### INCORPORATION ARTICLES SIGNED LAST EVENING

#### Local Chicken Men Put Poultry Show on Firm and Permanent Basis—December Show Will Be Big Event.

Articles of incorporation for the Umatilla-Morrow County Poultry association were signed up last evening and filed today with the county clerk. This means that the association which holds the big poultry show in this city each winter is now on a firm basis and is to be a permanent affair.

The incorporators are W. E. Brock of the Taylor Hardware company, R. Alexander of the Alexander department store, Leon Cohen of the Peoples Warehouse company, C. L. Bonney, one of the proprietors of the Wonder Store, R. W. Fletcher and E. F. Averill.

The amount of the capital stock was last night fixed at \$500 but this will be increased to \$1000 before the date of the next show. The stock is divided into 100 shares of the par value of \$5 each and owing to the great success of the show held last January, every business man and every poultryman to whom the list of stock subscriptions has been presented, has gladly and willingly signed up. From present indications the full amount of the capital stock will be signed up within ten days.

The Pendleton show of last January was declared by poultrymen from all over the country to be by far the best "first show" ever held in the northwest. Indeed, in many particulars it was said to eclipse any other show held in the northwest last season. In the number and quality of the birds exhibited, in the number and value of prizes offered and in the attendance, the Pendleton show compared exceedingly favorably with those held in Portland, Seattle, Spokane and Walla Walla. This year it is the intention of the business men of this city and the poultrymen belonging to the Umatilla-Morrow County association to make the show bigger and better in every particular than last year.

#### Will Have New Coops.

Arrangements were made last night for the purchase of 300 standard sized show coops. This will make possible the proper housing of more than a thousand birds and will not make it necessary to use the old district fair coops which were found last year to be entirely unsuitable.

The show will be held this year two weeks before Christmas, or will begin December 13 and last six full days. Last year the association started out to hold a three-day show but the large number of birds exhibited made it impossible to complete the judging even within three days so it was extended to five. This year there will be six full days of show, the requirements being that every bird must be in the coops the day before the show opens.

#### Officers of Association.

The officers of the association are, president, D. C. Gurdane, Heppner; first vice president, Leon Cohen; secretary, E. F. Averill; treasurer, R. W. Fletcher. These officers, together with the following, comprise the executive committee: Earl Williams, Milton; Fritz Bade, Freewater; H. Dickinson, Walla Walla; L. B. Kicker, Irrigon; Charles Curtis, Hermiston; Mrs. B. F. Williams, Milton; J. T. Brown, Pendleton.

## BASKETBALL CHAMPS MAY PLAY IN CITY

Pendleton basketball fans are rejoicing today in the prospect of seeing the champion basketball team of the United States in action in this city. It is the Company F team of Fortage, Wisconsin, and the manager of the team is now arranging his itinerary for a tour to the Pacific coast and return. For this reason he is endeavoring to schedule as many games as possible along the proposed route and is desirous of securing one or more games to be played in Pendleton.

There will be twelve in the party, including coach, manager and substitutes. They are planning to go direct to Portland, thence south through San Francisco, Los Angeles and possibly by the Sunset Route to New Orleans.

Captain Devine of the high school basketball team, is very anxious to meet the national champions and it is believed that satisfactory arrangements can be made for a game. He will take the matter up directly with Manager G. F. Goodell of the Wisconsin team.

### ADDITIONAL PERSONALS.

K. Fahrenwald, a stockman of Ride is in the city today on a trading trip.

Walter Williams, a Ritter stockman is registered at the Hotel Golden Rule.

Frank Curl, the prominent wheat grower, came in on the morning Walla Walla train from his farm near Havana.

Ira Arbogast, a prominent grower of hogs in the Ritter country is spending a few days in the city after bringing in a load of hogs.

### Stray Notice.

## FEW DOSES END KIDNEY TROUBLE

### WILL MAKE ANY SUFFERER IN PENDLETON FEEL FINE

#### Lame Back, Bladder Misery and any Kidney Disorder Vanishes—No Man or Woman Here in Pendleton, Whether Old or Young can Afford to Neglect Out-of-Order Kidneys.

In all the world there is no man or woman who can afford to neglect the slightest kidney disorder for one single day.

Kidney diseases are the most dangerous, because the first signs are seen in other parts of the body before anything wrong is noticed with the kidneys themselves.

Some of the symptoms, though, cannot be mistaken; for instance, a constant aching or misery in the back, sides or loins, or head, chest and dizzy spells, nervous twitchings, disturbed sleep, inflamed or puffy eyelids, heart palpitations, rheumatic pains, weakness, bilious stomach or a feeling of languor and fatigue. Sick unhealthy kidneys also cause thick, cloudy, offensive urine or it is full of sediment, irregular of passage and often uncontrollable or attended by a sensation of scalding.

The time to cure kidney trouble is before it settles into diabetes, dropsy, gravel or Bright's disease. The moment you suspect the slightest kidney, bladder or urinary disorder, begin taking Pape's Diuretic as directed, with the knowledge that there is no other medicine, at any price, made anywhere in the world, which will effect so prompt a cure. In just a few days you feel and know that the kidneys, bladder and urinary organs are healthy, clean and normal and all danger passed.

Your physician, pharmacist, banker or any mercantile agency will vouch for the responsibility of Page, Thompson & Pape of Cincinnati, who prepare Pape's Diuretic—50 cent treatment—sold by every druggist in the world.
