

WASHINGTON SCHOOL DEFEATS HAWTHORNE

HEAVIER TEAM WINS BY SCORE OF 11 TO 0

First Interscholastic Game of Season Played Yesterday—"Buck" James Star—Contest Very Exciting.

The first interscholastic football game of the season was played on Matlock field yesterday afternoon between the teams of the Washington and the Hawthorne schools. The former won by a score of 11 to 0 in an exciting contest.

Though the victory was decisive the game was far from being a one-sided affair. The Washington school boys were much heavier than their opponents and it was probable for this reason that they won the game. The Hawthorne school players used the forward pass and other modern plays to good advantage but they could not withstand the line plunges of their heavier opponents.

"Buck" James who played left half for the victors was the star of the game, having made a run of half the length of the field for a touchdown. The other touchdown was made by Charley Russel, fullback. The one goal was kicked by Ralph Knight.

The game was replete with exciting situations and until Washington made her second score and thus secured a lead that was difficult to overcome, it looked like anybody's game, so evenly were the teams matched.

The officials were Kimball, Thompson and Devine, while Hamley and Hunt were the time keepers.

The teams lined up as follows:
Washington School.
Struve, center; Reeden, right guard; Edmonds, left guard; Williamson, right tackle; Snyder, left tackle; Knight, right end; Kirkpatrick, left end; Lewiston, quarterback; Jarvis, right half; James, left half; Russel, fullback.

Hawthorne School.
Gillette, center; Minnis, right guard; Hutchison, left guard; Anderson, right tackle; Bybl, left tackle; Gordon, right end; Van Dewalker, left end; Greulich, quarter; Daley, right half; Kurre, left half; Straughan, fullback.

Not Sorry for Blunder.
"If my friends hadn't blundered in thinking I was a doomed victim of consumption I might not be alive now," writes D. T. Sanders, Harrodsburg Ky., "but for years they saw every attempt to cure a lung-racking cough fail. At last I tried Dr. King's New Discovery. The effect was wonderful. It soon stopped the cough and I am now in better health than I have had for years. Royalty Among Masons.
London.—The fact that King George has assumed his father's place as patron of the Royal Masonic Institution for Boys recalls the fact that nearly all kings of Europe and all members of royal houses are Masons, save the kaiser and the czar. The kaiser's father was a Mason, and so was his grandfather, but William, when asked to join the Masons replied that he was chief bishop of Prussia and that a bishop could not be a Mason. The Royal Masonic Institute spends annually \$500,000 for the education of boys, and the lodge to which King George belongs gives more money for charitable purposes than any other in the world.

"What do they mean by seat free?"
"Why, he'll give the liberty if you furnish the site."

YESTERDAY'S SALE RECORD WAS THE BIGGEST IN THE HISTORY OF PENDLETON AND UMATILLA COUNTY.

EILERS MUSIC HOUSE

prices are being slaughtered to such an extent that they are simply IRRESISTABLE. Never before has the purchasing public of Pendleton and vicinity had the opportunity of selecting a piano from stock so large and complete as we are now offering. A call of inspection and investigation on your part will be convincing evidence that pianos—good ones—dependable ones—were never heretofore obtainable at such low prices, and what is more at such ridiculously small payments.

When Pianos==Good ones are obtainable at \$1 per week

And when the costliest of highest grade pianos are to be had for LESS THAN TWENTY CENTS PER DAY, and when such pianos in addition to being sold on such easy terms are offered at such tremendously reduced prices, it is no wonder that yesterday witnessed the biggest piano selling record ever made in Pendleton. Our surprise lies not in the fact that Pendleton homes contain seven pianos purchased on the first day of our "Retiring from Business Sale." Our wonder is why Pendleton did not take twice the number.

