

### CATTLE MARKET IS A SHADE WEAKER

DESPITE SMALL RISE IN CURRENT PRICES

Steers That Would Have Sold for \$5.75 Short Time Ago Bring \$5.60—Better Class of Stuff Offered.

Portland, Ore., Oct. 25.—A better grade of cattle was offering in the yards during the past 24 hours and that accounts for the advance of 15c in steers and 10c in cows. Steers that averaged 1224 pounds went at the high point, while one load of cows that averaged 1029 pounds went at \$4.70.

Taking the cattle market as a whole the situation is not strong but easy. This is in line with the tone shown throughout the country at this time. Everywhere offerings are extra liberal and this has brought prices down correspondingly.

"The steers that sold at \$5.65 in the stockyards," says William Burke, Jr., "were well sold at that price. This is about the top of the market at this time. While some time ago the same class of steers would have brought \$5.75, no sales could have been made so high recently. I would consider the cattle market easy generally."

There was only a light run of hogs in the yards today and the situation remains about as previously mentioned.

No sheep arrived during the day and the market is quoted firm and nominal around the figures quoted yesterday. Lamb prices are now firmly established at \$5.50 for best.

Scarcity of lambs is the cause of the sending forth of supplies of goats to the market. One sale was made yesterday afternoon at 2 to a pound.

Among the Shippers. Cattle—C. Boyer, Huntington, Ore., one load cattle and calves; Frank Graham, Willows, Ore., three loads cattle; McKinnon & Chandler, Enterprise, Ore., five loads cattle.

Hogs—McKinnon & Chandler, Enterprise, Ore., one load.

### THE WHEAT MARKET

WHEAT DROPS ONE TO TWO CENTS PER BUSHEL

Club Is Down to 78@79c and Bluestem 84@85c Track Delivery—Weakness for Cargoes Abroad Is the Cause.

Portland, Oct. 25.—Wheat dropped from 1c to 2c a bushel in the local market today. Intense weakness was shown at the decline.

Big millers have practically withdrawn from the buying temporarily and had no quotations to offer this morning. Exporters cut their quotations on club below 80c, and while some were offering 79c, others said they would not pay above 78c a bushel at this time, because of the general weakness for cargoes abroad.

Bluestem wheat is really being slashed in price for the first time in 10 days. Today's quotations are like club, 1c to 2c a bushel below yesterday. Range for bluestem is now 74c to 75c and few are willing to pay above the lower figure. Turkey red is quoted from 79c to 80c, and Red Russian from 76c to 77c, generally the latter. There is no movement at all just now on Willamette valley wheat, and quotations in that line are nominal.

### THEY ALL DEMAND IT.

Pendleton, Like Every City and Town in the Union, Receives It.

People with kidney ills want to be cured. When one suffers the tortures of an aching back, relief is eagerly sought for. There are many remedies today that relieve but do not cure. Here is evidence to prove that Doan's Kidney Pills cure, and the cure is lasting.

Mrs. Wesley Adcock, 414 E. Webb street, Pendleton, Oregon, says: "About a year ago a member of our family was in bad shape with kidney trouble. This person had such severe pains in the back that work was an impossibility and the least lifting or any quick movement caused sharp twinges through the loins. Sound sleep was out of the question and on arising in the morning the patient had no energy and felt very lame and sore. Doan's Kidney Pills were used on a friend's advice and the contents of five boxes effected a cure. This preparation is worthy of the highest endorsement."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
