**The Orpheum—Today's Program.**

1. The Call to Arms. A Biograph drama, 1000 feet long. Mediaevalism and conventionalism, a combination common enough in the times so graphically represented in this film.

2. A Political Discussion. Pathe, comedy, 1000 feet. The interest lies in the unexpected ending of a supposed murder.

3. The Step Daughter. Lubin, drama, 1000 feet. One of those stories in which a little woman who has suffered all sorts of suppression comes to her own.

4. Please Take One. Pathe, comedy. That Bonehead should exhibit a spark of intelligence is the interesting feature and the way he makes it manifest adds to the fun.

**The Pastime.**

Three feature films for Tuesday's change:

"Her Uncle's Will." Vitaphone, drama, length 1000 feet. Society comedy drama. How the snobbish father of a young man was brought low by a clever and witty heiress whom he mistook for a dairy maid. A delightful love story.

"The Old Love and the New." Edison, drama, 1000 feet. A story of more than ordinary merit. Scenes laid alternately in New York and South Africa. Through one girl's fickleness four young people get into a bad tangle which is straightened out in a most unexpected way by old diplomat and man of the world.

"The Champion of the Race." Pathe, Drama, 1000 feet. A realistic American production with a touch of comedy. Novel in conception and execution.

### E. W. M'COMAS BUYS 10,000 BU. OF WHEAT

Though grain growers in this vicinity have been loath to sell their holdings at existing prices, one important deal was made Saturday afternoon, E. W. McComas was the purchaser. He is said to have secured two or three small lots of forty-fold wheat, totaling in the vicinity of 10,000 bushels. Different prices were paid, but it is understood that the average was in the neighborhood of 31 cents. The regular quotations for club and bluestem are 75 and 85 cents.

E. W. McComas has been the local representative of the Northwestern Warehouse company for a number of years, but he announced at the opening of the present season that he would buy independently this year. Most of the wheat bought by him Saturday is to be shipped to California for milling purposes. The balance of it will probably be turned over to the Byers' Milling company of this city. Forty-fold is strictly a milling wheat and as such is nearly always in almost as great a demand as bluestem. In fact the opinion prevails in many quarters that many buyers purchase both bluestem and forty-fold, mix the two kinds together and then sell the whole for bluestem.

New York, Aug. 8.—Roger Bresnahan, catcher and manager of the St. Louis National league baseball team, was quoted today by his friends as thinking seriously of going back to pitching, if things fall to break better for his staff of twirlers. Bresnahan broke into the game as a pitcher for Washington and it was at Baltimore that McGraw turned him into a catcher.

Only last week in Brooklyn, Bresnahan started the fans by stepping into the box at a critical moment.

### DEMOCRATS WILL HAVE FULL SLATE

(Continued from page 1.)

for joint senator from Umatilla, Morrow and Union counties.

In connection with the candidacy of Senator C. J. Smith for reelection and of J. W. Maloney for judge it may be said that up to this time neither man has announced his intentions with reference to running. Dr. Smith has not yet said he will seek reelection as senator but he is being urged by both democrats and republicans to run again and it is generally believed he will be a candidate again. Dr. Smith has been widely discussed as a democratic candidate for the democratic nomination for governor, but he is disposed against seeking that honor.

### RUMORED CRANE URGED BALLENGER FOR SENATOR

Beverly, Aug. 9.—That the real mission of Senator Crane was to ask Ballinger to become a candidate for the senate from Washington is going the rounds today. Whether a decision was reached is not given out. Hitchcock conferred with Taft during the afternoon.
