

KING APPLE CHANGES RAILROAD SCHEDULES

HILL LINES REARRANGE TRAINS FOR BIG SHOW

Special Train Loaded With Choicest Northwest Fruit Will Make Record Run to Chicago—Sweepstake Winner Will be Aboard.

Spokane, Wash.—King Apple's dominion is fully established when he can upset railroad schedules and order record runs over transcontinental lines to suit his imperial convenience. That is what the Northwestern potentate has accomplished with regard to the transportation facilities placed at his disposal by the Hill lines, over which the prize-winning displays from the third National Apple show in Spokane, the week of November 14, will be moved to Chicago for exhibition in the First Regiment Armory, November 28 to December 4.

A special train, loaded with the Northwest's choicest offerings of the king of fruit, will be started on passenger train time 48 hours after the Spokane show closes, the night of November 19, for a run of 2,000 miles. The train will carry the winner of the \$1,000 championship sweepstake on carload contests and many other premium takers, also displays from 35 commercial orchard districts in Washington, Oregon, Idaho, Montana and British Columbia.

Provided with a diagram of the Chicago armory, Ren H. Rice, secretary and manager of the show, has been able to designate where the respective exhibits are to be located. When the time comes to make the transfer, the car packers will have definite directions which will be the key to the placards on each exhibit, showing their exact position in the cars and where they are to be installed in the armory.

"In no other way could the cooperation of the railway companies with the National Apple show have been more strongly emphasized," said Secretary Rice. "It reflects, as nothing else, the realization by the railroads that the Northwestern apple, as a commercial asset, will mean potential tonnage yet undreamed of by heads of the traffic departments. It represents also, in a way, the enterprise and spirit that finds its full fruition in the Northwest—the imagination to grasp the benefit to accrue from such an undertaking and the courage to carry it out."

Cured a Severe Case.

Mrs. Mattie Stout, 315 E. Ohio street, Bluffton, Ind., tells of the excellent results she obtained from Foley Kidney Pills. "I used your Foley Kidney Pills for a severe case of kidney trouble that afflicted me for nearly four years and must say the results were most satisfactory. My system was full of uric acid as a result of impaired kidney action. My back ached severely and I was run down and quite miserable. Foley Kidney Pills have freed me from all this suffering, cleared my system of the uric acid poisoning and restored my kidneys to healthy action. We have used Foley Kidney Pills on other members of my family with always the very best of results." A. C. Koepfen & Bros.

BLUE RIBBON DOG SAVES PEOPLE FROM BURNING

Spokane, Wash.—Bismarck, a blue ribbon winner in the French bulldog class at a recent bench show in Spokane, proved himself a thoroughbred in saving the lives of John F. Brill, a reporter in the Spokane county superior court, and his family and Mrs. Anna M. Rapp, a neighbor, by giving an alarm when fire broke out early a few mornings ago in the rear of the Rapp house. Bismarck awakened the Brill household by sharp barking and for once re-

fused to heed his master's voice when commanded to "lie down and be a good dog." This was followed by pulling the clothes off the bed. Brill saw the flames on rising and got his family to a place of safety. In the meantime, Bismarck jumped through an open window at the home of Mrs. Rapp and aroused her, also giving the alarm to two other nearby houses. Bismarck will never lack for attention in the neighborhood where his master lives. Mrs. Brill has also decided to present the dog with a silver studded collar on which will be a plate, setting forth the foregoing facts.

GERMAN TRIED FOR CRIME OF 25 YEARS AGO

Berlin, Germany.—A sample of the severity with which evasion of German military service regulations may be punished is reported from Darmstadt, where a military court recently sentenced an American citizen named Schultheiss to six months' imprisonment. Schultheiss was assigned in 1886 to a battalion in Mayence but allowed a friend to persuade him to go to America and failed to obey the summons to enter the service. In the United States he worked in various cities, finally set up a business and succeeded in establishing himself as a well-to-do merchant. Believing that after the lapse of 25 years he would be unmolested he returned recently to Germany with his family. While in his birthplace at Flonheim, in the Rhenish Hesse province, where he went to visit his mother's grave, he was arrested and tried by the military authorities. Mr. Schultheiss is 45 years old. His last place of residence in America is not given in the report of the court proceedings.

An effort to secure relaxation of the severity of the military regulations in the case of German-Americans has been made recently, but thus far without positive result.

For Over Three Decades.

Foley's Honey and Tar has been a reliable household medicine and the "children's children" find it today the same safe and sure remedy for coughs and colds that their grandfathers did. Mahala Stockwell, Hannibal, Missouri, writing under date of August 28, 1910, has this to say about this great medicine. "I have recently used for the first time Foley's Honey and Tar cough medicine. To say that I am pleased with it does not half express my feelings. It is by far the best I ever used. I had contracted a bad cold and was nearly sick in bed, having a terrible headache as well as a cough and was threatened with pneumonia. I used but one bottle of your Foley's Honey and Tar and was completely cured. It beats all the remedies I ever used and I have used many different kinds." A. C. Koepfen & Bros.

PLIGHT IS WORSE THAN DANIEL'S OR EVEN JONAH'S

Savannah, Ga.—Comparing his plight to that of Paul, Daniel and Jonah, Biblical characters, who got in trouble and out again, Dr. W. J. McNaughton of Emanuel county, who is held for safe keeping in the Chatham county jail, charged with complicity in the alleged murder of Fred Flinders at Covena several weeks ago, has made his first statement since his arrest, except the brief denials of guilt that he made at that time. "There was intense feeling against me throughout the county," he said, "which I cannot account for unless, as has been said by friends who called to see me here, I was too good to some people there and made enemies of others."

He recalled that Daniel was cast into a den of lions, that Paul had prison experience when falsely accused, and that Jonah was tossed overboard when falsely accused, but all were vindicated in the end. After saying this Dr. McNaughton declares his belief, that he, too, will be freed when his case comes to trial. He asserts that if he is convicted he will serve his sentence calmly.
