. The new jall for women in Glas ow is a model prison. It is built on ie of the most startling styles by an rehitect who understands that the

iost perfect discipline means the perfect freedom, Outside, the model prison looks like stone fortress; inside, like a fary dace of white painted balconies and ght, open iron staircases and corribuilt in a series of radiating star-like wings, divided from each other by lofty courts covered with One single warder seated at the center can control the whole 300 460 inmates at a glance.
