## SHEEP MARKET IS OVERCROWDED

The sheep market is overcrowded with offerings and therefore for anything except selected quality prices are almost sure to be shaded by buyers.

Everyone seems to have sheep to offer. There was a report current in the yards today that 10 double decks of sheep were en route to this city from Idaho, and naturally, this had a depressing effect upon quotations in general.

Perhaps the greatest difficulty is in disposing of feeders. At this time of the year there are few buyers for feeders in the market, and therefore offerings show neglect.

The sale of a lot of feeder sheep reported yesterday as 250 ewes averaging 86 pounds should have read 260 feed ewes, and the price should have been \$2.25 instead of \$2.80, as reported. The error is corrected in justice to the sellers.

One extra select load of cattle came into the yards from Moro today. It is said to be the best load of cattle that ever entered the local yards. The lot was shipped by A. H. Barnum.

Trade in the cattle market is rather dull, owing to the absence of selected quality. Too much poor stuff has been offering recently.

Hogs are quoted nominally unchanged.

## THE WHEAT MARKET

SHORTS COVER AND STRENGTHEN MARKET

### Liverpool Opened Firmer But Closed Weaker Owing to Receipt of Bearish Russian Reports.

Chicago, Dec. 1.—Short covering was responsible for the rallying power of the wheat market yesterday, closing being 3-4 to 7-8c a bushel higher than Tuesday.

At the opening of wheat trading today there was a loss of 3-8c in the December and 1-8c in the July, but May was unchanged. At the start it seemed as if traders were feeling their way. A mixed situation abroad was probably responsible for this.

At Liverpool there was a closing 1-8 to 3-8d higher after an opening unchanged to 1-4d above yesterday. Paris was firm but Budapest was down even though Berlin was higher. Antwerp closing was at the same price as yesterday.

Broomhall cabled that Liverpool opened firmer but later weakness developed, being caused by the bearish Russian official report and continued favorable weather in northern Argentina and favorable reports from Australia. The rally was due to the report that France was again a buyer. Strength at Paris was due to unfavorable weather in south Buenos Ayres.

## CHINA PAYS TWO CLAIMS

Japan and Norway Given Total of \$90,000 for Rioters' Work.

Shanghai.—A Tokio journal publishes what purports to be a statement of the claims submitted to the Chinese government by the various powers in consequence of the Changsha riots of last year. It asserts that the only claims settled immediately without abatement were those of Japan and Norway, the former receiving \$62,500 and the latter \$28,750.

No claim has been put in by the United States citizens, although they had a church burned. The French demanded \$40,625, but were content with \$26,250. Heaviest of all was the British bill. It totaled \$500,000, and the Chinese are said to have offered \$300,000. There are also claims from private individuals which have been separately presented, and which total \$42,000.

## Use TIZ-- Smaller Feet

Sore Feet, Tender Feet and Swollen Feet Cured Every Time. TIZ Makes Sore Feet Well No Matter What Ails Them.

Everyone who is troubled with sore, sweaty or tender feet—swollen feet—smelly feet, corns, callouses or bunions can quickly make their feet well now. Here is instant relief and a lasting, permanent remedy—it's called TIZ. TIZ makes sore feet well and swollen feet are quickly reduced to their natural size. Thousands of ladies have been able to wear shoes a full six smaller with perfect comfort.

It's the only foot remedy ever made which acts on the principle of drawing out all the poisonous exudations which cause sore feet. Powders and other remedies merely clog up the pores. TIZ cleanses them out and keeps them clean. It works right off. You will feel better the very first time it's used. Use it a week and you can forget you ever had sore feet. There is nothing on earth that can compare with it. TIZ is for sale at all druggists 25 cents per box or direct if you wish from Walter Luthers Dodge & Co., Chicago, Ill.
