THE HONORABLE COURSE.

In opening his campaign for the epublican nomination for governor Judge Grant B. Dimick said:

"I feel that the course I am pursuing as a candidate for the republican nomination for governor is the most dignified, open and honorable method

of securing the endorsement of republican voters in the several counties of this state."

Judge Dimick is right in this mater. He is taking the open and honorable course. He is going straight all these things are powerful motives. to the people for the nomination. It

kept in better condition. Does this not indicate that the day

of the "big farm" is passing? Then there is another feature to

the situation that is making big wheat it was a rather cheerless welcome that land owner think. It is the fact that awaited them. through years of prosperity and through the eagerness of farmers to tuy out their neighbors and increase their holdings the price of wheat land of the fast set he will soon lose the has been unduly advanced. Some men are finding out that when they consider the value of their investments

wheat farming is not as profitable as they thought it was. Land owners who desire to sell out learn to their te work surprise that they cannot sell at the

prices at which they hold their land. An investor cannot afford to pay so til the opening of the district fair. much for land that yields only a biennial wheat crop. It would be more profitable to invest in government

wheat ranches. However, there is a remedy and farmers who want to see land values life, says Orison Swett Marden, in maintained will do well to be thinking about it. The remedy lies in closer farming. It lies in the digging of more wells and the erection of more wind mills. In the raising of out-pictures itself in the life. We can heals and protects, more hogs, more chickens and of not long keep from the face that the discussion mem-

vative, and the radicals in it either "The dean of the Lewiston Normal refused to go to the polls or voted faculty is in this county, hustling for for Rooseven, and the conservative for Roosevelt, who showed radical support of both parties, and through than the sum which all three Oregon republican radicals.

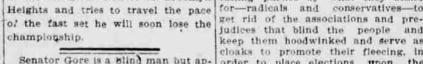

The civil war created animosities and prejudices that have since blindd the people to the real issues. The cause the democratic party was the white man's party-not for any other economic problem involved. The north became republican through the contiued waving of the bloody shirt. The large mass of voters vote it straight blindly because of the prejudices born and bred in the bone, not because of the principles involved. This has left the independent vote. the vote that thinks, holding the balance of power,

There are today both radical and conservative wings in both partiesand their differences are irreconcila-There is vastly more difference within the parties than there is between them. Under present conditions, it would puzzle anyone to define what constitutes a republican or what constitutes a democrat. The' definition of one would answer for the
