BAKER FORFEITS MATCH.

Rifle Team Fails to Show Up—Pendleton Team Holds Shoot.

Through failure to show up in Pendleton yesterday at the appointed hour the Baker city rifle team forfeited the local match to Pendleton and also forfeited their chance to win the state championship in the contests which are being held throughout the state between the different companies.

The Pendleton team went on ahead with the shoot just as though their rivals were here and their records were today sent in by Range Officer M. S. Kern to the state headquarters.

The Baker City team captain gave as his reason for not coming the fact that one member of the squad had suddenly been taken ill and they had no substitute. The Pendleton team was in a similar position through the fact that two members of the rifle squad are now in college. Their places were filled by substitutes.

The local team made a score of 375 out of a possible 600 in the regimental trophy match. This is not considered very good and with the exception of Sergeant Blanchett the showing in the individual match was not much better.

In the trophy match Blanchett made a score of 126 out of a possible 150, while Wissler made 99, Carroll 73, and Roach 77.

In the individual match Blanchett made a score of 153 out of a possible 200, Wissler 113, Carroll 73, and Roach 100.

C. A. BARRETT ANSWERS ATTACKS OF OPPONENT

November 7, 1910.

To the Editor of the East Oregonian: Dear Sir:—In your issues of Saturday Dr. Hall, democratic candidate for joint senator, takes occasion to refer to my official record, and also makes the statement that I sought the endorsement of the assembly; that I had cards printed for that purpose, and failing to get such endorsement, that I burned the cards. This statement that I in any manner whatever sought the endorsement of the assembly is unqualifiedly false. At the time the assembly was held I had not definitely made up my mind even to become a candidate.

I do not care to reply to Dr. Hall's statement with reference to my record, as I believe that my public and private records are too well known to need any reference, especially when attacked by a rival candidate with the evident intent for political effect.

C. A. BARRETT.

ALL CAMPAIGNS CLOSING TODAY.

(Continued from Page One.)

It was predicted by both insurgents and regular leaders that the republican progressive congressional nominees, William Kent, E. A. Hayes and Wm. Stephens will be elected. It is predicted likewise that Hiram Johnson the progressive republican gubernatorial candidate, will win by a large majority over his democratic opponent Theodore Bell.

SPORTS

COAST LEAGUE.

Los Angeles 4, Sacramento 0. Sacramento, Cal., Nov. 6.—Dillon crew shut out the Senators in the last game of the season this afternoon by a score of 4 to 0. Delhi pitched good ball for the winners, keeping the hits well scattered. Danny Wright, a local "busher," opposed Delhi and was hit opportunely. In the eighth the youngster became wild, walking three batsmen and enabling the Angels to score two runs. Charley Graham, manager and captain of the Senators, announced his retirement from baseball today. Graham will be succeeded as manager by Patsy O'Rourke, who is the property of the Boston Americans and at present captain of the Albany team of the New York state league. Score: R. H. E. Los Angeles 4 8 0 Sacramento 0 7 3 Delhi and Orendorff Wright and LaLonde.

Vernon 3-7, Portland 2-5. Los Angeles, Nov. 6.—A large crowd saw Vernon undo Portland in the final games of the season at Chutes today—3 to 2 and 7 to 5. Carlisle's home run put the morning game in the winning column for Vernon, while the afternoon game was taken by a slug fest in the seventh inning when Hogan's men took advantage of Garrett's unsteadiness and gathered five runs. Scores: Morning game: R. H. E. Vernon 3 10 4 Portland 2 10 2 Shafer and Hasty; Seaton and Murray.

Second game: R. H. E. Vernon 7 14 3 Portland 5 15 3 Hitt, Hogan and Hasty; Garret, Olson and Murray.

Oakland Takes Two.

San Francisco, Nov. 6.—Playing in form that might have won the pennant somewhat earlier in the season, Oakland took the last two games from San Francisco today. In the morning Moser was invincible and his mates played a string of ciphers in the error column. Oakland took the game by a score of 2 to 1. In the encounter after noon every Oaklander hit a Miller offering once, and some of them twice, making the total number of base hits just 13. San Francisco supplied in support what Miller lacked in control, and the Wolverton crew was held to three runs. The locals with only four hits off Willis, could not score. Scores: Morning game: R. H. E. Oakland 2 8 0 San Francisco 1 4 1 Batteries—Moser and Pearce; Flieder and Berry.

