

HOGS MAKE SLIGHT RISE IN PORTLAND

BEST STUFF SELLS AT ADVANCE OF DIME

Sales Made as High as \$9.60 Again—Eastern Market Is Higher and South Omaha Is Up to 15c for Swine.

Portland, Ore., Oct. 27.—While there is a weaker trade in hogs here recently, South Omaha is showing advanced values, and today top sales were made there at \$8.95. This means \$10.05 delivered at Pacific northwest packing centers are considerable more than the present market here.

There was a very good run of local hogs in the yards today and better quality was offering.

According to A. F. Hunt of Hunt & Lacey, which made the sale of some extra select yearling wethers from Medford yesterday, the transaction was at \$4.75 instead of \$6, as reported. The quotation was given over the telephone and therefore was misunderstood. The price secured, however, was 25c above previous quotations.

Sales of wethers were made this morning at \$3.25@4.50, the latter being for 80 pounds average and the former for heavy stuff. Lambs that average 65 pounds went at \$4.85.

CATARRH A SPECIFIC BLOOD IMPURITY

Catarrh is a deep-seated blood disease, one which no amount of local treatment will ever permanently cure. The beneficial effects of washes, sprays, inhalations, etc., are only temporary, and when left off the old condition returns, because the blood is infected with catarrhal matter and impurities. This impure condition of the circulation irritates and inflames the delicate mucous membranes and tissues and produces the well known symptoms of ringing noises in the head and ears, mucus in the throat, headaches, watery eyes, partial deafness, sore throat, general impairment of health, etc. This condition will remain, growing worse as long as the catarrhal matter is allowed to remain in the blood. Being a specific blood impurity, there is only one way to cure Catarrh, and that is to purify the blood. Nothing equals S. S. S. for this purpose. It attacks the disease at its head—in the circulation—and by thoroughly renovating the blood and cleansing it of all impure matter, makes a permanent and lasting cure of the disease. For forty years S. S. S. has been recognized as the best blood purifier, and the thousands of cases of Catarrh it has cured is proof that it is the very medicine needed by those who suffer with this trouble. Book on Catarrh and any medical advice free.

Do you take the East Oregonian?

From the reproduction in oil of a scene from "The Third Degree," showing the male characters as they would appear dressed in Kirschbaum Fall and Winter models (reading from left to right) Clayton, Elektra and Fifth Avenue Overcoat.

YOU can't get something for nothing! And the few cents you'd save on the initial cost of a poor suit are no compensation for an unattractive appearance—a coat that pinches or binds over the chest, or trousers that are too tight over the thigh.

You get a good deal more than the price represents when you pay \$15 to \$35 for a Kirschbaum Suit.

You get "All-Wool" fabrics, genuinely hand-tailored clothes that fit, wear and keep their shape—and an unqualified guarantee that goes with each garment.

Prices \$15 to \$35.

Ask to see the Reggy Model, the specially designed garment for the young gentlemen of America.

Look for the "Kirschbaum Label." It is the identification mark of the best clothes made at the price.

THE WHEAT MARKET

WIDE DIFFERENCE IN VIEWS AS TO BLUESTEM

Millers Not Offering Above 83c While Exporters Are Willing to Buy Up to 85c Bushel, Track Delivery.

Wheat Market.
Portland—Cash club, 80c; bluestem, 85c.
Chicago—Dec. 94 1-4c; May 99 2-8c; July, 96 5-8c.
Liverpool—Dec. 7s 1 1-4d; Mar. 7s 1 3-8d.
St. Louis—May, \$1.00 3-4.
Minneapolis—May, \$1.07 7-8 ask.
Duluth—May, \$1.03 7-8 bid.
Winnipeg—May, 97 1-4c bid.

The wheat market is steady. Buying of wheat is on a better scale although there is little tendency to change quotations. The market for club which has been nominally quoted at 78c and 79c recently with no business at these figures, was placed at 80c track today with a number of purchases at interior points on that basis.

There is a difference of opinion among buyers as to the worth of bluestem wheat at this time. Millers say their top limits are 83c, while export agents declare they are quite willing to take offerings up to 85c a bushel. There is a much weaker feeling in the flour market owing to the recent sharp declines in wheat, but beyond secret cutting by interior mills, prices are unchanged. It is likely, however, that some shading will be shown locally unless there is a change in the wheat situation.

"SIX SHOOTER KATE" ENDS ROMANCE OF THE HILLS

Spokane, Wash.—Mrs. M. Fromherz, known all over the panhandle of Idaho as "Six Shooter Kate," frontierswoman, nurse and rancher, was granted a decree without alimony in her action for divorce in the Spokane county superior court. Judge J. Stanley Webster presided. Thus ends a romance of the hills that began a year ago, when the woman reined her horse at the door of Fromherz's cabin near Wallace and asked for food and shelter. Fromherz guided her to the home of a neighbor, where she remained three days. Soon afterward Fromherz received a letter from a lawyer, saying that his client insisted upon marriage or compensation for her bruised affections. The wedding followed three days later, and, according to the testimony, Fromherz reputed to be a good-natured farmer, started to make things lively for his robust spouse, the result being she came to Spokane and after acquiring legal residence instituted proceedings for divorce. Mrs. Fromherz was named "Six Shooter Kate" by an ex-convict, whom she captured single-handed and delivered to the authorities.

CASE AFTER CASE.

Plenty More Like This in Pendleton.

Scores of Pendleton people can tell you about Doan's Kidney Pills. Many a happy citizen makes a public statement of his experience. Here is a case of it. What better proof of merit can be had than such endorsement? Mrs. William McGregor, 711 Lilloeth street, Pendleton, Oregon, says: "Doan's Kidney Pills are by far the best kidney medicine I ever used. I was troubled from childhood by kidney complaint. My hands and feet swelled, in fact my whole body bloated and I had a great deal of trouble from the kidney secretions. There was a dull pain in my back and sides and often after stooping, I found it difficult to straighten. Dizzy spells and headaches were frequent and my nerves were all unstrung. I rested poorly and on arising in the morning was tired and devoid of ambition. As time passed, my condition became worse and it would be hard to fully describe the misery I endured. I spent many dollars for doctors' treatment and I also tried remedies of every kind, but to no avail until I procured Doan's Kidney Pills. This preparation restored me to good health, after visits to hot springs and treatment of every other kind had failed. I do not hesitate to tell of my experience and I trust that my statement will be the means of helping other kidney sufferers." For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
