shows that George Ferguson w

erous with the other state normal schools as well as with their own though the majority for the Weston normal was much greater than for either of the others.

All county division schemes have been given average adverse majorities of near 2,000, the vote against Orchard county not being quite that strong.

The woman suffrage amendment is also a heavy loser in this county as are also the tax amendments the official gazette and several other amendments.

Favorable majorities were given the Eastern Oregon asylum measure. the employer's liability act, the bill to prohibit net fishing in Rogue river, the good roads bill and the amendment extending the direct primary to presidential elections.

Barrett's majority in Morrow county is 265 while the county went wet 2386. by 117.
