

JAY BOWERMAN IS FOUND OUT AGAIN

USES AS CLUB SAME BILL HE ONCE OPPOSED

In Attacking West for Working Against Speed Regulation Measure He Overlooks Fact He Took Same Action.

Jay Bowerman opposed in the Oregon senate, senate bill 186, proposed by Judge Bennett of The Dalles, requiring railroads to carry livestock at a continuous speed of 15 miles an hour, says the Oregon Journal. This is the bill over which Mr. Bowerman's campaign managers and newspapers are seeking to make capital against Oswald West. C. W. Nottingham, manager of Mr. Bowerman's campaign committee, opposed this bill. It was also opposed by State Senator Frank Miller, of Albany, now the assembly candidate for railroad commissioner.

The bill was disposed of by indefinite postponement. The motion for indefinite postponement was made by State Senator John B. Coffey, late assembly candidate for county clerk, and a strong supporter of Mr. Bowerman. The ayes and nays were called for and those voting aye for indefinite postponement were: Arrington, Barrett, Bligham, Chase, Coffey, Hart, Hodges, Johnson, Frank J. Miller, Norton, Nottingham, Schofield, Wood and Mr. President (Bowerman). (See Senate Journal session of 1909, page 522.)

Grange Opposed Bill.
The vote against indefinite postponement was eight, and eight were absent. If Mr. Bowerman, Mr. Miller, Mr. Coffey and Mr. Hart, all supporters of Mr. Bowerman, had voted the other way, the bill would have passed the senate, which means that it was their votes that are responsible for the killing of the bill.

The legislative committee of the Oregon state grange opposed the passage of the bill. The following signed statement by Eugene Palmer, a member of the committee, bears on the subject:

"Portland, November 4, 1910.
"To the Editor of The Journal: As a member of the legislative committee of the Oregon state grange, I was present at the 1909 legislative session, and opposed senate bill 186, prepared by Judge Bennett and requiring railroads to make a continuous speed of 15 miles an hour in the transportation of livestock. Hon. C. E. Spence, now master of the state grange, was also present at the session in the same capacity, and joined with me in opposing the bill.

Bill Too Draconic.
We conferred with Judge Bennett with reference to the bill, with State Senator Frank Miller, and others who were informed on the subject. We came to the conclusion that the bill was too drastic in that it required too great a rate of speed. There was also a strong belief that if passed it would prove to be unconstitutional, a decision in another state, the title of which I do not now remember, being cited in evidence thereof.
"The bill was opposed by Senator Frank Miller, now a candidate for railroad commissioner, and by Mr. Bowerman, now a candidate for governor. It was also opposed by Chairman Nottingham of Mr. Bowerman's campaign committee.

"I am satisfied with the attitude that I took as a member of the legislative committee of the Oregon state grange in opposing the bill, and while I am a strong personal friend of Judge Bennett I think the legislature did right in refusing to pass the measure.

"EUGENE PALMER."

Would Discredit West.
Bowerman's campaign managers have been making strenuous efforts to discredit Oswald West because he advised against the passage of this bill. A circular letter signed by Jay Bowerman and urging his own candidacy has been sent to voters all over the state and in the same envelope is enclosed a printed circular headed in large type:
"Mr. West, the Bourne-Chamberlain candidate for governor, turned the livestock shippers down and stood in with the railroads."

Following are extracts from the circular:
"As railroad commissioner Mr.

Kidney Troubles Attack Pendleton Men and Women, Old and Young.

Kidney ills seize young and old. Come quickly with little warning. Children suffer in their early years. Can't control the kidney secretions. Girls are languid, nervous, suffer pain.

Women worry, can't do daily work. Men have lame and aching backs. The cure for man, woman or child is to cure the cause—the kidneys. Doan's Kidney Pills cure sick kidneys.

Cure all forms of kidney suffering. Pendleton testimony proves it.
Mrs. George Barrett, 1413 W. Webb street, Pendleton, Oregon, says: "A member of our family suffered from attacks of backache and occasionally was laid up for a month at a time. Stopping or straightening caused sharp twinges in the loins and there was also a distressing kidney weakness in evidence. The use of Doan's Kidney Pills was advised by a physician and a supply of this remedy was procured. After Doan's Kidney Pills were taken, great benefit was received and there has been no serious cause for complaint since. I have also taken Doan's Kidney Pills and can recommend them strongly."

West appeared before the legislature and opposed a bill to require the railroads to ship livestock without unreasonable delay.

"Judge Bennett and other livestock shippers tried to get a bill through the legislature for the relief of the shippers, but when Mr. Bennett arrived in Salem to argue for this needed legislation he found Mr. West there working against the bill."

The whole purpose of this circular was to arouse prejudice against West because he opposed a bill which was also opposed by Bowerman and Bowerman's friends, as well as by the officers of the state grange.

All were agreed at that time that the bill was improper. Voters are now presented with the spectacle of an attack by Bowerman on West because West took the same view of the bill that Bowerman took.

TEMPERANCE WORKER SPEAKS TO INDIANS

(Contributed.)

George H. DeKay, together with R. E. Storey and wife and J. C. Lindinger, were taken to the Tutuilla Indian mission Sabbath afternoon by Mr. Stockman. Mr. DeKay addressed the people on the subject of temperance and instruction as to the questions before the state next Tuesday. The people received his message very enthusiastically and especially the members of the Tutuilla temperance society. The president of this society immediately arose and put the question before the people and they gladly voted a generous sum to help in the "Oregon dry" campaign from the funds of their society.

Robinson Minthorn, an elder of the church, was elected to go from Tutuilla to the evangelistic meeting to be held at Kamiah, Ida., beginning Tuesday and extending over the following Sabbath. His purpose in going besides helping in the meeting there is to extend to and urge upon the Nez Perce people an invitation to come to Tutuilla to help in a series of evangelistic meetings in his own church which his people are planning for to be held just after the Christmas holiday and to extend over New Year's. He says he will leave after he has performed his duty on Tuesday, as a member of the Tutuilla temperance society.

Hobback's coffee and oyster house is now open; best of service.