<h3>A PIANO FOR EXMAS</h3> <p>What better token of esteem could you offer to those who really need a musical education than a piano? We will store and deliver free to your home on Christmas day the piano you may select. Take that five or ten dollars you expected to spend on a present and make your first payment on a piano. Pay the balance as best suits your convenience. Remember five or ten dollars places a piano in your home.</p>	<h3>New Pianos</h3> <p>To state that we are selling all new pianos at a discount of from 20 to 40 per cent seems almost incredible, but such is the case. Makes which we have sold hundreds of in his territory for \$350, now go at \$195, pianos which sold for \$350.00 and \$375.00 must now be sold for \$255. \$425 pianos now \$285. \$475 pianos now \$318. Some of the world's best makes which formerly sold for \$500 or even \$600 will now be placed on sale at \$365 and upward to \$392.</p>	<h3>The World's Best Makes</h3> <p>Where can you find a better selection from which to make your choice? The Grand Old Chickering, the oldest in America, the Kimball, which is too well known to require any mention, the Old Reliable Hallet & Davis, the sweet toned Lester, the conservatory piano; the Smith & Barnes; the Marshall & Wendall; the Hobart M. Cable; Our Own Make, the Eilers; in fact we have something for every one at a price that will suit you.</p>	<h3>Used Pianos</h3> <p>Many people with excellent judgment prefer a good used piano to a cheap new one. For all such an unusual opportunity is now being presented to secure a splendid upright piano, at actually less than the factory cost. We will have on our floor all pianos which we have had out on rent and these pianos will go at prices ranging from \$165.00 to \$287.00. All owing to how long the piano has been rented and what the original price was.</p>

WOULD NOT DELAY WEDDING FOR TEDDY

New York.—"Delay my wedding for Theodore Roosevelt? Never!" This is what Anna Fried of the Brownsville section of Brooklyn told Reuben C. Haskell, republican leader of Brownsville, when he tried to persuade her to waive her right to the Metropolitan Saenger, the largest hall in the neighborhood, in order that Colonel Roosevelt might deliver an address there, as scheduled, October 29.

Haskell had counted on holding the rally in the Metropolitan Saenger, but discovered that it had been engaged for the nuptials of Miss Fried and Abraham Zeiss. He hurried to the girl's home with the suggestion that she postpone or hasten the wedding, but she was obdurate and it was necessary to engage another hall.

For Memorial to Irish Minister.
Dublin.—A movement has been inaugurated in Limerick to erect a memorial to the late Rev. James Dowd B. A., a popular protestant clergyman. A committee, composed of Catholics as well as protestants, was appointed to collect funds for erection of a tablet in St. Mary's cathedral.

AT THE MOVING PICTURE SHOWS

1. The Orpheum.
1. The Chink at Golden Gulch; 1000 ft. long. A good Glograph drama with a poor Chinaman for the hero. He sacrificed his sacred queue to help the man that had been a good friend to him.
 2. A Simple Mistake. Pathe, 1,000 ft. long. A comedy presenting in vigorous fashion the mistake of an officer asked to throw an intruder out of the house and pitches out the head of the house himself.
 3. A Cold Storage Romance. Selig, 500 ft. long. A romantic maiden inscribes her name on an egg and ten years later a poet discovered the egg, calls on the girl but was so summarily extinguished by the afore-said young woman's matter-of-fact husband that he scarcely recognizes himself.
 4. My Friend, the Doctor. Selig, 500 ft. long. A snappy comedy in which the Selig players fully maintain their reputations as laugh producers.
- Song, The Grizzly Bear.

Pastime Theater.
"Winona." Kalem, drama. When a young child, Winona, our heroine, was captured by a hostile band of

Indians and taken to their village where she grew into womanhood, the pride and beauty of the tribe. She is seen by a white trapper, who recognizes her as a childhood sweetheart. She flees with him back to civilization. The many dangers that overtake them in their daring flight is shown in the story. A classic thriller.

"Clothes Make the Man." Vitagraph. Comedy. This comedy cannot be classed among the generality of comedies. It's funny, it's a laugh! What clothes will do. This proves it. If you don't believe it, see the picture.

"Outwitted." Pathe American, drama. A sensational picture with a good holding story but no unpleasant scenes.

"Around Pekin." Scenic. A most interesting picture.
