PORTLAND WILL DO HONOR TO BEAVERS

FANS PLAN \$5000 BENEFIT FOR WINNING PLAYERS

Commercial Club Enlisted in Movement — Realize Discrimination Against McCredie But Are Loyal in Spite of Adversities.

Portland, Ore., Oct. 21.—(Special.)—Portland citizens, baseball fans, Commercial club and all are lined up in the movement to give the baseball team a big benefit at the windup of the season. It is thought at least \$5000 can be realized and divided among the Beavers.

Portland feels that it has had the worst of it in official decisions throughout the season, particularly in the recent Helling ruling, but in spite of these handicaps, loyal fans believe the home team will yet bring home the pennant. The benefit will get all

the more loyal support because it is the common belief that the Beavers have played under the handicap of official prejudice and have lost out in pinch decisions.

Business men of this city, no less than the more rabid fans, are squarely behind the movement. President Harvey Beckwith, of the Commercial club, said:

"It will be a grand thing for Portland to give its pennant winners a \$5000 benefit. I am sure the citizens are satisfied with the showing the team has made and will endorse and support the proposition to reward the players."

"It is an especially good thing to show our appreciation at this time, just when the boys have gone away from home and with known official partiality against them. It will be an incentive to them to put in their best ticks. It will give them something to work for and will not only help this team but all future teams, for I think Portland can afford to do it every year the boys land us the pennant."

Fans declare they will show the Beaver players that they appreciate their winning the 1910 pennant, whether President Graham withholds it on account of the Helling case or not.

Good healthy flesh can only be gained by the use of the proper food with thorough assimilation of the fat-giving elements. Nine people out of ten in order to weigh as much as they ought and be perfectly healthy, should use Samose, the great flesh-forming food. Weigh yourself before commencing to use these little tablets and see how your weight increases. Samose has valuable flesh-forming and tissue building properties, and when it is assimilated with the food, it causes the flesh-making elements to be retained and the weight is naturally increased.

Koepen Bros., the popular druggists, have sold in the last few weeks a great many packages of Samose, every one with their personal guarantee to refund the money if it did not give satisfaction and have had but one person ask for the money back.
