### WOMEN'S WOES.

**Pendleton Women Are Finding Relief at Last.**

It does seem that women have more than a fair share of the aches and pain that afflict humanity; they must "keep up" must attend to duties in spite of constantly aching backs, or headaches, dizzy spells, bearing-down pains; they must stoop over, when to stoop means torture. They must walk and bend and work with racking pains and many aches from kidney ills. Kidneys cause more suffering than any other organ of the body. Keep the kidneys well and health is easily maintained. Read of a remedy for kidneys only that helps and cures the kidneys and is endorsed by people you know.

Mrs. Valentine Stroble, 738 Johnson street, Pendleton, Oregon, says: "About two years ago I suffered from kidney complaint and when a friend advised me to try Doan's Kidney Pills I did so. This remedy disposed of severe backaches that had kept me awake at night and benefited me in every way."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

## SAW AND HAMMER BUSY AT HERMISTON

(Special Correspondence.)

Hermiston, Ore., Aug. 4.—Contractor H. Rundquist is rushing work on the \$15,000 school house addition and prospects look good for its early completion. Work has been delayed some on account of material not coming in fast as it is being used.

At the meeting of the school directors last night orders were placed for the furniture and other supplies to be used in the new addition.

One of the surprising things that the prospective settlers see when out looking over the project, is the class of residences being erected by the new people. Four houses are now under construction in different parts of the project ranging in price from \$1600 to \$2500.

**Life on Panama Canal.**

has had one frightful drawback—malaria trouble—that has brought suffering and death to thousands. "Three bottles completely cured me of a very severe attack of malaria," writes Wm. A. Fretwell of Tucuman, N. C., "and I've had good health ever since." Cure stomach, liver and kidney troubles and prevent typhoid, 50c. Guaranteed by Koeppen & Bros.

**FARMER FIGHTS WITH AN INFURIATED BULL.**

John Wallace, a resident of Jasper, nearly lost his life in an encounter with a Jersey bull yesterday, when a scene something on the order of a Mexican bull fight was enacted, but with no witnesses, says the Eugene Guard. Wallace is suffering from internal injuries as a result of the encounter, but is expected to recover. It was only his presence of mind when hurt that saved him.

He had gone after the cows after supper last evening and was returning. Among the herd there was a young Jersey bull that was known to be vicious, and Wallace was keeping his eye upon him. Just as he stopped about a half mile from the house to light his pipe, the bull attacked him from behind and knocked him several feet and into temporary insensibility. He recovered just as the animal was attacking him again but before he could move he was once more thrown by the enraged bull. Time and again the injured man was thrown and one time he is said to have been lifted completely over the animal's back.

The man was too badly injured to remain on his feet and run for safety, and as fast as he would endeavor to arise the bull would rush at him. Finally Wallace was able to get his fingers through the bull's nostrils in a tender place and was able to lead him slowly, but was frequently thrown to the ground by the struggling animal. After he had reached a fence that separated him from the animal it took him two hours to crawl the intervening half mile to the house. He was exhausted from his injuries and struggle before he reached the house, but he was seen by members of his family and carried in. Physicians from Springfield were called. They found no bones broken but he had sustained internal injuries that seem serious.

**Struck a Rich Mine.**

**MISS SHONTS TO BE GUEST OF A PEERESS**  
London.—The Duchess of Manchester intends making Kylemore Castle ring with merriment this fall. She has extended an earnest invitation to Miss Margaret Shonts to make a long stay with her. Later the duchess will come to Grosvenor Square and for the first time will take up the role of London hostess, so that Miss Shonts will have an unusual opportunity of judging of what a London winter season is like.

Indeed, the winter season of London promises to be one of the brightest and a most determined effort will be made by American hostesses absolutely to kill dull care.

Lady Willoughby de Crisby has taken a fine house in Chesterfield Gardens, formerly belonging to Lady Islington. As her stepfather, Harry Higgins, is the head of the Convent Garden Opera Syndicate, she intends making her entertainments famous musically.

Among the regular American hostesses who expect to winter in London are Mrs. Glasgow who has become famous for dinners at which real southern cooking obtains; Mrs. Harold Harting, Mrs. Reynolds, Mrs. Chauncey, Mrs. James McDonald and that close trinity of brides—Lady Acheson, Lady Malbone and Mrs. Elliot.

The Countess of Essex also intends to become a London hostess this winter.

**WILLS AWAY HIS ASHES.**  
Veitn, American-Born Actor, Leaves Strange Testament.

London.—Hermann Veitn, the American-born actor who died here at the age of 80, left an odd codicil to his will, directing the manner in which his body was to be disposed of. "My wish," he said, "is that my remains shall be reduced to ashes in the least expensive manner at the Golden Green crematorium, near London, and in the afternoon, if as I am informed is now the case, a lower charge then obtains than in the morning. That such process of cremation be attended by no formality or ceremony of any sort or kind and particularly by no religious services of any description.

"That none of my ashes to which my remains are so reduced be preserved or kept by anyone. That no tomb stone, urn or other monument be erected or dedicated to my memory."

**Recuperation**—There is not so much in the ordinary vacation as there is in a single bottle of Hood's Sarsaparilla, which refreshes tired blood, sharpens the dulled appetite, restores the lost courage. Take Hood's Sarsaparilla this summer.

**Kaiser Invites Brazilian.**  
Berlin.—Emperor William has invited Marshal Fonseca, president-elect of Brazil, who is in Germany, to be his guest at the German naval maneuvers off Kiel at the end of August.

Marshal Fonseca, it is announced today, has accepted. After a two weeks' stay in Germany, where he will be entertained by various persons, he expects to go to Paris, returning for the naval maneuvers. Then he will go to England.

**-Feet So Sore Couldn't Walk Down Stairs-**

**TIZ CURED HER QUICK.**

If you have sore feet, tired feet, sweaty feet, lame feet, tender feet, smelly feet, corns, callouses or bunions, read what happened to Mrs. Crockett, of Jeffersonville. **TIZ DID IT.** Mr. Crockett says: "After the second treatment she walked downstairs one foot at a time. She has not been able to walk downstairs before in past five years, except by stepping down on each step with one foot at a time. This is remarkable. Send five more boxes."

No matter what ails your feet or what under heaven you have used without getting relief, just use TIZ. It's different. It acts right off. It cures sore feet to stay cured. It's the only foot remedy ever made which acts on the principle of drawing out all the poisonous exudations which cause sore feet. Powders and other remedies merely clog up the pores. TIZ cleans them out and keeps them clean. You will feel better the first time it's used. Use it a week and you can forget you ever had sore feet. There is nothing on earth that can compare with it. TIZ is for sale at all druggists, 25c per box, or direct, if you wish from Walter Luther Dodge & Co., Chicago, Ill.