Afternoon game: R. H. E. Oakland 3 13 1 San Francisco 0 4 3 Batteries—Willis and Thomas; Miller and Berry.

"Drys" Close Campaign.

With an enthusiastic rally which filled the Christian church to capacity last evening, the Pendleton "drys" brought their campaign to a close in this city. George H. DeKay was the speaker. More than \$60 was raised to assist in defraying the expenses of the campaign. Reports were also received this morning from Echo and Athena. A rousing rally was held in the fire named place last evening and the campaign was brought to a close in Athena today by an impressive "dry" parade. DeKay went to Hermiton this morning where this evening he will deliver the closing address of the campaign for that part of the county.

BLOOD DISEASES CONTAGIOUS TROUBLES

Contagious Blood Poison more thoroughly permeates the system than any other disease. Its infectious virus contaminates every corpuscle and tissue of the circulation, and for this reason its symptoms are of a varied nature. When it enters the blood it is but a short time until the mouth and throat begin to ulcerate, the skin becomes spotted, rashes and eruptions appear on the body, sores and ulcers break out, the hair falls, and frequently nails on hands and feet thicken and come off. Mineral medicines which simply shut the poison up in the system should be avoided, for when such treatment is left off the old disease will break out again, often worse than before. S. S. S. cures Contagious Blood Poison permanently, and it does so because it thoroughly purifies the blood. S. S. S. goes into the circulation, and drives out the last trace of the destructive germs, adds richness and vigor to the circulation and allows it to nourish the diseased portions of the body back to health. S. S. S. is purely vegetable, being made entirely of roots, herbs and barks, without a particle of mineral, and its vegetable ingredients always hasten the cure by toning up the stomach and digestive members. AT THE MOVING PICTURE SHOWS

The Orpheum.

Tuesday's change as follows:

1. The Foreman. Selig, 1000 ft. long. A Western ranch picture of excellence, like all the ranch pictures that have come from the Selig studio. A new foreman wrongfully accused and arrested escapes and with the aid of a girl succeeds in establishing his innocence and recovers the stolen money.

2. The Sisters. A good Pathe drama.

3. "A Lucky Toothache." Biograph 1000 ft. long. A good comedy.

4. "The Masher." Biograph. Here is a mixed comedy illustrating the misfortunes of Hiram, who is taken for a masher.

Song. When the Bloom is on the Heather.

The Pastime.

Tuesday's new program: "A Home Melody." Vitagraph, drama. A story of much heart interest, showing how the music of a home melody restores a mother's reason dethroned by shock.

"Anoko's Vow." Edison drama. A story of the famous Indian massacre at Deerfield, Mass. in 1675 and 1704. All exterior scenes were taken at Deerfield that part of the country in both summer and winter. The picture is most elaborate and is a big feature subject.

"Who Owns the Rug?" Pathe, comedy. This comedy is indeed a puzzler and after your laughter has subsided, you will begin to wonder who really dug own it.

"Southern Tunis." Pathe, scenic. A scenic picture that is most interesting and instructive.

Roy Bishop returned yesterday from an extended business visit to Portland and other valley points.

Attention Knights. Damon Lodge No. 4 will work in the first rank this evening. All Knights please attend. G. W. COUTTS, C. C. R. W. FLETCHER, K. R. S.

The Drug Store That Serves You Best

Now is the Time for MINCE MEAT

You can not make it successful without a FOOD CHOPPER. The old way takes too long and is not only tiresome but does not leave the fruits and meats in such a uniform size as

The Universal Food Chopper

The Universal chops all kinds of raw or cooked meats better than any other machine, it also chops all kinds of vegetables and fruits fine or coarse as desired, into a clean-cut, uniform piece, without mashing them,

IN THIS RESPECT IT HAS NO COMPETITORS. It does away with the chopping bowl and knife altogether and is something that can be used all year.
