Fortune For a Tree.

Seattle, Wash., Oct. 4.—An old apple tree for which \$20,000 has been offered and refused is the property of an eastern Washington nursery. The tree grew from seeds planted twenty years ago by an Indian, and produces a peculiar variety of golden yellow fruit, remarkable both for taste and keeping qualities. For several years grafts have been taken from the tree and planted, the "offspring" of the tree now cover a thousand acres. Both the parent tree and the youngsters are carefully guarded night and day by armed guards.

Hughes are among the speakers on the program of the New York state convention of the Young People's Societies of Christian Endeavor, which begins here today. Religious workers of national reputation will conduct classes and deliver addresses.

Cholera Epidemic at Marseilles.

London, Oct. 4.—Fears that a cholera epidemic has broken out in Marseilles are expressed in a telegram received here today. Three deaths from Plague at Marseilles have excited the people.

GIRL STRIKERS SELL KISSES FOR FUNDS

Glasgow.—Selling kisses at a shilling a kiss has been discovered to be a satisfactory way of increasing the war chest by a hundred girls employed at Neilston bleach works, Renfrewshire, who are at present on strike for better conditions.

The girls hit upon the plan of touring Renfrewshire during the weekend in small bands with collection boxes. When a party of them reached Glasgow an old Highlander in charge of a weighing machine at Broomielaw thought he saw an opportunity for improving the occasion. "Look here, my lassies," he said, halting them. "You know how the Duchess of Gordon raised the famous regiment of 'Kilties.' To every man who took the shilling she gave a kiss. If one of you give me a kiss I'll drop a shilling in your box."

Promptly one of the girls accepted his challenge, and the exchange was duly made. The cue thus given, the game was played by them afterwards with great success.

SAVES NEIGHBOR'S SON WHILE HIS OWN DROWNS

Berne.—Two little boys of 5 and 4 fell into the river while playing on the banks of the Suze at Bienne, Switzerland. A chimney sweep named Holzer, who saw the accident, plunged into the water and succeeded in saving one of the children and brought him safely to the bank.

He wished to save the other child and entered the stream again, but could find no trace of it, and after waiting some time Holzer returned home, changed his clothes and went to his work.

When Holzer arrived home at night he learned that he had risked his life to save a stranger's boy while the second boy, his only son, was drowned before his eyes, though in the water he did not recognize the child.

The father's grief was terrible to witness, and he refused to see the parents of the child whom he had saved. "You have your child, I have lost mine," was the message he sent by his wife to the thankful parents.

MAN IN DREAM SHOOTS AT BURGLAR; MYSTERY

Asbury Park N. J.—Dreaming there were burglars in the house, he says, E. W. Van Zuker, a New York piano tuner stopping at the Imperial hotel, shot himself in the head and is now in the hospital at Spring Lake. The case is puzzling the doctors and police, for Van Zuker insists the shooting was the result of a dream, but there are no powder marks about the wound and nothing to indicate the shot was fired at short range.

Van Zuker's wife was found in the room in a state of collapse. The wounded man was conscious when the physicians arrived and said: "I have just shot a burglar."

There was no evidence of burglary nor anything to indicate that there had been any stranger in the room. Nobody appears to have heard the shot, and yet Van Zuker is in a precarious condition from the wound.

SPORTS

World's Series to Start Oct. 17.

Cincinnati.—The national baseball commission today announced that the world's series will start in Philadelphia October 17. The first two games will be played in Philadelphia October 17 and 18. The third and fourth games of the series will be played in Chicago, October 20 and 21. The fifth game will be played in Philadelphia October 22. The sixth game, if it is necessary, will be played in Chicago, and the seventh game, if the series goes that far, will be played in some city to be decided later.

The first two games of the series were decided by the toss of a coin. President Murphy of the Cubs and President Shibe of the Athletics presided at this ceremony. Shibe flipped the coin and as it spun in the air Murphy called "tails." The coin fell heads up.

SMALL BOY ELICITS PRAISE FROM POPE

Paris.—A 7 year old Calas boy named Gerard Vandembrouque is the delighted recipient of a letter from the pope written entirely by the pontiff's own hand in reply to a communication addressed to his holiness by the boy thanking him for the papal decree fixing the age for the first communion at 7 years. The pope's letter, which was accompanied by a silver medal begins as follows:

"My Dear Gerard—Your nice letter was a true consolation to me, for if, as the Psalmist says, it is through the mouths of babes and sucklings that the Lord receives perfect praise, himself being the one that gives them being, it is verily he who inspires the degree."

In conclusion the pope sends little Gerard and his family a special blessing.
