## REPUBLICANS HOLD RALLY AT ATHENA

### CANDIDATES FOR OFFICES DELIVER ADDRESSES

C. A. Barrett, George Cochran, Judge Gilliland, G. W. Bradley and Zoe Houser Speak—Charles Ferguson Defends J. N. Burgess.

(Special Correspondence.)  
Athena, Ore., Nov. 3.—Before a crowded house last night, an enthusiastic rally was conducted by the republicans of this county. The meeting was presided over by Attorney S. F. Wilson of this city, and after a speech in which he upheld the republican party as a whole and defended the agent member, J. N. Burgess, who is laid up with rheumatism, Mr. Wilson presented the Hon. C. A. Barrett of this city, who is the candidate for joint senator from Union, Umatilla and Morrow counties. Mr. Barrett made a splendid talk and his arguments were straight to the point. He attacked Dr. M. K. Hall, his opponent, on the grounds that he was not an American citizen, as the doctor did not have his papers. Mr. Barrett solicited the support of the people of this county on the grounds that he had been here for over twenty years and had always done his part in all matters of public welfare. Mr. Barrett says that he has been and will be first, last and all of the time, the man of the people.  
After Mr. Barrett came George Cochran of La Grande, who is the candidate for water superintendent of this district. Mr. Cochran explained the duties of the water superintendent and asked support for the reason that he had made a specialty of irrigation laws and that for the last ten years he had been dealing with the water legislation almost exclusively.  
Charles J. Ferguson of Pendleton, was the next speaker and he defended T. J. Mahoney of Heppner, the candidate for joint representative from Morrow and Umatilla counties. Mr. Ferguson told the people of this city to support Mr. Mahoney, as he

was the only representative of our sister county. He further solicited the suffrage of the voters of this community on the ground that Mr. Mahoney was a man in favor of the people's rule and not opposed to them, as he was charged by some of the democrats.  
Judge Gilliland, candidate for reelection, then delivered an argument in favor of the present administration and answered the charges made by the democrats in their rally here Tuesday evening. He told the voters of this community why the monthly reports of the county had not been printed, stating as a reason that it was an extra expense to the taxpayers and that it did no special good for he reason that all reports, receipts, etc., of the office were always open for inspection to any person desiring to know them.  
George W. Bradley, candidate for treasurer was then presented by Mr. Wilson and after a few remarks, he was followed by Zoe Houser, the candidate for sheriff against T. D. Taylor, the present officer. Houser promised the people of this community that he would enforce the laws of the county and state to the best of his ability and then if there are any laws that are not good ones, the people of this county will find it, and if they are good laws then they will remain as they are. He also said that he would make his bookkeeper balance the books every day and would have him give bonds. This concluded the speaking of the evening.

"If my friends hadn't blundered in thinking I was a doomed victim of consumption I might not be alive now," writes D. T. Sanders, Harrodsburg Ky., "but for years they saw every attempt to cure a lung-racking cough fail. At last I tried Dr. King's New Discovery. The effect was wonderful. It soon stopped the cough and I am now in better health than I have had for years. This wonderful live-saver is an unrivaled remedy for coughs, colds, influenza, croup, hemorrhages, whooping cough or weak lungs. 50c, \$1.00. Trial bottle free. Guaranteed by Koepfen Bros."

**Does Business Direct.**  
Is it not more satisfactory to do business with the principal in business than a deputy, no matter how much he knows about the business? Recorder Hendley is always ready in his office to wait on the taxpayer and does not leave it to a deputy. The point can be easily seen. (Paid Advertisement.)

**John Vaughan Has Moved.**  
John Vaughan has moved his electrical supply store from 815 Main street to the store room next door south from the postoffice, formerly occupied by the Wonder Store. An increase in weight is seen from the first week's use of Samose, but if it does not restore you to your proper weight and give you full vigor and vitality, Druggist Koepfen will return your money. You certainly can afford to try Samose on this guarantee.
