

BUYERS SEARCHING FOR HEAVY CATTLE

ARE OFFERING ADVANCED PRICES FOR STUFF

As High as \$5.75 Offered for Stuff That Weighs From 1300 to 1400 Pounds—Light Hogs at \$9.60.

Portland, Oct. 28.—Only one load of hogs came into the yards today, that being shipped by G. Reiling from Mount Angel. The livestock market is in good condition and as was exclusively reported yesterday, tops are quoted at \$9.60. While only one sale was made yesterday at this figure, stuff that would average around 175 to 190 pounds could have been readily moved at the price today if of good quality.

It is the light stuff that is wanted and therefore for this packers are willing to pay a premium of a dime over regular tops that are heavy. Too much heavy stuff has recently entered all American hog markets and that accounts for the discrimination in favor of the lighter article.

Selected fat cattle that average between 1300 and 1400 pounds are in demand just now and killers say they would be quite willing to pay as high as \$5.75 for this class of stuff. Ordinarily good cattle that average around 1200 pounds, is top at \$5.50@5.60.

Latest Livestock Sales. Following are official transactions. They represent demand, supplies and quality offering:

THE WHEAT MARKET

WORLD'S WHEAT IS SHOWING A LOSS

Both Chicago and Liverpool Down Today; Damage News Is Not Followed.

Chicago, Oct. 28.—Crop damage news from Australia failed to affect the wheat market here and the close was 3-4 to 1-8-c a bushel lower than yesterday.

There was a weaker feeling abroad. Liverpool opened 1-8d to 1-4d lower and closed with a loss of 1-4d to 3-8d from yesterday.

World's shipment of wheat exclusive of North America are 12,400,000 bushels, according to an estimate by Broomhall. Some increase on passage is predicted. Australia wheat shipments, 648,000 bushels; India, 534,000 bushels; Argentina wheat, 968,000 bushels; corn, 4,888,000 bushels; corn, 4,888,000 bushels.

Wheat prices today and a year ago: December—Today, 92 1-2; year ago, \$1.05 1-4. May—Today, 98 1-2; year ago, \$1.05. July—Today, 96 1-2; year ago, 98 1-8.

BAD BAY OF 62 TOO MUCH FOR POOR OLD DAD

New York.—That despicable bad boy, Frank T. Wilnot, of Williamsburg, was sent to the workhouse for six months by Magistrate O'Reilly. The lad wept pitifully as he was sentenced, declaring that in his 62 years of life such a disgrace had never been visited on him before.

Young Wilnot, his whiskers carefully combed, appeared in court on an adjourned hearing of his father's charge that he is incorrigible. The distressed parent, George Washington Wilnot, who is 84, said it was a bit too much for his life of life to look after a boy who drank in the way young Frank T. did.

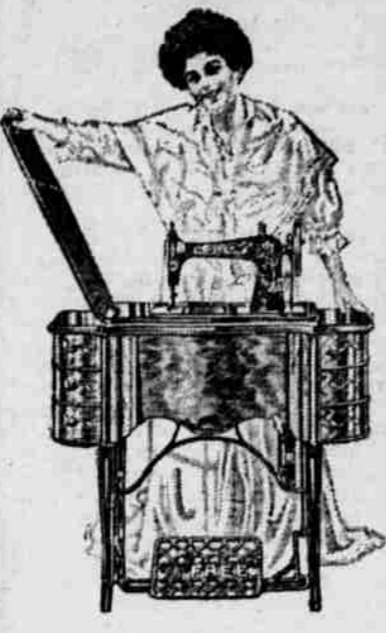

"He's a good boy for all but that," quavered old Wilnot, "but I can't control him, and I wish the law would take a try at it."

"Well, I think you are an incorrigible young scamp," said Magistrate O'Reilly, and then sentenced him.

"Are mosquitoes religious?" "Yes. They first sing over you, and then prey on you."

Mrs. Bess T. Baker took the prize as best pastry cook in Umattilla county. She always uses Cleveland's Kaking Powder and only pays the regular price of \$1 for a 3-pound can. All grocers sell at this price.

\$1 A WEEK Buys The FREE

This is the machine invented by Wm. C. Free of Chicago,—the machine which you have read so much about in the magazines,—the machine which has a score of altogether new improvements—and the machine which is sold at a price so much lower than you are accustomed to pay for the highest grade sewing machine, that if we told you what the price was, it would prejudice you against the machine. We insist on showing you the machine and its points of superiority before telling you what a bargain it really is.

And to give you a better chance still of finding out for yourself how perfect it is, and to show you our absolute confidence in 'The FREE,' we want you to give it

30 Days Trial In your Home

Try this machine—test it—sew with it on all kinds of material—if you then are not entirely satisfied—if you are not convinced that it is the best machine you have ever sewed on—the most improved—the most up-to-date—if the low price does not convince you that this is the biggest bargain you have ever bought, return the machine to us and we will refund your deposit so that the trial will cost you a cent.

You haven't any idea how it will surprise you and how delighted you will be to keep it after you have sewed on it for 30 days. We know that you would never think of parting with it. Like all other women you will be in a flutter of excitement and enthusiasm about the new new invention on the FREE. Our only reason for giving you this fair trial offer, is because we want you to have it 30 days.

—to see the real beauty of the French leg design and double stitching. —to let your feet find out that the 8 sets of Ball bearings have made 'The FREE' the lightest running sewing machine in the world.

—to learn the value of a Rotary Spool Pin, a Shuttle Ejector, an Improved Head, Latch, Square Feed, an Automatic Thread Controller, Automatic Locking Drawers, and scores of other improvements.

—to notice that the "Remondelli" movement, which took Mr. Free 5 years to invent, makes 'The FREE' faster than the fastest rotary and simpler than the simplest shuttle machine.

Come Tomorrow and See The FREE and take it home with you for a month's trial

What a Great Man Said to the Great American People.

Parisian Sage is a discovery of a celebrated scientist, who spent the best years of his life perfecting this great hair tonic.

In giving his recipe to the American people he said: "Parisian Sage is the most delightful hair dressing in the world. It cures dandruff by killing the germs that infest the roots of the hair; it stops falling hair; it gives vigor and strength to the hair roots. Tallman & Co. sell Parisian Sage at 50 cents a large bottle and guarantee it to do all that is claimed for it, or your money is refunded. It stops falling hair, dandruff and itching scalp in two weeks."
