STOMACH MISERY JUST VANISHES

NO INDIGESTION, DYSPEPSIA
OR GAS IN 5 MINUTES

A Little Diapepsin Now Will Make Your Out of Order Stomach Feel Fine—Digests All Your Food, Leaving Nothing to Ferment and Sour.

As there is often some one in your family who suffers an attack of indigestion or some form of stomach trouble, why don't you keep some Diapepsin in the house handy?

This harmless blessing will digest anything you can eat without the slightest discomfort, and overcome a sour, gassy stomach five minutes after.

Tell your pharmacist to let you read the formula, plainly printed on these 50-cent cases of Pape's Diapepsin. It then you will readily see why it makes indigestion, sour stomach, heartburn and other distress go in five minutes, and relieves at once such miseries as belching of gas, eructations of sour, undigested food, nausea, headaches, dizziness, constipation and other stomach disorders.

Some folks have tried so long to find relief from indigestion and dyspepsia or an out of order stomach with the common, every-day cures advertised that they have about made up their minds that they have something else wrong, or believe theirs is a case of nervousness, gastritis, catarrh of the stomach or cancer.

This, no doubt, is a serious mistake. Your real trouble is, what you eat does not digest; instead, it ferments and sours, turns to acid, gas and stomach poison, which putrefy in the digestive tract and intestines, and, besides, poison the breath with nauseous odors.

A hearty appetite, with thorough digestion, and without the slightest discomfort or misery of the stomach, is waiting for you as soon as you decide to try Pape's Diapepsin.

MILLINERY TO PLEASE

Freaks are tabooed in the Vogue's exhibition of millinery. The authoritative styles of the world's greatest artists are shown here; not the experiments of amateurs. Side by side with the Paris and New York models are shown the clever creations of our own designers; you'll only know the difference by the price.

It's a millinery season that should be a delight to all women, for the styles are so widely varied that every face and figure can be suited. There are the big hats and little hats; brilliant colors and subdued shades; all are correct styles and the selection is a mere matter of individual taste.

Then we trim hats to order from your own suggestions, so that you can be exactly pleased if you do not find just what you wish in stock.

Feathers, Flowers, Plumes, Aigrettes, Ribbons and Ornaments of every conceivable kind and color are to be had here.

It's the largest millinery department in the city and hundreds of customers tell us it's the best.

Out-of-town visitors are particularly invited to view the displays.

We will make special prices on all trimmed hats for the balance of this week—we make our prices suit as well as our patterns.
