**What Cures Eczema?**  
We have had so many inquiries lately regarding eczema and other skin diseases, that we are glad to make our answer public. After careful investigation we have found that a simple wash of Oil of Wintergreen, as compounded in D. D. D., can be relied upon. We would not make this statement to our patrons, friends and neighbors unless we were sure of it—and although there are many so-called eczema remedies sold, we ourselves unhesitatingly recommend D. D. D. Prescription.

Because—We know that it gives instant relief to that torturing itch.  
Because—D. D. D. starts the cure at the foundation of the trouble.  
Because—It cleanses, soothes and heals the skin.  
Because—It enables Nature to repair the ravage of disease.  
Because—The records of ten years of complete cures of thousands of the most serious cases show that D. D. D. is today recognized as the absolutely reliable eczema cure.  
Drop into our store today, just to talk over your case with us.

### ROUMANIA'S QUEEN HAS YOUTH ELIXIR

Paris.—The queen of Roumania is said to possess the elixir of perpetual youth, and this would seem to be true, for very recently she appeared as Venus in a "living picture" performance at the palace before her admiring subjects.

Carmen Sylva is indeed a remarkable woman in more ways than one. As some one expressed it, "the queen has too much brain to be quiet with." She has not only written books, but good books, as well as plays and poems. The other day this distinguished queen was visiting a girl's school when one of the pupils asked: "Your majesty, why are you called Carmen Sylva?"

The queen hesitated, then answered: "I will tell you though your question is rather indiscreet. When I was a little girl like you I loved to stroll in the woods. My great desire then was to be able to sing to the birds. Later on I thought much of the solitary walks, and as Sylva means forest and Carmen song, I took the name of Carmen Sylva as a memory of my youth and because it is such a pretty name."

**An Honest Doctor.**  
remarked to his patient who had been cured by Lydia E. Pinkham's Vegetable Compound after his efforts had failed. "Mrs. Weber, I do not believe in patent medicines, but I will say that Lydia E. Pinkham's Vegetable Compound is the best medicine ever discovered for women. Continue to use it." This is another link in the long chain of evidence to prove the reliability of this standard medicine for women.

**ALEXANDRA REJECTS THE TITLE "QUEEN MOTHER"**

London.—That Queen Alexandra does not like her new title of "Queen Mother," which was conferred upon her shortly after King Edward's death, is generally known. For years Queen Alexandra succeeded in retaining the appearance of one of the tender years, but more recently that of the prepossessing young matron.

She considers that the title "queen mother" emphasizes too publicly the endearing terms which her grandchildren are wont to use at times in blunt, child-like fashion.

For some weeks the court circular has referred to her as the queen mother, his week, however, the court newsman dropped the suffix and referred to her as of old—Queen Alexandra.

Alexandra is asserting herself in many ways. She has expressed the wish that the institutions patronized by her shall be known as Queen Alexandra's homes.

Facing the prospect of quitting Buckingham palace at no distant date the royal widow is causing many changes and alterations to be made in and around Marlborough House, which will be her home in the future. Its entire scheme of decorations will be changed and when refurbished the

interior will be a modern palace in every respect.

### DREDGE WILL WORK ON UPPER SNAKE

Lewiston, Idaho.—The government dredge Wallowa has been ordered to the upper Snake river for improvement work and is expected to arrive in Lewiston this week en route to points above Asotin, where obstructions in the channel prevent the navigation of the stream except at high stage of water.

The work will extend from Lewiston to the mouth of the Grand Ronde river, but particular attention will be given to the river at Caplain John creek, Fischer's rapids and Caplain work is expected to require six weeks.

The Wallowa is being sent to the upper river at this time upon application of the West Coast Portland Cement company, which concern owns extensive holdings near Lime Point, where big cement deposits are found. The company has been preparing to develop its properties for the past year and has announced a purpose of establishing steamer transportation between Lewiston and Lime Point to handle the product as soon as operations are commenced. While no announcement of immediate operations has been made, the fact that the government is preparing to improve the river channel on application made by the company is regarded as suggestive of matured plans for early construction by the cement company.

### LINING WITH CEMENT FIVE MILES OF CANAL

Boise, Ida.—On the Payette-Boise irrigation project, rapid progress is being made on the important work of lining the big main south side canal. Two central camps have been established with five concrete mixers and a total of 11,280 linear feet were lined, involving the placing of 16,500 cubic yards of concrete in September. The work will be prosecuted vigorously during November in order to line approximately 29,000 feet of the canal. The work of widening a portion of this canal has proceeded without interruption and will be completed during the present month. At the close of September, 31,440 cubic yards of class 1 material had been removed.

### INDIGESTION IS ENDED FOREVER

NO SOURNESS, GAS OR DYSPEPSIA IN FIVE MINUTES

A Little Diapepsin Now Will Make Your Out of Order Stomach Feel Fine—Digests All Your Food, Leaving Nothing to Ferment and Sour.

Nothing will remain undigested or sour on your stomach if you will take a little Diapepsin occasionally. This powerful digestive and antacid, though as harmless and pleasant as candy, will digest and prepare for assimilation into the blood all the food you can eat.

Eat what your stomach craves, without the slightest fear of indigestion or that you will be bothered with sour risings, belching, gas on stomach, heartburn, headaches from stomach, nausea, bad breath, water brash or a feeling like you had swallowed a lump of lead, or other disagreeable miseries. Should you be suffering now from any stomach disorder you can get relief within five minutes.

If you will get from your pharmacist a 50-cent case of Pape's Diapepsin you could always go to the table with a hearty appetite, and your meals would taste good, because you would know there would be no indigestion or sleepless nights or headache or stomach misery all the next day, and besides, you would not need laxatives or liver pills to keep the stomach and bowels clean and fresh.

Pape's Diapepsin can be obtained from your druggist, and contains more than sufficient to thoroughly cure the worst case of indigestion or dyspepsia. There is nothing better for gas on the stomach or sour odors from the stomach or to cure a stomach headache.

You couldn't keep a handier or more useful article in the house.

**Six Killed at Elections.** Point-a-Pietre, Guadeloupe.—The counting of the votes cast in the municipal election at Basse Terre October 16th, shows that the radicals received 243 votes and the socialists 100. The majority of the socialists not being sufficiently under the law the governor has ordered new elections. Six persons were killed and eighteen wounded in riots following the election.

Croup is most prevalent during the dry cold weather of the early winter months. Parents of young children should be prepared for it. All that is needed is a bottle of Chamberlain's Cough Remedy. Many mothers are never without it in their homes and it has never disappointed them. Sold by all dealers.
