PEANUTS FLY; BOY DOESN'T.

Stand Wrecked When Young Imitator of Curtiss Flies Down Hill.

New York—While trying to fly a miniature aeroplane from the top of a hill near an entrance of St. Nicholas Park the other afternoon, eight-year-old Harry Krause fell down the slope and upset a peanut stand, scattering the peanuts over the sidewalk.

Giuseppe Pietro, the owner of the stand, was so enraged that Policeman Wolf was forced to interfere. The lad was stunned, but Dr. Fulton of the Harlem hospital, said he was uninjured.

The peanut vender demanded that the boy be arrested, but Policeman Wolf explained that the boy's fall was an accident, and took the boy to his home in 1483 Amsterdam avenue.

SPORTS

Table with columns for Pacific Coast League, W, L, P.C. listing games between teams like San Francisco and Portland.

COAST LEAGUE

Frisco 7; Los Angeles 6. Los Angeles, July 8.—After Murphy Dillon's heavy hitting left fielder, had seemingly clinched the game for the Angels in the third inning, the Seals took advantage of Tozier's looseness in the seventh and tied the score.

Berry successfully carried out a daring steal for the plate in the thirteenth. Daley electrified the crowd by a one-handed catch cutting off two runs by stabbing Madden's fly to the center field fence. Score: R. H. E. Los Angeles 6 13 2. San Francisco 7 16 1.

Tozier and Waking, Smith; Eastley, Stewart and Berry. Umpire, Van Houten.

Oakland 3; Sacramento 2.

Oakland, Cal., July 8.—Three runs in the second inning gave Oakland the game yesterday and sent the team along another notch toward the leaders.

The Sacramento team scored in the first and last innings and these two runs were all they could gather. The game was a pitchers' struggle with Nelson twirling much the best ball for Oakland. Score: R. H. E. Oakland 3 5 1. Sacramento 2 5 3.

Nelson and Mitze; Hine and LaLonde.

Portland 3; Vernon 0.

Portland, Ore., July 8.—Portland shut Vernon out yesterday by the score of 3 to 0. The local team struck a fine gait and especially in the fielding department did some mighty pretty work.

Seaton was hit fairly often, but not effectively at any stage of the game, and while Willet only allowed four hits, three of them only allowed four hits, three of them were inappreciable times and furnished sufficient groundwork to enable the Portlanders to work as many runs across the plate. Score: R. H. E. Vernon 0 7 2. Portland 3 4 0.

Willet and Brown; Seaton and Fisher. Umpire—Finney.

NORTHWEST LEAGUE

Spokane 5; Tacoma 2.

Spokane, July 8.—Spokane took an early lead yesterday and Baker was invincible for six innings, weakening only in the seventh, when four hits in a row gave Tacoma two runs. The visitors played a weak game in the field and Butler had poor control, most of Spokane's runs resulting from bases on balls. The home team played a snappy game in the field. Score: R. H. E. Tacoma 2 5 1. Spokane 5 5 1.

Butler and Blankenship; Baker and Shea.

Seattle 3; Vancouver 2.

Vancouver, B. C., July 8.—Seattle beat Vancouver when Adams slammed out a home run in the tenth inning yesterday. The score was 3 to 2. Joss pitched good ball for the visitors. Score: R. H. E. Seattle 3 10 1. Vancouver 2 10 1.

Willet and Brown; Seaton and Fisher. Umpire—Finney.

National League

At Boston—R. H. E. New York 2 8 0.

Wealthy Schoolgirls Penalize Themselves to Aid Others.

New York—Robert Shaw Minturn, treasurer of the New York association for improving the condition of the poor, at 195 East Twenty-second street, received a committee from a Manhattan girls' school, who brought with them a jar full of nickels and dimes, being fines imposed upon the pupils in the last year for small misdemeanors, such as using slang and the like. The nickels and dimes amounted to \$10, which will send four tenement girls to the association's Sea Breeze home at Coney Island for a week's outing. The committee asked that the fruits of their misdemeanors be so used.

WORTH AS MUCH AS \$34.50?

That Would Be Your Share If National Money Were Apportioned.

Washington.—Treasury officials figure out that if all the money in circulation in this country were divided equally, every man, woman and child would have \$34.50.

This is 14 cents per capita more than they should have had by the same process of reasoning a month ago.

Compared with a year ago there was on June 1st \$14,000,000 more in circulation, and yet strange as it may seem, the per capita was 42 cents less. This it is said, is due to the increase in population, it being proportionately more than the growth of circulating medium.
